

Reagan Library Topic Guide – Amnesty-Clemency-Pardons

Reagan Library topic guides are created by the Library staff from textual material currently available for research use. Material cited in the topic guides come from these collections:

[White House Staff and Office Collections](#)

White House Office of Records Management (WHORM) [Subject Files](#)

White House Office of Records Management (WHORM) [Alphabetical Files](#).

The folders and case files listed on these topic guides may still have withdrawn material due to Freedom of Information Act (FOIA) restrictions. Most frequently withdrawn material includes national security classified material, personal privacy issues, protection of the President, etc.

AMNESTY-CLEMENCY-PARDONS

Scope Note

This topic guide contains two parts. The first section is general requests for amnesty, clemency and pardons. The second half of the topic guide identifies material by individual names. The topic guide contains individual listings if the Library has received a Freedom of Information Act request for that specific name. All other individual information will be contained in the first half of the topic guide.
