Draft Letter

Your Highness:

I was extremely pleased that one of my cabinet members, Secretary of Energy Donald Hodel, has received an invitation to visit the United Arab Emirates. Our respective countries have a large stake in the future course of world energy, and I welcome the opportunity to have him explain our energy policy and to exchange views with you and your ministers on energy issues of mutual concern.

I believe that both our countries can benefit from closer cooperation, and it is my personal desire that we explore areas where such cooperation will serve our shared interests and will contribute to greater understanding between our peoples. It is with this in mind that I have asked Secretary Hodel to use the opportunity of his visit to seek your government's views on how cooperation in energy matters may be broadened with the United Arab Emirates.

With warm regards and best wishes.

Sincerely,

Ronald Reagan

His Highness

Shaikh Zayid bin Sultan Al Nuhayyan

President of United Arab Emirates
