Dear Mr. Ulrich:

I am putting together a compilation of surveys regarding drugs and alcohol -- use, trends, attitudes, law enforcement, sentencing, drugs in the workplace, etc.

In order to achieve the most complete set possible, I would like to ask for your assistance in obtaining copies of those surveys conducted in your area. I am interested in all surveys since 1979, whether government, school or private sector sponsored, to include those with a limited audience (i.e. a high school or city).

I appreciate your help and look forward to hearing from you. Please do not hesitate to contact me if you have any questions or need additional information.

Best wishes,

Sincerely,

Carlton E. Turner, Ph.D.
