Dear Ken,

I am enclosing a recommendation for Larrain Thomas which I just received. Ms. Thomas is interested in an appointment to the World Health Organization/Supplemental Health Insurance Panel.

I would appreciate it if you would forward this recommendation to the proper person.

Many thanks, Ken.

Dear Bill:

We are very pleased to recommend Larrain Thomas for appointment to the World Health Organization/Supplemental Health Insurance Panel.

Miss Thomas' extensive experience in the health insurance field eminently qualifies her for the position. Her support of Republican candidates and the Republican Party in Michigan has been outstanding. She is an elected precinct delegate, vice-chair of her Congressional District Committee, and a member of the 106-person State Committee. She is active with the New Republicans, a group of young Black Business and professional people who have chosen the Republican Party.

Larrain Thomas would be an asset to the Administration -- as she has been to us. We strongly urge your consideration of her for appointment to the Supplemental Health Insurance Panel.

Very truly yours,

Ellen

MEMORANDUM TO: The President

FROM : William P. Clark, Acting *wpc*

SUBJECT : U.S. Representative on the Executive
Board of the World Health Organization

For the U.S. Representative on the Executive Board of the World Health Organization, Secretary Schweiker and I concurrently recommend that you appoint the following candidate:

Edward N. Brandt, 48, of Austin, Texas, is presently the Assistant Secretary for Health, Department of Health and Human Services.

Before joining HHS, Dr. Brandt, a physician, was associated with the University of Texas. Since 1977, he had been vice chancellor for health affairs for the university system, based in Austin. From 1970 to 1977, he was executive dean of the University's Medical Branch in Galveston. He had also served since 1970 as professor in the university's departments of preventive medicine and family medicine. From 1962 to 1970 Dr. Brandt was at the University of Oklahoma Medical Center, first as director of the Medical Research Computer Center and later as associate dean.

As Assistant Secretary for Health, Dr. Brandt directs the activities of the Public Health Service, which includes the Health Services Administration; the Alcohol, Drug Abuse and Mental Health Administration; the Centers for Disease Control; the Food and Drug Administration; the Health Resources Administration; and the National Institutes of Health.

Dr. Brandt provides policy guidance for other HHS health programs including the Health Care Financing Administration, which administers Medicare and Medicaid. He also maintains relationships with other governmental and private agencies concerned with health. He advises and assists the Secretary on health policy and on all health-related activities of the department.

Dr. Brandt was born July 3, 1933, in Oklahoma City, Okla. He received his B.S. degree in mathematics from the University of Oklahoma in 1954 and an M.S. degree in mathematics from Oklahoma State University in 1955. He received his M.D. in 1960 from the University of Oklahoma Medical Center and a Ph.D. in biostatistics from the same university in 1963. Dr. Brandt served his internship at the Veterans Administration Hospital in Oklahoma City and was an internal medicine resident at the University of Oklahoma Medical Center.

Dr. Brandt has been active in various committees of the American Medical Association, Texas Medical Association and the American Association of Medical Colleges. At the time of his confirmation as Assistant Secretary for Health, he was serving as chairman of the AMA's section on medical schools. He is also a member of the American Academy of Family Physicians' Commission on Legislation and Governmental Affairs. He has served on many boards, committees and foundations and holds memberships in a number of honorary and professional societies.

Dr. Brandt has published extensively and has made significant contributions to the professional literature throughout the entire range of health and statistical issues.

Dr. Brandt and his wife, the former Patricia Lawson, have three sons: Patrick James, Edward N. III and Rex Carlin.

WORLD HEALTH ORGANIZATION

1. Brief background including date of establishment.

The World Health Organization was created in 1946. It currently has 155 member states. Its Executive Board consists of 30 members. The World Health Assembly elects the governments who are entitled to name members of the Board. Although the Board members are supposedly independent from national government, in fact the U.S. member is always instructed according to governmental positions. The United States is normally off the Board for one year between three-year terms on the Board. We are currently off the Board but expect to be reelected at the Assembly in May 1981.

2. Specific function/purpose of organization and dates and places of meetings.

The Executive Board determines the basic policies of WHO, and prepares the groundwork for the annual Assembly. The Board meets twice a year -- for three weeks in January and for two days following the Health Assembly in May. All meetings are in Geneva.

3. Composition and compensation of board/commission (to include names of present incumbents, date of appointment and their expiration dates as well as existing vacancies).

Membership on the Board is prepared on a regional basis. The members of the region for the Americas (North and South America) are expected to nominate the United States for the one vacancy from the Americas that occurs this year. The new U.S. term would be May 1981 to May 1984.

4. What Department has appointive authority, i.e., source and process of nominations.

The appointment of the U.S. member of the Executive Board is normally a Presidential appointment, implemented at the recommendation of the Secretary of Health and Human Services through the Department of State. The U.S. member is traditionally the individual who holds the position of Director of the Office of International Health in DHHS. It is a government employee. There is no stipend or salary involved.

5. Name of individual who serves as point of contact where possible from within the board.

Contact with the WHO and the Board is handled through the international Health Attache at the U.S. Mission in Geneva.

6. Contact address and telephone number.

See above.

7. Name and telephone number of State Department action officer.
