November 19, 1982
REF. 1212

Mr. President,

Thank you for your letter of November 12. The Commission was pleased to learn of your decision to lift the sanctions related to Poland. We believe that the raising of the sanctions is an important step in the stabilisation of relations between the Community and the United States. I expressed this view in our public reaction and further expressed our belief that even the most difficult problems between us can be overcome when there is a desire on both sides for real consultation which can lead to a true dialogue.

I have confidence, therefore, that we can find - within the framework of the conversations soon to be restarted in Washington - mutually satisfactory solutions to those questions which are still outstanding.

I share your concern that, once solutions are found and we have an understanding on the future of East-West relations, the implementation of the conclusions should be conducted expeditiously. In this context, I should like to assure you that the Commission stands ready to advance ideas designed to enable our Member States to adopt common positions on those points that fall within the Community's competence.

./.

Mr. R. REAGAN
President of the United States

The White House,
WASHINGTON D.C.

2.-

I appreciate your kind words about the role played in Washington in both the East-West and the steel discussions by the Commission delegates. The outcome of these negotiations strengthens my conviction that by continuing to consult and act together we can solve the other issues which still divide us.

Yours truly,

Gaston E. THORN

SCHEDULE PROPOSAL

TO: WILLIAM K. SADLEIR, DIRECTOR
PRESIDENTIAL APPOINTMENTS AND SCHEDULING

FROM: WILLIAM P. CLARK *WPC*

REQUEST: Working visit by European Community President,
Danish Prime Minister Schluter (U)

PURPOSE: To continue the courtesy of a visit by each President
of the EC during his six-month term of office; to
send a signal to Denmark, and to build support for
fundamental Danish-U.S. ties.

BACKGROUND: The Presidency of the European Community rotates
every six months among member heads of government.
The United States has invited each President to
visit Washington at some point during the six-month
term. The Danish term runs June-December 1982. We
did not invite the then-Prime Minister Joergenson
because of his continual anti-U.S., anti-Reagan
statements. Earlier this month Danish elections
resulted in the defeat of Joergenson and the election
of Schluter, head of the first Conservative government
in Denmark in 80 years. An invitation to Schluter
would be a clear signal that the U.S. does not cater
to those who treat us badly, but does right by those
who treat us well. (C)

PREVIOUS

DATE AND TIME: Any time from Mid-November through December 31, 1982

OUTLINE OF EVENT: Half hour meeting in Oval Office followed by working
lunch in the White House

REMARKS REQUIRED: Briefing materials to be provided by NSC

MEDIA COVERAGE: Photo pool at start of meeting

DECL: OADR

DECLASSIFIED
Dept. of State Guidelines, July 21, 1997
BY RW NARA, DATE 12/4/09

Le Président

Brussels, 6th October 1982
NO 1052

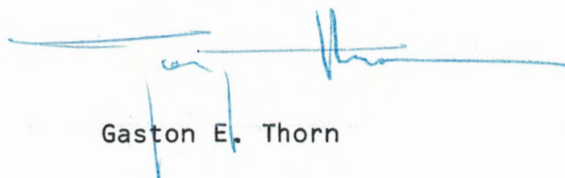

Dear Ronald,

Thank you for your letter of September 30th inviting me to take part in the 1983 Summit of Industrialised Countries at Williamsburg, Virginia, on June 10 - 12 next year.

I will be very happy to come to Williamsburg next June - a time which maintains the normal practice of allowing a year to elapse between Summit meetings. A date in advance of June would also be acceptable to me if you felt it necessary - in view of the overall situation - to bring our meeting forward.

It will be a pleasure to see you again, and to have another chance to look together for ways of strengthening our cohesion and intensifying our efforts to restore prosperity and stability to the world.

Sincerely yours

Gaston E. Thorn
