

SENIOR STAFF MEETING ACTION ITEMS (4/18/83)

| ITEM  | ACTION                |
|---|-----------------------|
| 1. <u>Beirut Embassy Bombing</u> : Though we know some employees were killed, we have no word yet on how many Americans were among the dead and injured. The ambassador was not hurt; Habib and Draper were not in the embassy at the time of the explosion.  | Speakes               |
| 2. <u>Today's Schedule</u> : Crime Victims event and Peace Corps awards are today's photo ops.  | Speakes               |
| 3. <u>Tomorrow's Schedule</u> : Bipartisan congressional leaders will be briefed on the MX at 9:15, followed by an announcement in the East Room at 10:00 with full press coverage. Also, it was noted that Republican members of the Ways and Means Committee will be here re their opposition to repeal of indexing and the 3rd year of the tax cut.                              | Duberstein<br>Speakes |
| 4. <u>Congressional Activity</u> : The Senate has a tentative executive session on Nicaragua today. The first cloture vote on withholding will occur tomorrow, though debate on this will stretch through much of the week; the importance of making requested calls was stressed. In the House, mortgage bailout legislation and the nuclear freeze resolution will be considered. | Duberstein            |
| 5. <u>Cabinet</u> : Meeting today at 2:00 will review the budget situation; meeting Thursday will discuss the Private Sector Survey, paperwork reduction, and perhaps immigration.  | Fuller                |
| 6. <u>Private Sector Survey</u> : A press briefing will be held at noon today to release another series of preliminary reports.   | Fuller                |
| 7. <u>FmHA Loans</u> : Last Friday, USDA announced a large transfer of funds to cover the shortfall; it appears that Rep. Whitten and others will go along with this.   | Wright                |
| 8. <u>Volcker</u> : Re <u>Washington Times</u> story, guidance is that the President has not yet made a decision, and we will have nothing to say until he does. Re Volcker's statements on the dollar, guidance is that we are prepared to intervene to prevent disorderly markets. Re the Federal Reserve, guidance is that the President feels their policies are appropriate.   | Speakes               |
| 9. <u>Economic Figures</u> : Housing starts will be out this afternoon.   | Feldstein             |
| 10. <u>Central America</u> : Guidance re Rep. Clarence Long's statements is that we have a number of ideas from the committee, we are considering the situation, and will consult further with Congress before a final decision is made.  | Clark<br>Duberstein   |
| 11. <u>Marketing Orders</u> : This policy is now under review, and a decision should be made as soon as possible.   | Fuller                |
| 12. <u>Economic Policy Advisory Board</u> : Will meet Wednesday, April 20; Paul Volcker will attend.  | Harper                |

SENIOR STAFF MEETING ACTION ITEMS (4-19-83)

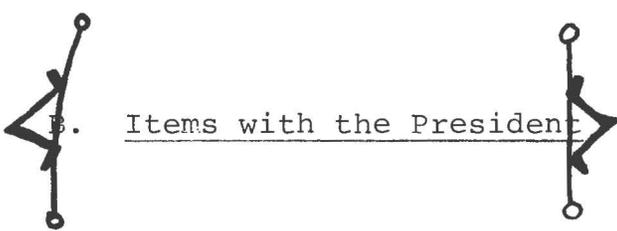

| ITEMS   | ACTION            |
|---|-------------------|
| 1. <u>Today's Schedule:</u> A photo op will be held during meeting with the bipartisan leadership; Perle will brief the press on MX after the photo op. The 10:00 a.m. announcement will receive full press coverage.   | Gergen<br>Speakes |
| 2. <u>Tomorrow's Schedule:</u> The Social Security signing will be covered by the press. Also, it was noted that, as of now, the radio address will not be held.  | Speakes           |
| 3. <u>Withholding:</u> The first cloture vote will be held at 3:30 today; at this point we do not have the necessary votes. Guidance is that today's debate is the first step in a long process on this issue.  | Duberstein        |
| 4. <u>Senate Budget Committee:</u> The Committee will convene at 10:00 today to consider a budget resolution proposed by Hatch.   | Duberstein        |
| 5. <u>Personal Income:</u> Figures out today are up 0.6% for March. This is a strong rise, but it will be difficult to analyze until the inflation figures are received for the same period.  | Feldstein         |
| 6. <u>Nuclear Freeze Resolution:</u> This will come up on the House floor tomorrow. Amendments will be offered which we support, but it is doubtful they will be approved.  | Duberstein        |
| 7. <u>Crime Package:</u> Hearings on this are planned within the next several weeks in the Senate Judiciary Committee. Also, it was noted that this legislation has been included on Senator Baker's priority list.   | Duberstein        |
| 8. <u>Volcker:</u> Further speculation on his status is quite harmful. Guidance is that there is no short list of candidates; there has been no meeting to discuss the subject; and press speculation is apparently stemming from staffers who will not be involved in this decision. | Speakes           |

SENIOR STAFF MEETING ACTION ITEMS (4-20-83)

| ITEMS  | ACTION                |
|--|-----------------------|
| 1. <u>Today's Schedule</u> : Social Security signing will be covered by the press. Also, wire photos will be taken during Louisiana disaster signing and postage stamp event.  | Speakes               |
| 2. <u>Tomorrow's Schedule</u> : Meeting with Gaston Thorn will be a photo op. It was also noted that there will not be a press conference on Thursday. (A speech is now planned for early next week.)  | Gergen<br>Speakes     |
| 3. <u>GNP</u> : Revised 1st Quarter figures indicate a 3.1% annual growth, down from the earlier "flash" figure of 4%.   | Feldstein             |
| 4. <u>Withholding</u> : Re possible compromise, guidance is that the President has not endorsed, nor embraced, nor said whether he would veto a delay in implementation of withholding. (The President has said he would veto an outright repeal.)       | Duberstein<br>Speakes |
| 5. <u>Senate Budget Committee</u> : We are still working with the committee, though there is nothing new to report. Guidance is that yesterday's meeting was for the senators to update us on their views.   | Duberstein<br>Speakes |
| 6. <u>Presidential Trip to Mexico</u> : Guidance is that we have no comment beyond the communique at this time.  | Speakes<br>Allin      |
| 7. <u>ACDA</u> : All WH staff were asked to give full cooperation to Ken Adelman's efforts to revitalize the agency.   |                       |
| 8. <u>Beirut</u> : It was noted that bodies of those Americans who died in the embassy bombing will be returning this week, and the President may consider meeting the plane. Also, the executive order has been signed placing U.S. flags at half-mast. | Clark                 |
| 9. <u>Immigration</u> : Simpson's bill passed the Senate Judiciary Committee yesterday. OMB will do an updated analysis of its budgetary impact.   | Wright                |
| 10. <u>Nicaragua</u> : NSC and State will work out a statement re the Libyan arms shipments discovered in Brazil, and which also mentions yesterday's defeat of aid requested for El Salvador.   | Clark<br>Allin        |
| 11. <u>MX</u> : A Legislative Strategy meeting on this will be held tomorrow.  | Darman                |
| 12. <u>DOT</u> : It was noted that yesterday's <u>Post</u> article totally misrepresented Secretary Dole's position on the subject of quotas.  |                       |
| 13. <u>Conference of Mayors and League of Cities</u> : It was noted that the media may seek to portray these groups as being critical of "budget cuts" in aid to cities; in fact, such aid has not been cut.   | Williamson            |
| 14. <u>Revenue Sharing</u> : Apparently Treasury sent a position statement on this to the Hill without first going through the OMB clearance process. Treasury will try to correct any incorrect impressions during today's mark-up.                     | Fuller<br>Williamson  |

15. Crime Rate: It was suggested that recent drop in the crime rate should be handled in a low-key way, recognizing that crime remains a major problem. Gergen
16. Generalized System of Preferences: It was noted that USTR has submitted GSP changes to OMB for normal clearance. Wright
17. Nuclear Freeze Resolution: The House will again take this up today; a final vote will probably occur by 2:00 tomorrow. An amendment will be offered by Congressman Jim Jones that we can accept in principle. Duberstein
