Dear Girls and Boys:

The President has asked me to thank all of you for the letters you wrote inviting him and Mrs. Reagan to visit Ramstein Elementary School as part of their trip to West Germany.

Although both he and Mrs. Reagan would like to have the opportunity to visit with you, they are very sorry their schedule during the time they will be in Europe will not make this possible.

To each and every one of you they send their warm appreciation for your thoughtfulness of them, along with an expression of their good wishes.

We would like to share this poem which was written
by a grateful mother.

Without Chicken pox or flu,
I return my child to you.
He is rested; very well
This I'm sure that you can tell.

He has energy to spare;
You can tell by my gray hair.
He's a peach; Don't get me wrong...
But to have him all day long?

After thirteen days of healing,
I've learned something worth revealing-
Though I love the little creature...
