Allen Wallis called today re the 1984 Economic Summit --

A little over a week ago he sent over a memo discussing proposed tactics and strategies for next year's summit.

On Monday, he will be seeing the British Sherpa re the Summit and it would be very helpful if he could have some reaction/guidance re his memo.

He also indicated that he is well aware that there are more pressing things at this time and understands if there is no opportunity to get back to him on this matter.

SUBJECT: Paper by Allen Wallis Concerning the
1984 Economic Summit

Allen Wallis has sent you a strategy paper on the 1984 Economic Summit in London (Tab A). The basic approach is unobjectionable. I will keep you informed as to any further developments in this regard. Attached (Tab I) is a reply from you to Wallis.
