MEMORANDUM FOR: JAMES A. BAKER III ,  
FROM: JOHN F. W. ROGERS  
SPECIAL ASSISTANT TO THE PRESIDENT  
FOR ADMINISTRATION  
SUBJECT: WHITE HOUSE PASS SYSTEM

In response to your request, I have rewritten Jerry Parr's memo on the deterioration of the White House pass system.

The attached memo is for your signature. The only change from the existing policy pertains to an exception granted to Assistants to the President, giving them the option of wearing their passes at all times.

You can change this if you do not agree with Parr's recommendation. The USSS will be able to identify these people from spread sheets located at each post.

Please let me know your decision.

Thank you.

MEMORANDUM FOR: THE WHITE HOUSE STAFF  
FROM: JAMES A. BAKER III  
SUBJECT: WHITE HOUSE PASS SYSTEM

It has come to my attention that certain White House Staff members sometimes neglect to follow the guidelines of the White House Pass System. Let me remind you of the procedures which should be followed by all staff members:

- All staff members shall display their White House or EOB passes at all times with the exception of Assistants to the President and others so designated because of function.
- All staff members clearing appointment(s) into the East/Wing complex shall meet the appointment(s) in the appropriate lobby area. Appointment(s) must be escorted at all times, including back to the lobby when leaving the complex. This includes administration officials from other departments and agencies.
- All staff members bringing guest(s) to the East or West Wings for a tour shall remain with the guest(s) at all times, including back to the lobby at the conclusion of the tour.
- Staff not permanently housed in the West Wing should enter only in the conduct of official business.

I have asked the Secret Service to report any violations to John Rogers, Special Assistant to the President for Administration.

SENIOR STAFF MEETING ACTION ITEMS (9/29/81)

<u>ITEMS</u>	<u>ACTION</u>
1. <u>Presidential Press Conference</u> : Now scheduled for Thursday 2:00 p.m. Cabinet Council on Natural Resources should be postponed to afternoon.	
2. <u>Cabinet Council on Natural Resources</u> : This should take up Alaska natural gas pipeline, natural gas deregulation and fuel penalties as a package. The waiver package on the Alaska natural gas pipeline needs to go forward soon.	Fuller/Anderson
3. <u>White House &amp; EOP Staff Cuts</u> : White House staff cuts approved; Darman to arrange agreement on EOP staff cuts, so that overall EOP cuts comparable to Departments and Agencies.	Darman
4. <u>Wirthlin Lunch</u> : This postponed to Friday.	Beal
5. <u>Testimony Calendar</u> : This will be circulated every Monday; Senior Staff suggested improvements welcome.	Darman
6. <u>Executive Order and Proclamation on Interdiction of Illegal Aliens</u> : This ready to go if no objection; there was no objection, Justice agrees.	Darman
7. <u>Voting Rights</u> : Need to collect Senior Staff and agency comments on this.	Fuller/Darman
8. <u>Social Security Task Force</u> : Need to finalize views on this and discuss with Majority Leader and Speaker (meeting scheduled for Thursday at 11:30). Agreed that should be mixed public/private commission in order to assure progress politically.	Darman
9. <u>Continuing Resolution and Debt Ceiling Bill</u> : Both of these stalled: If no continuing resolution by midnight 9/30, no funds to continue government; debt ceiling reverts to \$400 billion on 10/5 if no action. Expect action on debt ceiling today; unclear re continuing resolution. Need to develop legal advice on situation if either continuing resolution or debt ceiling bill doesn't pass (Harper/Fielding) and discuss at tomorrow's Senior Staff meeting. Also need to prepare Presidential message to Congress (discuss with Howard Baker) by tomorrow (Friedersdorf).	Harper/Fielding/ Friedersdorf

<u>ITEMS</u>	<u>ACTION</u>
10. <u>AFDC</u> : Two issues:	Harper
-- OMB should be moderate in apportioning outlays; don't want to use excessive leverage on Governors; but also don't want to mislead.	
-- Go ahead with interim rule-making (don't wait while going through formal rule-making) to implement work incentive provisions. These were never implemented under Carter Administration. Leave regulations flexible so that states and counties can live with interim rule-making.	
11. <u>Presidential Meeting with Non-Cabinet Agencies to impress on them need for budget cuts:</u> Get this on schedule.	Fuller
12. <u>Agency FY '83 Marks</u> : OMB will distribute these to agencies today. Can expect flurries of stories in media.	Harper
13. <u>President's Meeting with Congressional Republican Leadership Tomorrow at 9:00 a.m.:</u> Discuss continuing resolution and debt ceiling.	Friedersdorf
14. <u>Congressional Reception this Evening</u> : Need to consider whether President's remarks at this meeting should deal with debt ceiling and continuing resolution. Reception open to press.	Gergen/Friedersdorf
15. <u>Rosh Hashanah</u> : Message already out to Jewish groups.	Dole
16. <u>Crime Package</u> : This currently being reviewed as follow-up to International Association of Police Chiefs speech: expect legislative package this Fall. Kennedy claims need additional budget for this; Administration answer: Dollars tried before and didn't work.	Meese/Anderson

MEMORANDUM FOR DAVID GERGEN

FROM: DANA ROHRBACHER DR

SUBJECT: Presidential Press Conference

I suggest that the best time for a Presidential Press Conference is Thursday, October 1, the day our economic program goes into effect. The President can detail what has been accomplished and confidently state that, given time to work, it will turn the economy around.

A press conference on this day will disassociate the Administration from any current negative economic news (stock market declines, high interest rates, etc.) and focus the reporters attention on our optimism about the future. Any negative questions can be answered by pointing out that for Ronald Reagan, October 1 is the first day of his Administration. This approach, however, will not prevent us from taking credit for the positive things that have been accomplished.

MEMORANDUM TO JAMES A. BAKER III

FROM:

RICHARD S. WILLIAMSON *Rich*

SUBJECT:

OMB PARTICIPATION AT THE NGA EXECUTIVE AND  
STANDING COMMITTEE CHAIRMEN MEETING  
SCHEDULED FOR THURSDAY, SEPTEMBER 24, 1981

Secretary Regan and Murray Weidenbaum have agreed to meet with the 18 Governors who will be meeting with the President at 3:00 p.m. on Thursday. Both have agreed to meet for approximately one-half hour prior to the President joining the meeting and remain through the President's comments and Q&As.

I have been informed by OMB that Dave Stockman will be unable to attend because he will be testifying before the Senate Budget Committee beginning at 2:00 p.m. I have also been informed that Ed Harper will be unable to attend either the briefing before the President's arrival or the portion of the meeting in which the President will participate.

|| I believe it is important that either Dave Stockman or Ed Harper be present during this meeting, at the very least during the portion attended by the President. There are likely to be some questions concerning budget details that we would prefer they field.

MEMORANDUM FOR:

Jim Baker  
Mike Deaver  
Pen James  
Ed Meese

FROM:

Lyn Nofziger 

Our good friend, Joe Rodgers, was under the very strong impression that the President promised to put him on one of his intelligence boards - - probably PFIAB. Nothing has ever happened, and now we are going to announce PFIAB one of these days, and he still has no appointment.

As you may remember, Mr. Rodgers rescued us in 1976, and was the Republican Party Finance Chairman in 1980, a job he took to insure that the Reagan campaign in the general election was properly financed. He is one of the President's strongest supporters, and a long time supporter, and I do hope we will not disappoint him.

SENIOR STAFF MEETING ACTION ITEMS (9/15/81)

<u>ITEMS</u>	<u>ACTION</u>
1. <u>Guidance on Domestic Program Cuts</u> : No plans at this time to develop new Social Security initiative. Future budget cuts will assure continuance of vital services generally and assistance to truly needy; there still are non-needy receiving benefits from a number of entitlement programs.	Gergen
2. <u>Newspaper Article on Baldrige</u> : Baldrige remains committed to FY 82 deficit of \$42.5 billion; there is no disagreement; Baldrige did not say we had "lost the battle"; the only thing he was questioning was whether we would achieve all of the cuts on the Hill.	Gergen
3. <u>Farm Supports</u> : Administration agreed to compromise on peanuts and sugar, but this will not necessarily increase Agriculture budget by \$4 billion. This depends on how the compromise is administered. Need to resolve this issue by noon today.	Harper/Darman
<u>AWACS</u> : Need to get people out supporting the Administration on this issue. Senior Staff will be briefed tomorrow (with one-pager of pertinent points to be circulated at staff meeting).	Allen/Gergen
5. <u>Speeches</u> : Florida and Ford speeches in circulation; both in good shape.	Gergen
6. <u>Voting Rights</u> : AG will be meeting with Meese/Baker and others this afternoon (3:00 p.m.); AG will be bringing his paper with him. While not finally decided, probably will not make an announcement on this before Solidarity Day; we have until 10/1 on the Voting Rights Act.	
7. <u>Solidarity Day Guidance</u> : Solidarity Day may be losing support (attendance down from 250,000 to 100,000). Administration does not want to play this up.	
8. <u>NYC proposal to pay for personnel at BLS</u> : Administration negative on this notwithstanding BLS stamp of approval.	Harper
