Dear Mr. Prime Minister:

I am grateful for your letter of September 18th  
advising me of the measures your government has  
taken in the wake of the destruction of the  
Korean Airlines airplane by the Soviet Union.  
It is heartening to know that Thailand joins  
with us and other concerned and aggrieved  
nations in condemning this repulsive act.  
Families in both our countries lost loved ones  
in this senseless attack. I am glad to know  
that we in the United States have Thailand's  
support in acting to prevent any recurrence.

Sincerely,

Ronald Reagan

MEMORANDUM FOR BOB KIMMITT

FROM: DICK CHILDRESS *(Signature)*

SUBJECT: Signing of the US-Thai S&T Agreement During the Thai Prime Minister's Visit

At Tab II is a memorandum from State recommending the signing of the S&T Agreement with Thailand while Prime Minister Prem is at the White House for an Official Working Visit, 13 April.

The Thai very much need the visible concrete manifestation of the relationship and given ASEAN sensitivities toward the PRC, the signing will demonstrate balance (in that we did it with the Chinese) before the President's travel.

The signing would probably take place between Secretary Shultz and Foreign Minister Sitthi with the President and PM Prem looking on.

What we need now is simply a verbal OK from Mike Deaver so we can do the necessary planning. Would visualize it taking place between Cabinet Room meeting and lunch, but their call.

Gaston *(Signature)* Sigur concurs.

WHITE HOUSE  
SITUATION ROOM  
MEMORANDUM FOR MR. ROBERT C. MCFARLANE  
THE WHITE HOUSE

SUBJECT: White House Signing of U.S. - Thailand Science and Technology Agreement during Thai Prime Minister's Visit

The Thai government has proposed that the signing of the U.S. - Thailand Science and Technology Agreement, the negotiations for which were concluded successfully in Bangkok on March 9, take place at the White House during Prime Minister Prem's call on President Reagan on April 13. We support this proposal.

The Science and Technology Agreement had originally been envisaged to figure prominently in the President's visit to Bangkok scheduled last fall. Such a signing ceremony would have symbolized the continuation of close relations, and the strengthening of those ties in new directions. We know that the Prime Minister attaches considerable importance to incorporating this signing ceremony in his call at the White House and we believe it would be an appropriate event for the official working visit of so good a friend as Prime Minister Prem. It would also match the precedent established by the recent signing at the White House of the extension of the U.S.-China Science and Technology Agreement.

We recommend that this event be included in the Prime Minister's visit to the White House. We will address the questions of appropriate signing level, and timing of the event later, but we would like your concurrence now in principle to the Thai proposal.

Dear Dr. Walter:

The President asked me to thank you for your good letter to him of April 11. He appreciates your concern and cares deeply himself about the tragic plight of these refugees.

I would like to sit down and discuss these matters with you in more detail. Please feel free to call on me at (202)456-6510.

Dear Mr. President:

The Lutheran Immigration and Refugee Service is a cooperative agency of five Lutheran church bodies. LIRS and the 18,000 congregations it works with have been committed to alleviating the plight of refugees since World War II. With the help of Lutheran congregations over many years, LIRS has resettled more than 80,000 refugees.

Since 1975, Indochinese have been fleeing violence and repression in their home countries. Lutheran congregations have assisted in the resettlement of many of these Vietnamese, Cambodian and Lao refugees. Tragically, the Indochinese refugee exodus has not ceased to this day. Thailand is one nation which continues to offer them temporary first asylum.

It is our hope that you will commend Prime Minister Prem of Thailand for his government's generosity toward the Indochinese refugees when you meet with him on April 13, and that you will assure him of U.S. interest and commitment to their continued resettlement.

We also ask you to address a related issue of tragic proportions. We are deeply dismayed that pirate attacks continue to take place in the Gulf of Thailand. Over 50% of refugee boats which landed in Thailand in 1983 had been attacked by pirates at least once. As you know, Congress has appropriated \$5 million in anti-piracy funds for FY 84. We ask you now to expedite the allocation of those funds to address the piracy problem quickly and effectively and to share with Prime Minister Prem our great concern about this chronic phenomenon and our resolve to bring piracy under control.

Thank you for your attention to this matter of profound humanitarian concern.

Sincerely,
