## CONTENTS

Each red tab represents a Presidential comment on State's package. Opposite each comment is a typed explanation of what the commented-upon portion represents, and why it should be left in the package.

Tabs 1 and 2 mark the two changes in the draft joint communique that State recommends. Both suggestions make sense, and should be approved.

Tabs A, B and C are the edited versions of the three letters submitted by State. They should be approved.

Tab D is an options paper on the timing of our spare parts notification to Congress. It recommends that Ambassador Hummel's views be sought on timing.
