

SENIOR STAFF MEETING ACTION ITEMS (1-17-83)

ITEMS	ACTION
1. <u>Today's Schedule:</u> Meeting with Brock will not be a photo op.	
2. <u>Tomorrow's Schedule:</u> Meeting with Nakasone will be tomorrow's photo op.	Speakes
3. <u>Cabinet:</u> The full Cabinet will meet tomorrow for a briefing on the budget and the social security compromise.	Fuller
4. <u>Economic Figures:</u> Housing starts, durable goods, and 4th quarter GNP will all be out this week.	Feldstein
5. <u>Social Security:</u> Guidance is that we are pleased with the Commission's efforts and the bipartisan support for its recommended solution. It is considered important to stress the entire package, not particular portions of it. In this regard, it may be mentioned that both the COLA adjustment and the tax acceleration will bring an equal amount of revenue into the trust fund (\$40B each). This agreement also makes possible significant gains in other parts of the budget. It will be introduced in the Congress by a bipartisan group, and Greenspan will be the first witness before the Ways and Means Committee; a similar bipartisan coalition of outside support should also be formed. A fact sheet, talking points, and Tip O'Neill's statement will be circulated to WH senior staff.	Gergen Duberstein Darman Cavaney
6. <u>DOD Document Leak:</u> This is largely a rehash of a leak which occurred months ago, though it is now out in more detail. NSC will work with DOD to formulate new guidance.	Clark
7. <u>Tuition Tax Credits:</u> This proposal will be resubmitted to the Congress. Substantive work has been completed, with the new version largely based on the bill passed last year by the Senate Finance Committee. Ed Meese mentioned his concurrence with suggestions from OPL on how the issue might be handled.	Harper Dole
8. <u>Harold Brown:</u> A waiver has been prepared in connection with his service on the MX panel, though some legal questions remain. Such questions will be discussed later today between Fielding, Baker, and Clark.	Fielding

SENIOR STAFF MEETING ACTION ITEMS (1-18-83)

ITEMS	ACTION
1. <u>Today's Schedule</u> : Photo ops will be held during Nakasone meeting and departure statements.	Speakes
2. <u>Cabinet Meeting</u> : This will discuss personnel matters, budgetary questions, and social security. Guidance is that the meeting is an opportunity for the President to hear from his Cabinet before making his final decisions on the budget. Fuller will be designated to handle press inquiries.	Fuller
3. <u>Tomorrow's Schedule</u> : President will travel to Chicago tomorrow.	
4. <u>Senior Staff Meeting</u> : The meeting scheduled for this Thursday will begin at 9:00 a.m. instead of 8:00 a.m.	
5. <u>Economic Figures</u> : Revised GNP figures will be available tomorrow, and CPI will be out on Friday.	Feldstein
6. <u>COLAs</u> : Guidance is that we should deal with stories on this in the same way as other budget stories, i.e., no comment until final decisions are announced.	Gergen
7. <u>Nitze</u> : Regarding stories that Nitze has asked to be given more flexibility in the Geneva talks, guidance remains the same. It was noted that both Nitze and Rowny will be in to see the President within the next 10 days.	Allin
8. <u>Federal Grants</u> : It was mentioned that new regulations designed to depoliticize the grant process will be published for comment in the <u>Federal Register</u> .	Harper
9. <u>School Prayer</u> : Any comments concerning a recent federal court decision in Alabama should be handled by DOJ.	Gergen
10. <u>Two-Year Report on the Reagan Presidency</u> : This report, drafted by Baroody, is going to the printer and will be available to the press on Thursday.	Gergen
11. <u>Executive Forum</u> : This event, for Administration appointees, is scheduled for Thursday, January 20.	
12. <u>Business Groups</u> : NAM, ABC, and NFIB plan to hold a joint press conference to encourage further spending cuts. This is designed to preempt the Peterson group, which advocates tax increases. The President will probably not meet with the Peterson group, though a briefing for them and others may be scheduled after the President's budget is submitted.	Cavaney Harper
13. <u>Social Security</u> : Meeting was held yesterday with various business leaders at which they agreed to withhold any criticism for now.	Cavaney
14. <u>Viguerie</u> : Regarding story that, unless changes are made, Viguerie and Phillips may encourage a challenge to the President's reelection, guidance is no comment. If pushed, however, it can be noted that Viguerie did not support Reagan in 1976 or 1980.	Gergen

SENIOR STAFF MEETING ACTION ITEMS (1-19-83)

ITEMS	ACTION
1. <u>Today's Schedule:</u> Departure statement by Nakasone will be significant and will be covered by the press. Also, the President may make a statement prior to his departure for Chicago.	Gergen Speakes
2. <u>Tomorrow's Schedule:</u> International Youth Exchange Event will receive pool coverage tomorrow. The Executive Forum will have full press coverage.	Speakes
3. <u>GNP:</u> Figures for December were down at a -2.5% annualized rate. The earlier "flash" figures had been -2.2%. Final figures for the year 1982 will be provided to senior staff today.	Feldstein
4. <u>Indians:</u> Regarding remarks by Secretary Watt, he has made clear that he did not call for the abolition of Indian reservations; this was a misunderstanding caused by the way in which Viguerie's firm characterized the interview. Watt was instead urging correction of abuses that have gone on for many years. Decision was made to promptly release the Indian policy statement which has been circulated previously, and which is very positive in tone.	Darman Fuller Harper
5. <u>Chicago Trip:</u> Speakes will obtain a copy of the Urban League's statement which is critical of the Administration's treatment of blacks. A rebuttal will be prepared based on information supplied by Baroody, which can be used by the President if questioned about the report while in Chicago.	Speakes
6. <u>Peterson Group:</u> Problem has been caused by the media's insistence on portraying this group's efforts as anti-Administration. It was mentioned that the group's proposals are nothing new, and that they were featured in the press last year.	Harper
7. <u>Two-Year Anniversary:</u> A presentation regarding our accomplishments after two years will be held tomorrow. Some briefings will also be held. Clark and Gergen will discuss national security aspects of presentation.	Gergen
8. <u>State of the Union:</u> It was noted that foreign policy sections of the speech will be beefed up in the latest draft.	Gergen
9. <u>Arms Control:</u> It was mentioned that a meeting will be held at 9 a.m. at the State Department to discuss the public affairs handling of arms reduction issues. The WH should be represented at the meeting.	Gergen

SENIOR STAFF MEETING ACTION ITEMS (1-21-83)

ITEMS	ACTION
1. <u>Today's Schedule</u> : A photo op will be held during the meeting with Nitze and Rowny; the two will then hold a briefing, followed by release of a presidential statement.	Speakes
2. <u>Arms Control</u> : It is important to refrain from loose talk about arms control; this can raise expectations to unrealistic levels, lending support to those who seek agreement at any cost.	
3. <u>CCEA</u> : Meeting with the President at 11:00 today will discuss educational savings incentives.	Fuller
4. <u>Radio Talk</u> : The President will speak on "family values"; the talk will be broad-based, and will mention tuition tax credits, school prayer, and right-to-life. The draft will go to the President at noon today.	Gergen
Jim Baker also mentioned the need to strengthen the talking points for today's meeting with pro-life groups (urging unity behind one approach, etc.).	
5. <u>Monday's Schedule</u> : Meeting with the Economic Policy Advisory Board will be considered for a photo op.	Speakes
6. <u>CPI</u> : This was down - 0.3% in December. For the year 1982, the CPI was up only 3.9%, the lowest increase since 1972.	
7. <u>Fair Housing</u> : Language regarding this has been suggested by the AG for inclusion in the State of the Union. It is important that the President be out in front on this issue. The intention is to propose legislation, which will be formulated by OPD on a "fast track" basis.	Gergen Harper Fuller
8. <u>Designated Briefers</u> : It was suggested that briefers be designated for particular issues every day in senior staff.	Gergen

SUGGESTED TALKING POINTS FOR JANUARY 21  
MEETING WITH PRO-LIFE LEADERS

- I am honored to welcome pro-life leaders to Washington on the occasion of the 10th Anniversary of the Roe vs. Wade decision. Your March for Life here each year keeps national attention focussed on the need for a solution to the tragic abortion problem.
- Last year I urged you to close ranks behind a unified strategy to get protective human life action through the Congress. You did unite behind Senator Helms' amendment to the debt limit bill last fall. But after a long fight, our unified effort was tabled in the Senate by a one-vote margin.
- This year the pro-life cause is in greater danger than ever before. The Democratic leadership in the House has just forced through a change in the House rules to prohibit the kind of appropriation bill rider which our friend Henry Hyde has used so successfully to prohibit Federal funding of abortions. I was pleased that every Republican House Member opposed this rules change. Unless we quickly unite on a strategy to prevent it, this House rules change could result in massive Federal funding of abortions.

I want to assure you that I continue to support any reasonable and effective pro-life measure. Specifically, I support the well-known measures proposed by Senator Hatch, Senator Helms, and Representative Hyde. I think it is vital now, however, that our first step be to get into statute law, the prohibition

*But you people have been fighting among yourselves.*

*could*  
*But it is vital that you get together behind one measure*  
*whether you agree*

*with all its aspects or not.*

on Federal funding of abortions which has previously been passed as Hyde amendments to appropriations bills. If you agree that this is a proper course of action, I will support your efforts to work with the pro-life Congressional leaders to achieve this objective.

-- My current view is that our chance of victory is increased by keeping such a bill as simple as possible. If passed, an abortion funding prohibition can lead to victories on other valid, major concerns such as fetal experimentation, infanticide and sex-selection abortions. We must not lose sight of our goal of reversing the devastating effect of the Roe vs. Wade decision, but we need the momentum of clear-cut pro-life victories now.

-- As a general rule, I think we should from now on try to plan all our pro-life battles in the Congress long enough in advance for us in the Administration to do a better job working the Hill, and for your organizations to generate a maximum effort from your grassroots activists back home.

SENIOR STAFF MEETING ACTION ITEMS (1-24-83)

ITEMS	ACTION
1. <u>Today's Schedule:</u> A photo op (stills only) will be held during the President's State of the Union preparation around 2:30.	Speakes
2. <u>Economic Policy Advisory Board:</u> This is a normal quarterly meeting. A suggestion was made that names of the Board members not be released today. A decision will be made after the meeting re how to handle press aspects.	Harper Gergen
3. <u>Tomorrow's Schedule:</u> Congressional time will be used to brief the Republican leadership on the State of the Union speech.	Duberstein
4. <u>Cabinet Activity:</u> As of now, no Cabinet meetings have been scheduled with the President this week.	Fuller
5. <u>State of the Union:</u> The President is still working on the latest draft; after his review, another meeting will be held to discuss it. An integrated fact sheet on the contents of the speech will be prepared.	Gergen
6. <u>Economic Figures:</u> The Index of Leading Indicators will be released on Friday.	Feldstein
7. <u>Budget:</u> Regarding Howard Baker's comments on new taxes, guidance is that we expect the leadership will support the vast majority of proposals the President sends up, but we have never expected that they would accept every feature.	Speakes
8. <u>Lebanon:</u> Re stories of Marine confrontations, guidance is the same as last week. A statement proposed by Secretary Weinberger will be reviewed today.	Clark Allin
9. <u>Defense Supplemental:</u> Wilson story on this is only partially accurate. Plan was to state it as an "allowance" for FY '83. Now, though, the entire issue may be put on hold. Response to questions should be coordinated with NSC.	Speakes Allin
10. <u>Enterprise Zones:</u> Package should be ready for submission to the Hill later this week.	Harper

ITEMS	ACTION
<p>1. <u>State of the Union</u>: Congressional meeting today will be a photo op; Duberstein will decide after the meeting who will talk to the press. Howard Baker and Bob Michel will come in early and visit privately with JAB.</p>	Duberstein
<p>Network news anchors will be briefed at lunch today. A background briefing for the WH press corps will be held later today, and an embargoed fact sheet will be distributed. At 6 p.m., embargoed copies of the speech itself will be distributed.</p>	Gergen
<p>We will brief Administration spokesmen at 6 p.m., and at 6:30 individual supporters from the private sector will be briefed. Administration officials are scheduled for the talk shows tomorrow, and actualities featuring Cabinet members are being distributed. Efforts will also be made to forward speech materials to individuals who will be interviewed by the TV networks tonight.</p>	Gergen Cavaney
<p>2. <u>Tomorrow's Schedule</u>: There will be full press coverage of the Boston trip, and a photo op during the meeting with Genscher.</p>	Speakes
<p>3. <u>Polls</u>: Two major polls show the President with a 42% job approval rating. Guidance is that this is natural in a period of high unemployment; it also shows that despite 10.8% unemployment, the President is maintaining a solid base of support; also, the President's personal popularity remains high.</p>	Speakes
<p>4. <u>Busing Decision</u>: Guidance is that the Supreme Court has simply followed its pattern of not taking busing cases; we will continue to express our views in such cases as they arise. Fielding will look into a recent study which reportedly analyzed "resegregation" of schools, white flight, etc., since it may be helpful to our arguments.</p>	Fielding
<p>5. <u>U.S.-Israeli Relations</u>: There has been no change in guidance concerning aid to Israel.</p>	Allin
<p>6. <u>OPEC</u>: Regarding reports on recent meeting, no comment is necessary.</p>	Speakes

<p>8. <u>Boston Trip</u>: A question was raised as to whether CETA funds are involved in a job training center which the President may visit. It was also noted that Governor Dukakis is seeking to take the President to other sites during the trip.</p>	Fuller Williamson
<p>9. <u>FCC Decision on Syndication Rights</u>: DeMuth has suggested a letter of support on this proposed policy change be sent to Mark Fowler. WH views are split on whether this should be done. Decision is to put a hold on the letter and to discuss the issue in CCCT.</p>	Fuller Wright

SENIOR STAFF MEETING ACTION ITEMS (1-26-83)

ITEMS	ACTION
<p>1. <u>Today's Schedule</u>: A photo op will be held during Genscher meeting. Regarding the Boston trip, a fact sheet has been prepared on the funding status of projects the President will visit. Also, it was noted that CCCT will discuss the FCC syndication rights issue at its 8:45 meeting today.</p>	<p>Speakes Fuller</p>
<p>2. <u>Tomorrow's Schedule</u>: Photo ops will be held tomorrow during Oval Office meeting with Mubarak and on departure. Congressional meetings will be with sponsors of tuition tax credits and enterprise zones legislation.</p>	<p>Speakes Duberstein</p>
<p>3. <u>State of the Union</u>: As of 11 p.m. last night, phone calls and telegrams on the speech were heavily favorable; more comments will be available today. It seems clear that the speech has improved the President's political position. We should concentrate today on setting the proper tone, avoiding any overt partisanship. OMB will shortly circulate talking points on the spending freeze.</p>	<p>Gergen Harper</p>
<p>Regarding the Democratic proposals offered last night, we should avoid any strong counterattack. Most of their alternatives can be easily dismissed or ignored. For example, the Bradley-Gephardt bill (which involves taxing unemployment benefits), has little chance of serious consideration. OPD will analyze the Democratic proposals for total cost and impact on the deficit in case we decide to respond on this general point alone.</p>	
<p>4. <u>Congressional Activity</u>: Regan will be testifying before the Joint Economic Committee. Also, Weinberger will be testifying on the Hill re defense spending, and Stockman will be testifying on the Social Security recommendations. Hearings will begin today on Elizabeth Dole's nomination, and confirmation is expected next week.</p>	<p>Duberstein</p>
<p>5. <u>Mayors and Governors</u>: Both groups will be meeting in Washington this week. Regarding the former, EPA will be asked to announce its plans on clean air sanctions after this week.</p>	<p>Williamson Fuller</p>
<p>6. <u>Budget</u>: Various sections of the budget, which have been circulated for comment, are being finalized for printing today. Senior staff were urged to carefully review those sections as soon as possible today. Also, it was agreed that DOD and HHS can provide an advance press briefing on their budgets on Sunday afternoon due to the complex impact of the proposals on their departments; all materials will be embargoed.</p>	<p>Wright Darman Gergen</p>
<p>7. <u>Nancy Hanks Center</u>: Proposed legislation was circulated for comment on a quick turnaround basis. Consensus seems to support submission of the bill.</p>	<p>Darman</p>

ITEMS	ACTION

5. <u>Economic Figures</u> : The Leading Indicators were up 1.5% in December, the 8th increase in the last 9 months. This figure, combined with lower unemployment claims and news that GM is recalling large numbers of laid-off workers, represents good overall economic news.	Gergen Speakes Feldstein

Page 2 of 2

ITEMS	ACTION
11. <u>Health Care Initiatives</u> : Regarding news story on the taxing of health benefits, it should be made clear that this is limited to benefits over a certain amount. It should also be stressed that changes in medicare benefits are balanced by the provision of catastrophic coverage.	Gergen Harper
12. <u>Adelman Nomination</u> : It should be stressed that Adelman is the right man for the job, and attempts to turn his nomination hearings into a forum for criticism of our arms control policy can be disruptive to the Geneva talks and could adversely affect public opinion in Europe. Pam Turner will continue to coordinate preparations for the Thursday hearing.	Dubenstein Clark
13. <u>Margaret Heckler</u> : Hearings on her nomination will begin after the congressional recess. It was noted that HHS will, for a short period, be headed by an acting secretary.	Dubenstein Fuller
