Dear Mr. President,

We the undersigned strongly urge you to reconsider your decision not to visit the Dachau Concentration Camp on your trip to Germany. In regard to your comments made at the White House Press Conference on Thursday, March 21, 1985, we in no way wish your visit to Dachau to cause antagonism rather on behalf of United States of America you will be paying the proper respect to the millions of victims that perished in Concentration Camps throughout Europe.

Respectfully,
