

Reagan Library Topic Guide – David Gergen

Reagan Library archival staff creates topic guides from textual material currently available for research use. Material cited in the topic guides come mostly from these collections:

[White House Staff and Office Collections](#)

White House Office of Records Management (WHORM) [Subject Files](#)

White House Office of Records Management (WHORM) [Alphabetical Files](#).

The folders and case files listed on these topic guides may still have withdrawn material due to Freedom of Information Act (FOIA) restrictions. Most frequently withdrawn material includes national security classified material, personal privacy issues, protection of the President, etc.

GERGEN, DAVID

Some of this topic guide was compiled in response to a Freedom of Information Act (FOIA) request for material within our collections regarding David Gergen and his relationship with the President's Economic Recovery Program, specifically the tax cut/budget legislation – the [Economic Recovery Tax Act](#) (ERTA). We have added any newly available files relevant to solely David Gergen to this topic guide. Researchers should know this topic guide is not a complete set of material regarding Gergen within our holdings.
