

# **Counsel to the President, Office of: Records, 1981-1989**

## **Finding Aid Type**

White House Staff and Office File Collections

## **Disclaimer**

Folders noted as “Open” may still contain closed material due to Freedom of Information Act restrictions. Most frequent withdrawn material is national security classified material, personal privacy, protection of the President, etc. Folders noted as closed are subject to Freedom of Information Act (FOIA) requests under the provisions of the Presidential Records Act (PRA).

If you are interested in submitting a FOIA request for access to any of the unavailable records or have any questions about these collections or series, please contact our archival staff.

## **Copyright**

Documents in this collection were prepared by federal employees and appointees of the United States government as part of their official duties. This material is in the public domain. Researchers are advised to consult United States copyright laws (Title 17, USC) governing reproductions of copyrighted material.

## **Record Type**

Textual

## **Scope and Content Note**

This collection has been arranged into eight series: SERIES I: Nominations; SERIES II: Financial Disclosures and Personal Data Statements; SERIES III: War Powers Act; SERIES IV: Subject File; SERIES V: Litigation; SERIES VI: Presidential Personnel Office Chronological Files; and SERIES VII: Attorney Resumes; and SERIES VIII: Staff Resumes.

Series I consists of three subseries: SUBSERIES A: William J. Casey – Director, Central Intelligence Agency; SUBSERIE B: Ernest W. Lefever, Assistant Secretary of State; and SUBSERIES C: Edwin Meese – Attorney General.

The White House Counsel to the President Office records included three additional filing systems for very specific information: appointees, investigations and judicial selections. The Library treats these as “sub-collections” of the Office and they have separate inventories: [Counsel: Appointee Files](#); [Counsel: Investigations Files](#); and [Counsel: Judicial Selection Files](#)
