SENIOR STAFF MEETINGS -- Thursday, September 6, 1984

A. Senior Staff Agenda

- ✓ 1. Review President's schedule (attached).
 - Speech to B'nai B'rith convention
 - Meeting with GOP senators
 - ✓ -- CCCT on copper (will steel also be discussed?)
- ✓ 2. Saturday radio speech-- topic?
- ✓ 3. Cabinet/issues activity upcoming (Fuller/Svahn).
- ✓ 4. Legislative activity (Oglesby).
5. Religion issue-- expected criticism from Mondale, along with the President's speech, will likely make this a subject the press focuses on today. Guidance.
6. Employee "hit lists"-- the Post reports that the Chamber met in 1981 with WH Personnel to deliver "hit lists" of career employees they wanted fired. We will probably need guidance on this.
- ✓ 7. Genocide convention-- is any further information needed on our decision to press ratification (announced yesterday at State)?

NOTE: we will be pressed on timing of this. Our response should be that, after 35 years of inaction by the Senate, a thorough review was called for if only to explore the validity of concerns raised.

- ✓ 8. Title IX-- you may want to clarify the Administration's position re this legislation due to the misinformation being presented (e.g. we have not asked that it be brought to the floor).

B. Items with the President

✓ RR
(1) Don't let Mondale get under skin - Kelly using God for relig. purposes.

✓ (2) No decision in rety - Copper Steel

✓ (3) Very imp. rety + speech
B'nai B'rith

SENIOR STAFF MEETING ACTION ITEMS

(09/06/84)

| ITEM | ACTION |
|--|----------------------------|
| <p>1. <u>Today's Schedule</u>: There will be press coverage of the speech to B'nai B'rith, with the text being released at 10:00. Also, the President will meet with Senators Jepsen, Helms, Cochran, and Pressler to discuss farm problems. They are not expected to talk with the press outside the West Wing, though a tape of the meeting will be made for news media in their states.</p> | <p>Speakes Oglesby</p> |
| <p>2. <u>Cabinet Activity</u>: The CCCT will meet with the President today to discuss the copper issue, which must be decided by September 14. There will also be a background briefing regarding the effect of imports on the domestic steel industry.</p> | <p>Fuller</p> |
| <p>3. <u>Legislative Calendar</u>: The main congressional news today will be Walter Mondale's visit with the House and Senate Democratic Caucuses.</p> | <p>Oglesby</p> |
| <p>Yesterday's meeting between Tip O'Neill and Howard Baker apparently yielded agreement to work toward an October 5 adjournment. Little floor action is expected today, though the banking bill may be discussed.</p> | |
| <p>4. <u>Title IX</u>: Brad Reynolds is continuing to work with Howard Baker's staff to formulate a compromise bill. Senator Baker has indicated that he would bring the bill to the floor, but would not devote much time to it. Thus, threats of filibuster from a number of senators may prevent any action.</p> | <p>Svahn Oglesby</p> |
| <p>5. <u>Saturday Radio Speech</u>: A draft on education and the future will be circulated later today.</p> | <p>Darman</p> |
| <p>6. <u>Genocide Convention</u>: Yesterday's announcement of support for ratification did not draw the adverse reaction we had expected from some members of Congress.</p> | <p>Oglesby</p> |
| <p>7. <u>Hispanic Heritage Week</u>: It was noted that a number of Hispanic theme events, including a proclamation signing, have been scheduled for next week.</p> | |

(09/07/84)

| ITEM | ACTION |
|---|----------------------------|
| 1. <u>Today's Schedule</u> : A White House photo will be taken during the meeting with Van Lennep, outgoing head of the OECD. Wire photos will be taken during the President's remarks to the briefing for female executives. Also, the President's meeting with Rev. Jemison has been re-scheduled for Monday. | Speakes |
| 2. <u>Unemployment</u> : Figures released today show no change in August, with civilian unemployment remaining at 7.5%. Also, it was mentioned that we may see a slight increase in unemployment during September and October, due mainly to seasonal adjustment factors. | Niskanen |
| 3. <u>Auto Industry Contract Negotiations</u> : It was again emphasized that the Administration should avoid any comment on these negotiations, or the possibility of a strike. | |
| 4. <u>Chamber of Commerce</u> : The White House will continue to have no comment on the Chamber's release of materials requested by Representative Dingell. | Speakes |
| 5. <u>Copper Decision</u> : Congressional reaction to yesterday's decision has varied, but, overall, has not been as harsh as expected from some members. | Oglesby |
| 6. <u>Gromyko</u> : Guidance remains unchanged re the possibility of a Presidential meeting with FM Gromyko. At this point, the only meeting scheduled is between Gromyko and Secretary Shultz on September 26. | Speakes McFarlane |
| 7. <u>Legislative Calendar</u> : The House is not in session today, and the Senate is still debating a motion to take up the banking bill. | Oglesby |
| 8. <u>Steel</u> : More time may be needed to fully develop the options on this trade decision. The President will meet with members of Congress next week to hear their views, and a second Cabinet discussion of the issue will be scheduled for some point thereafter. | Svahn Oglesby Fuller |

SENIOR STAFF MEETINGS -- Monday, September 10, 1984

A. Senior Staff Agenda

- ✓ 1. Review President's schedule (attached).
 - Meeting with Rev. T.J. Jemison and others from the National Baptist Convention
 - ✓ -- Signing ceremony for Hispanic Heritage Week
 - Cabinet Affairs briefing (topic?)
2. Cabinet/issues activity for the week (Fuller/Svahn).
3. Mondale deficit plan-- this will be revealed today, and we will be asked for a response. Guidance. Also, are we prepared to go through the details of Mondale's plan, putting more accurate pricetags on each item (and highlighting those that would be unpopular)?
4. ABM Treaty-- Secretary Weinberger has stated that the Soviets have been violating this treaty, and that the US may need to dump it if we develop a successful Star Wars system. Should such statements be made at this time? This will certainly heat up the issue, especially with Congress, and may require us to detail Soviet violations to support our claims.
- ✓ 5. Legislative calendar for the week (Oglesby).
- ✓ 6. Title IX legislation-- status report on discussions working for a compromise.
7. Grain sale announcement-- (reminder, though you may wish to handle this in private)-- State and USDA were still stalled re language of a possible announcement.
8. Steel issue-- timetable for decision on this matter.

SENIOR STAFF MEETING ACTION ITEMS

(09/11/84)

| ITEM | ACTION |
|--|--------------------|
| 1. <u>Today's Schedule</u> : There will be full press coverage of the Humphrey presentation, and a photo op during the meeting with Lord Carrington. | Speakes |
| 2. <u>Grain Sales</u> : The President will meet at 3:00 with farm state senators regarding our offer to sell more grain to the Soviets this year. After the meeting, an announcement will be made which will be covered by the press. | Oglesby Speakes |

The House is taking up a number of items on suspension, and the Ways and Means Committee will hold a hearing on the Social Security COLA. Today's GOP leadership meeting will likely discuss the Mondale deficit plan, defense spending levels, and legislative priorities for the remainder of the session. | Oglesby |
| 4. <u>Title IX</u> : Last evening's discussions apparently broke down without agreement. We are still participating in efforts to secure a compromise, however. | Svahn Oglesby |
| 5. <u>Product Liability</u> : It was noted that we have requested Senate action on this bill before adjournment, and that Howard Baker has promised to bring it up this month. | Oglesby |
| 6. <u>Youth Opportunity Wage</u> : Senator Percy has reportedly changed his position on this legislation, perhaps due to political pressures. Secretary Donovan and others will be discussing the matter further with him. | Oglesby |

A. Senior Staff Agenda

-- Trip to Buffalo and Endicott, New York (return at 6:45 pm)

-- Drop by the Howard Baker Dinner

2. Gromyko meeting-- how will we handle release of the report on Russian treaty violations required by the Congress? This is important, in part to avoid giving the Soviets a reason to scuttle the meeting.

3. Bush abortion remarks-- if asked about this, it would be best to "no comment" in hopes that his remarks will not detract from Ferraro's troubles.

4. MX missile-- has an agreement been reached to defer a vote on new production until after the election?

5. Auto negotiations-- what are the prospects at this point for a strike? The deadline for agreement is Friday night.

6. Saturday radio talk-- has a topic been chosen this week? (Perhaps US-Soviet relations, and the Gromyko visit?)

7. Legislative calendar for the day (Oglesby).

SENIOR STAFF MEETING ACTION ITEMS

(09/12/84)

| ITEM | ACTION |
|---|------------------------------|
| 1. <u>Today's Schedule</u> : The President's trip to Buffalo and Endicott, New York will be covered by the press. | Speakes |
| 2. <u>Saturday Radio Talk</u> : No decision has yet been made on a topic for this week's speech. Suggestions should be forwarded to Darman. | Darman |
| 3. <u>Abortion</u> : If questioned re yesterday's remarks by the Vice President, guidance is that he has been fully in accord with the President's policy position on abortion throughout this Administration. However, the Vice President has expressed personal views in the past that abortion should not be barred in cases of rape, incest, or where the life of the mother is endangered. | Speakes |
| 4. <u>Legislative Calendar</u> : The Senate may resume action today on the banking bill. A major issue today is whether there will be further movement toward a defense compromise. Also, it was noted that Hill Democrats are tending to disassociate themselves from Mondale's deficit plan. | Oglesby |
| 5. <u>Report on Soviet Treaty Violations</u> : This report has been prepared by a private, independent body. Though Congress has made clear its desire for copies of the report, its transmission to the Hill is not required by existing law. The question of when the report will be forwarded has thus been left open. | McFarlane Sims Oglesby |

SENIOR STAFF MEETING ACTION ITEMS

(09/13/84)

| ITEM | ACTION |
|---|---------|
| 1. <u>Today's Schedule:</u> There will be full press coverage of the President's trip to Nashville. | Speakes |
| 2. <u>Legislative Calendar:</u> The Senate is continuing work on the banking bill, though little progress is expected. There will be a mark-up tomorrow on the continuing resolution, and we are hopeful that agreement can be reached on the level of defense spending to be included. Regarding the overall defense appropriations bill, the leadership has not yet agreed to a proposed compromise. | Oglesby |
| 3. <u>Foreign Assistance:</u> This bill will be marked-up tomorrow in House committee. Funding appears to be at a level where agreement will ultimately be possible. | Oglesby |
| 4. <u>Export Administration Act:</u> A meeting of the conference committee has been postponed until next week, making it more likely that another extension of the Act will have to be considered. | Oglesby |
| 5. <u>Genocide Convention:</u> Agreement has not been reached with Senator Helms on additional language he has proposed. Thus, it appears the matter cannot be brought to a vote in committee before next week. | Oglesby |
| 6. <u>"Drug Czar" Legislation:</u> The Administration continues to oppose a House bill that would set up a "drug czar." However, a Senate bill which institutionalizes CCLP's role in this area is considered acceptable. | Oglesby |
| 7. <u>Superfund:</u> Senator Stafford is reportedly now looking at a simple extension of the act due to failure to reach agreement. However, it was pointed out that an extension is probably not necessary since the act does not expire until next year. | Oglesby |
| 8. <u>Staff Contacts with Departments and Agencies:</u> Jim Baker requested that all White House staff members be reminded that they should not engage in inappropriate political discussions with departments or agencies. Specifically, staff should be cautioned not to engage in conversations regarding the political implications or timing of grants, awards, or contracts. Also, the need to avoid direct contact with independent regulatory agencies was reiterated. It was noted that campaign employees have also been warned about such matters. | |

SENIOR STAFF MEETING ACTION ITEMS

(09/14/84)

| ITEM | ACTION |
|---|---------------------|
| <p>1. <u>Today's Schedule</u>: There will be full press coverage of the Hispanic Education event. Also, tomorrow night's Italian-American dinner will be covered.</p> | Speakes |
| <p>2. <u>Economic Figures</u>: The producer price index for August was down 0.1%, largely due to energy price declines. Retail sales were down 0.8%, and industrial production was up 0.2%. Indications are that we may be going through a temporary slow period which could worsen if there is an auto strike.</p> | Niskanen Speakes |
| <p>3. <u>Auto Negotiations</u>: The report is that both sides are working hard to avoid a strike. GM seems particularly anxious to reach agreement before tonight's strike deadline.</p> | |
| <p>4. <u>Legislative Calendar</u>: The Senate is not in session today. Yesterday, Sen. Garn's banking bill was passed.</p> | Oglesby |
| <p>The House will meet today on a series of minor bills. There will be a committee mark-up on the continuing resolution, though there is still no final agreement on the defense figure. We are hoping that the continuing resolution will include the sub-committee figure for foreign operations. In addition, it was noted that outer continental shelf leasing legislation, which we have strongly opposed, was passed yesterday.</p> | |
| <p>5. <u>Transfer of U.S. Embassy in Israel</u>: Legislation to require transfer of the U.S. Embassy from Tel Aviv to Jerusalem was scheduled for mark-up yesterday in the House. We are continuing our efforts to work out a way of deferring this issue for now.</p> | Oglesby |
| <p>6. <u>Trade Legislation</u>: Rep. Rostenkowski has scheduled hearings on trade legislation for September 19 & 20. It is clear that our decision on the steel question will affect House action in this area. It was pointed out that the U.S.-Israel Free Trade bill, which the President supports is also tied in with the steel decision. (This issue will be discussed in a White House meeting with AIPAC today.)</p> | Oglesby |
| <p>7. <u>Balanced Budget Amendment</u>: Yesterday, this was voted out of the Senate Judiciary Committee, 11-4. However, a discharge petition failed in the House. Republican members will continue to pressure the House leadership to bring the measure to a vote.</p> | Oglesby |

In Michigan, there was an unsuccessful effort yesterday to bring the matter to the floor of the legislature. Despite reports to the contrary, a decision was made that the White House would not attempt to lobby for passage by the legislature. A White House call to one legislator was simply to request information on timing of the vote.

Verstandig

8. Genocide Convention: It is still probable that this measure will be voted out of Senate committee next week. Contrary to news reports, Sen. Helms is willing to work out any problems, and is not attempting to delay Senate action.

Oglesby

9. Hurricane Diana: A request for federal disaster assistance has still not been received from Governor Hunt, though the state is working on their request at present.
