Jewish Community Center on the Palisades
411 East Clinton Avenue, Tenafly, New Jersey 07670

Tenafly, New Jersey
April 18, 1985

Dear President Reagan:

Tonight, we, the people of Bergen County, New Jersey have gathered at the Jewish Community Center on the Palisades to commemorate the Holocaust and all its victims. We know, full well, the horrors that were perpetrated during those dark years, and we have pledged never to forget and to learn from history.

As one who has shown deep commitment to the memory of those Jewish and other victims who perished at the hands of the Germans, and to those American and Allied soldiers who gave their lives to fight the totalitarian menace, we beseech you to remain true to your heart. PLEASE, do not lay a wreath on the graves of the Nazi murderers. Do not give them the honor and respect of the office of the President of the world's greatest nation. Reconciliation need not take the form of ~~winning~~ *winning* honor.

April 18, 1985

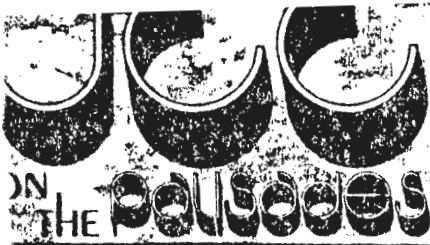

Dear President Reagan:

Tonight, we, the people of Bergen County, New Jersey have gathered at the Jewish Community Center on the Palisades to commemorate the Holocaust and all its victims. We know, full well, the horrors that were perpetrated during those dark years, and we have pledged never to forget and to learn from history.

As one who has shown deep commitment to the memory of those Jewish and other victims who perished at the hands of the Germans, and to those American and Allied soldiers who gave their lives to fight the totalitarian menace, we beseech you to remain true to your heart. PLEASE, do not lay a wreath on the graves of the Nazi murderers. Do not give them the honor and respect of the office of the President of the world's greatest nation. Reconciliation need not take the form of ~~undo~~ ^{undo} honor.
