Dear Jane:

of December 4
Your message has just reached my desk, and I want you to know that I'm ~~proud and~~ grateful for your friendship and support. ~~I'm proud and more than a little grateful to have you on my side. Your friendship and support make it all worthwhile.~~

~~I agree wholeheartedly that there is an urgent need for full disclosure of all facts surrounding the Iranian arms controversy. With the appointment of an Independent Counsel and with the efforts of the Senate and House Select Committees and the Special Review Board I established, all the facts will come before the American people at the earliest possible time. We must get on with the business at hand and put this issue behind us.~~

Thank you for thinking of me, and for your prayers.
May God bless you and yours during 1987.

Dear Mr. President,

The last two years of your presidency can be your greatest. The difficulties of this moment, grave though they are, can pass as suddenly as they came; but that requires decisive command. Only you can provide this leadership.

This problem did not have to occur. To badly paraphrase the line Shakespeare gave to Marc Antony, the fault was not in your stars but in your underlings. I only wish I had had a proper channel to alert you to this potential tragedy.

But that is past. Our concern is the future -- yours and our nation's. To regain control of that future, you must be assured of both greater competence and greater loyalty from your key advisors. That thorough housecleaning is something to which only you can attend.

For my small part, like most of our fellow citizens, I offer my deepest respect for your continuing leadership, with the hopeful prayer that, through your strong and swift action, we will get on with building the American future.

Dear Mr. President:

On behalf of the N.R.H.G. Council and its membership, I would like to express again our continued support for you and your foreign and domestic policies.

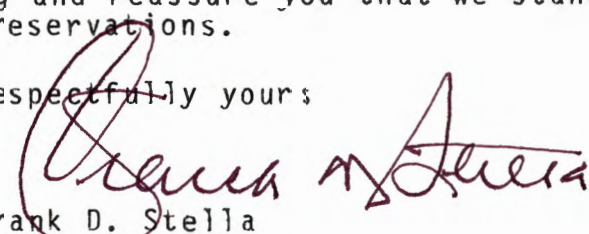

Recent developments have caused some disturbances and weakened the commitment of some political leaders. The Iranian incident and the subsequent revelations about the unauthorized diversion of funds for the Freedom Fighters in Nicaragua has given the leftist-oriented media and the liberal establishment the much wanted opportunity to maximize their negativism and ability to influence through sensationalism, not facts. Their methods and intentions are not new to the well-informed and knowledgeable public. It is unfortunate that even some of the Republicans who owe their own election to you, Mr. President, are wavering under the pressure of the sensationalist media practices.

We believe that your decision to explore channels of communication with the Iranians is a reasonable one. Your efforts to use such a channel for the release of the hostages is justifiable, well intentioned and noble. Your actions have been intended for the protection and security of American citizens and our country. We admire you and support you for that.

When all the facts are in and the media exploitation subsides, you will be remembered and appreciated for your noble efforts and wise decisions.

I would like to reaffirm our support and admiration for everything you are doing and reassure you that we stand behind you without any reservations.

Respectfully yours

Frank D. Stella

Dear Mr. President:

On behalf of the U.S. Hispanic Chamber of Commerce, the more than 450,000 Hispanic businesses it represents, as well as my own, I wish to express our unyielding support and solidarity to you and your administration during this most difficult juncture in your tenure as President of the United States.

It is precisely at moments such as these that your leadership and good judgement is mostly needed in order to regain the confidence of the people.

In this regard, may I suggest that you act in a decisive manner so as to demonstrate to everyone, particularly to the new Democrat-controlled Congress, that you are completely in control of the situation and have taken the initiative of enforcing strong measures to prevent this from ever happening again. You can rest assured, Mr. President, that if you don't do something about this rather soon, the Democrats, and even perhaps some overly ambitious Republicans, will, thus taking the lead and the momentum away from you.

Once again, Mr. President, I urge you to act quickly and swiftly, knowing fully well that the entire Hispanic Business Community is behind you.

Sincerely,

Hector Barreto

COMMITTEE INFORMATION

New York, December 5th, 1986

Honorable Ronald Reagan
President
United States of America
The White House
1600 Pennsylvania Avenue
Washington, D.C. 200500

Dear Mr. President;

The day that you was in TV, given us an explanation of the so called CONTRA GATE, I called you and gave you my support of what you had done in IRAN affair.

Today I am more convince that you ACT was proper and you acti-
tud to give the same assurance to the people that if you have
to do againg you will do.

mr. President you still have my support and of my entire family
composed of more than 15 people.

I want to let you know that I sent letters of support for your
action to the DAILY NEWS AND THE NEW YORK TIME. They do't
printed my letter baccuse was not in their favor that is to
destroy another President.

In my letter I stated that; PRESIDENT KENNEDY GAVE MILLIONS OF
DOLLAR TO FIDEL CASTRO, IN ORDER TO GOT THE REALIS OF TH CUBAN
FIASCO "BAY OF PIG"..... AND NOBODY, NO NEWSPAPER DID OR SAID
ANY THING.

Another case that to be consider is when President NAPOLEON
DUARTE OF EL SALVADOR, make the dirty change of her daughter
for so many prisioner (NO CAPTIVES) they were silent.

I don't understand this country to much DEMOCRACY, can you or may
be the press could tell us what CASTRO, ORTEGA, GOBACH AND THE
GOVERMENT OF POLONIA OR PINOCHET O ANY OTHER COMUNIST COUNTRY
make secret arts in favor of whatever they want?

Tell, please, to our First Lady Nancy, that her position is the
most dignified act to do. CONGRATULATION.

And my last word is GO AHEAD and keep us to be proud of our
President. The family and the captives will appreciated what
you have being doing.

Sincerely,

Carmen Pertierra
