MEMORANDUM FOR WILLIAM P. CLARK

FROM: HENRY NAU *HN*

SUBJECT: President's Letter on Summit Topics

Allen Wallis has sent forward to you and Mike Deaver the draft Presidential letter to his Summit colleagues on the economic agenda topics for the discussions at Williamsburg.

As we agreed in December, this is the first step in the "top down" approach to the preparation of these discussions, including:

- this letter which raises questions related to two broad agenda topics and asks each leader to discuss his or her approach to these issues with the personal representative, who will then present the views at the March Sherpa meeting.
- a paper we are doing for completion in early February which asks what the President would like to get out of each of these agenda topics and which Wallis will use to elicit the President's views in a mid-February meeting (if you approve).
- the Sherpa discussion in March which will reflect the views of each of the leaders.
- a second round of consultations between individual leaders and their Sherpas refining views for the next Sherpa exchange.
- and so on

You need to review the attached letter with Deaver, approve it and seek the President's signature.

RECOMMENDATIONS

1. That you and Deaver review and approve the letter at Tab I.

2. That you sign the memo at Tab II, forwarding the letter to the President for his signature.

MEMORANDUM FOR: Mr. William P. Clark
Mr. Michael Deaver

SUBJECT: Economic Summit: Presidential
Letter to Other Leaders

At the December Sherpas' meeting, we agreed that the agenda for the Williamsburg Summit should be developed "from the top down" and that the President would be in touch with his Summit colleagues with his suggestions about how to proceed. I enclose the attached draft, which has been approved by the U.S. Sherpa group, for the President's consideration.

Our group will be discussing recommendations for the President's consideration in developing his own instructions to me in advance of the March 17 Sherpas' meeting. I expect to have those suggestions to you by mid-February, after which I would ask for you to arrange a meeting for me (or the U.S. Sherpa group) with the President to receive his instructions well enough in advance of the March meeting to permit me to develop the presentation I would make to the other Sherpas.

I recommend you seek the President's approval of the attached draft letter.

MEMORANDUM FOR THE NSC STAFF

FROM: WILLIAM P. CLARK *WPC*
SUBJECT: Preparations for the Summit

The Economic Summit which the President will host in Williamsburg, Virginia on May 28-30, is perhaps the most important foreign economic policy event on the calendar for this year. The meeting is fast approaching, and we have a lot of work to do. I want to ensure that all staff members are fully aware of the structure that has been established within the U. S. Government. We must prepare a coherent and integrated policy for this event.

NSDD-60 established the Summit White House Group chaired by Mike Deaver and me (see attached). This group has primary responsibility for all matters relating to the Summit and will meet with the President and Cabinet Officers as needed to make final decisions. Members of this group from the NSC staff include Bud McFarlane and Henry Nau.

As a member of the Sherpa team, Henry Nau has the lead responsibilities on a day-to-day basis for all issues related to the Summit. He will be working closely with Chuck Tyson for assistance on administrative and logistical actions, and NSC staff members for assistance on substantive policy issues. In order to fulfill his responsibilities, it is essential that Henry be involved in and clear on all administrative and substantive matters related to the Summit. This covers all issues, such as East-West trade, finance and debt, multilateral and bilateral trade, scheduling of bilateral meetings, etc. In addition, Henry will attend all CCEA, CCCT or other Cabinet Council meetings that deal with issues likely to affect the Summit discussions. Two NSC staff members may attend these meetings when necessary.

Support staff should provide whatever assistance is needed for Summit preparations. From time to time, additional secretarial and logistical support may be required. Henry will identify these needs and work with Mike Wheeler to secure them as needed.

I have asked Henry to organize a small group of staff members to meet regularly under his direction to ensure maximum coordination and to keep all of the staff informed on Summit planning.
