ITEM	ACTION
1. <u>Today's Schedule:</u> The President's remarks at the Puerto Rican briefing will be covered by the press.	Speakes
2. <u>Saturday Radio Speech:</u> The topic for this week's speech will be St. Patrick's Day.	Darman
3. <u>School Prayer:</u> There may be a tabling vote today on Sen. Dixon's silent prayer proposal. We will continue working with Senator Baker toward an up-or-down vote on the President's amendment. Also, it was noted that Legislative Affairs has forwarded to OPL a list of undecided senators.	Oglesby Whittlesey
4. <u>Central America:</u> Our aid request was helped by yesterday's successful vote in the Senate Appropriations Committee. Also, we are continuing discussions with Rep. Fascell in hopes of reaching an accomodation in the House.	Oglesby
5. <u>Legislative Calendar:</u> Prime Minister Fitzgerald of Ireland will be received today by the House and Senate.	
6. <u>Water Resources Bill:</u> The veto override attempt on this legislation has been postponed until next week.	Oglesby
7. <u>Balanced Budget Amendment:</u> This measure has now been moved out of the Senate Judiciary Committee.	Oglesby
8. <u>Target Price Freeze:</u> We are still hoping for a vote before next week on this legislation.	Oglesby
9. <u>Cheney State University:</u> This black college in Philadelphia received a commitment of federal funds last year. No money has yet been received, primarily because the school has failed to follow the appropriate procedure. Secretary Bell has the lead on this matter, and is consulting with Senator Specter. Inquiries should be referred to Craig Fuller or Joe Wright.	Fuller Wright
10. <u>Oil Company Mergers:</u> This legislation is now moving in the Senate. A Legislative Strategy meeting will be held to discuss how it should be handled.	Fuller
11. <u>Immigrant Education Program:</u> It was noted that Secretary Bell is under criticism from Rep. Jim Wright and others regarding this program. Problems stem from the fact that money has been appropriated for the program without passage of an authorization bill.	Wright
12. <u>Low Income Energy Assistance:</u> In answer to a question raised previously, it was noted that Maine, New Hampshire and Massachusetts would be in danger of running out of funds unless this supplemental is passed expeditiously. The bill, however, is now moving through Congress.	Wright
13. <u>Industrial Production:</u> Figures for February will be released today, and are expected to be very good.	Feldstein

7. <u>Leaks Involving National Security</u> : It was stressed that recent news stories on an exchange of correspondence between the President and Chernenko are harmful to such a dialogue, and make it much more difficult to achieve results.

SENIOR STAFF MEETING ACTION ITEMS

(03/26/84)

ITEM	ACTION
1. <u>Today's Schedule</u> : The Medal of Freedom luncheon will be covered by the press. Regarding the dropby with the Council of 100, it was noted that the President's limited time in the event will probably prevent answering questions, although the Dade County set-aside case is expected to come up in the course of the meeting.	Speakes Svahn
2. <u>CCNRE</u> : Today's meeting with the President will hear a briefing on national energy policy. This is not a decision meeting.	Fuller
3. <u>Legislative Calendar</u> : The House is expected to take up target price freeze legislation, and will then move to the NASA authorization bill. The Senate will take up PL 480 legislation; several amendments are expected, with a floor vote on our Central American aid request likely on Wednesday. We expect a conference report this week on the Defense Production Act, and the first official conference committee meeting on the Export Administration Act will also occur this week. In addition, it was noted that the House and the Senate will probably begin mark-up this week on foreign assistance authorization bills, which will include money for Central America.	Oglesby
4. <u>Salvadoran Elections</u> : It was mentioned that press coverage of the elections has been very negative, and has failed to point out the positive aspect of being able to conduct an election with over 70% participation in the midst of a war.	Speakes
5. <u>Social Security Disability</u> : It was noted that a proposal has been put together on this subject, and that Stockman has discussed it with Dole, Heinz, and Cohen. A separate piece of legislation on eligibility is expected to pass the House overwhelmingly tomorrow.	Svahn Oglesby

SENIOR STAFF MEETING ACTION ITEMS

(03/27/84)

ITEM	ACTION
1. <u>Today's Schedule</u> : The President's speech to the Insurance Agents will be covered by the press. Wire photos will be taken during the dropby with Hispanic Medal of Honor winners. Press coverage for the signing of H.J. Resolution 454 will be further discussed.	Speakes
2. <u>Attorney General</u> : Regarding inquiries about Attorney General Smith's departure date and a possible "caretaker" appointment, we should continue to have no comment and refer inquiries to Justice.	Speakes
3. <u>Deficit Reduction</u> : The House Democratic Caucus will meet today to discuss their deficit reduction proposals. In the Senate, Howard Baker will meet with committee chairmen regarding the Republican deficit reduction package.	Oglesby
4. <u>Women's Issues</u> : Legislation on pension equity and non-discrimination in insurance will be considered in committee this week.	Oglesby
5. <u>Central American Aid Request</u> : We expect that the Senate will vote on adding our request to the PL 480 supplemental by late Wednesday or Thursday. A conference committee is not expected before next week. Pickering and others will be going to the Hill to brief members of Congress on the situation in El Salvador.	Oglesby McFarlane
6. <u>Bankruptcy</u> : Discussion is now turning to the inclusion of language reversing the <u>Bildisco</u> decision, especially since there is a possibility of the bill not going to conference. OPD is studying the issue, and it was noted that Senator Thurmond is also looking at the possibility of toning down the <u>Bildisco</u> language in the House version. Current guidance is that we do not support or oppose the <u>Bildisco</u> reversal, but feel that the issue is of sufficient importance to warrant hearings.	Oglesby Fielding Svahn
7. <u>Product Liability</u> : We are working with the Commerce Department regarding the scheduled mark-up of this legislation.	Oglesby

SENIOR STAFF MEETING ACTION ITEMS

(03/28/84)

ITEM	ACTION
<p>1. <u>Today's Schedule:</u> A photo op will be held during the meeting with Harry Schlaudeman, is in connection with his imminent departure for Central America. A White House photo will be taken during the meeting with Ambassador Hartman, with the photo being released to the press.</p>	Speakes
<p>2. <u>Saturday Radio Talk:</u> No topic has been selected for this week's talk. Suggestions should be forwarded to Darman.</p>	Darman
<p>3. <u>Central American Aid Request:</u> The Senate is continuing work on the PL 480 supplemental. The oil merger amendment is pending and we hope debate on it will be concluded by tomorrow, after which we expect a floor vote on our aid request. It was noted that the President has been making calls in anticipation of the Senate vote. In addition, the Senate Foreign Relations Committee is completing work on the entire foreign assistance package; we may bring some senators to the White House in connection with this bill.</p> <p>In the House, Secretary Shultz will discuss our aid request with the Republican Conference tomorrow. It is expected that the House Rules Committee will allow the Republicans to offer a floor substitute. When we are near the point of introducing such a substitute, selected House members may be brought to the White House for a Presidential meeting.</p>	Oglesby
<p>4. <u>Deficit Reduction:</u> In the Senate, it appears that we may have an agreement to start floor consideration of the GOP package this week. In the House, various alternative proposals are being presented to the Democratic caucus. Representative Jones hopes to have a package reported out of committee and to the floor by next week.</p>	Oglesby
<p>5. <u>Product Liability:</u> It was noted that this legislation passed the Senate Commerce Committee yesterday by a vote of 11 to 5.</p>	Oglesby
<p>6. <u>Social Security Disability:</u> Yesterday, the House passed overwhelmingly a revision of eligibility rules. It now appears that our effort to push a moratorium as an alternative is dead in the Senate. Therefore, legislation on this will almost certainly reach the President's desk.</p>	Oglesby
<p>7. <u>Trade Deficits:</u> Hearings on this subject will begin today, with Feldstein scheduled to testify tomorrow.</p>	Feldstein Oglesby

8. Auto Imports: Secretary Baldrige has recently been quoted to the effect that voluntary restraints on Japanese imports should not be continued after this year. It was suggested, however, that current trade negotiations with Japan be concluded before the voluntary restraint issue is considered; at that time, the matter should be pursued in private. Further public comments on this subject should be avoided. Fuller Svahn

9. EPA: A report has been issued which lays out environmental arguments for removing all remaining lead from gasoline. OMB has not yet taken a position on the report, though initial review indicates there may be no serious objection. EPA will also issue a rule this week regarding the offshore dumping of sludge. Wright

10. Truth in Lending Act: Legislation has been proposed that would prohibit credit card issuers from banning surcharges on card use at the retail level. We have been asked for our views by Thursday; however, the Administration may take no position on the issue. Wright

11. REA Bailout Legislation: The Administration continues to strongly oppose this bill, which has already passed the House. It is now in the Senate Agriculture Committee, where there is pressure for an early mark-up. Oglesby Wright

✓ -- Meeting with Harry Schlaudeman

✓ -- New York Times interview

✓ 2. Deficit reduction-- the House is preparing to pass the Democrats' plan after a tentative okay yesterday by the Budget Committee. Passage reportedly could occur by next week. Outlook and guidance.

✓ 3. Saturday radio speech-- topic? *not yet*

✓ 4. Disability rolls-- the House overwhelmingly passed new restrictions on administrative powers to purge the rolls. We had been pursuing the idea of a moratorium on further removals. What is our strategy in the Senate?

✓ 5. Central American aid request-- does passage still appear likely today or tomorrow in the Senate? Will the House seek to stall the bill via a debate on our entire Central America policy?

✓ 6. Rural Electrification-- what is the status of the REA bailout legislation? (It has passed the House, and is now in the Senate Agriculture Committee where Helms is under pressure from Huddleston and others to allow a mark-up.) *Wagoner*

SENIOR STAFF MEETING ACTION ITEMS

(03/30/84)

ITEM	ACTION
<p>1. <u>Today's Schedule</u>: A photo op will be held during the luncheon with the President's Commission on Women's Business Ownership; afterward we will try to set up interviews with Bay Buchanan. A White House photo will be taken during the President's meeting with New York union leaders; they are expected to read a statement to the press outside the West Wing following this meeting. Also, Jack Svahn will forward a paper to the President on the <u>Bildisco</u> decision in advance of the union meeting.</p>	<p>Speakes Svahn</p>
<p>2. <u>Central American Aid Request</u>: The Senate is expected to return to consideration of the aid request early next week, with a vote not likely before Wednesday. We have sufficient voting strength in the Senate, though Democratic opponents are attempting to prolong the debate. A discussion may be held with Senator Baker regarding such delaying tactics.</p>	<p>Baker Oglesby</p>
<p>3. <u>Bankruptcy</u>: Last night, Senators Dole and Hatch reached an agreement with the unions on <u>Bildisco</u> language to be included in the legislation. The House is remaining in session today to take up the resulting compromise; if it does not pass, a conference committee will be convened.</p>	<p>Oglesby Fielding</p>
<p>4. <u>Target Price Freeze</u>: A conference committee finished work last night and its report will probably be adopted next week.</p>	<p>Oglesby</p>

<p>6. <u>Saturday Radio Talk</u>: A draft on women in business has gone to the President.</p>	<p>Darman</p>
<p>7. <u>Disaster Declaration</u>: With regard to storm damage in North and South Carolina, we have already announced that disaster declarations will be approved as soon as requests are received from those states.</p>	<p>Jenkins Darman</p>
<p>8. <u>Irish-American Briefing</u>: It was noted that a request has been received from an Irish-American group for a White House briefing. The request has been refused due to the group's IRA connections. An offer to set up a State Department briefing instead was declined. There are now indications that a demonstration, or some type of incident involving the group, may take place outside the White House today.</p>	<p>Whittlesey</p>

9. Immigration: This legislation will be taken up on April 5 Oglesby
by the House Rules Committee, they are expected to opt for Wright
an open rule. However, floor action is unlikely before
the Easter recess.

10. Privacy Act: Today, OMB will publish formal revisions to Wright
Privacy Act regulations in order to more closely track Fielding
standards in the Freedom of Information Act. These changes
could be controversial, and there may be criticism of what
some view as a tightening of access to personal records.

SENIOR STAFF MEETING -- Friday, March 30, 1984

A. Senior Staff Agenda

✓ 1. Review President's schedule (attached).

○ -- Lunch with President's Commission on Women's Business Ownership

-- Meeting with Secretary Shultz

-- Meeting with New York AFL-CIO union leaders

-- Departure for Camp David

2. Salvadoran aid request-- when do we expect a final vote in the Senate? Status in House (how do we plan to force action?)

3. Nerve gas-- reports indicate that Iraq is stockpiling and has already used nerve gas in its war. They say the President has been briefed, and the feasibility of a US air strike has been discussed. Guidance.

3. Disaster assistance-- status of federal aid efforts in wake of storm damage, especially in North and South Carolina. (Has the possibility of a Presidential visit to the area been considered?)

5. Gifts policy-- (is it perhaps desirable to caution all staff regarding not only the gifts policy, but also the best way of handling gifts?)

✓ 5. Farm bill-- it appears that an agreement has been reached in conference.

✓ 6. Saturday radio speech-- a draft on women in business has gone forward to the President.

7. Legislative calendar (Oglesby).
