Dear Mr. Lamb:

I want to thank you for helping to make the Williamsburg Summit a pleasant experience for all the participants.

The 1983 Summit proved to be a significant achievement for this Administration as well as a source of pride for every citizen of the United States of America. None of this could have occurred without the skill and dedication of individuals like yourself, whose planning and supervision helped make this massive international undertaking a complete success.

Although the Summit was held in a historic eighteenth-century town, it was organized with twentieth-century precision. Thanks very much for a job well done.

Sincerely,

RONALD REAGAN
