Dear Mr. Proctor:

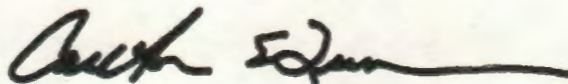

I am putting together a compilation of surveys regarding drugs and alcohol -- use, trends, attitudes, law enforcement, sentencing, drugs in the workplace, etc.

In order to achieve the most complete set possible, I would like to ask for your assistance in obtaining copies of those surveys conducted in your area. I am interested in all surveys since 1979, whether government, school or private sector sponsored, to include those with a limited audience (i.e. a high school or city).

I appreciate your help and look forward to hearing from you. Please do not hesitate to contact me if you have any questions or need additional information.

Best wishes,

Sincerely,
