

LEHMAN, RONALD F.: Files, 1983-1986 – REAGAN LIBRARY COLLECTIONS

Material noted **in bold** within this collection is currently available for research use. If a folder is available for research use, it may still have withdrawn material due to Freedom of Information Act restrictions. Most frequent withdrawn material is national security classified material, personal privacy, protection of the President, etc. Any non-bolded folder is closed for research.

The non-bolded folders are subject to Freedom of Information Act (FOIA) requests under the provisions of the Presidential Records Act (PRA).

If you are interested in submitting a FOIA request for access to any of the unavailable records or have any questions about these collections or series, please contact our archival staff at 1-800-410-8354, or email reagan.library@nara.gov.

LEHMAN, RONALD F.: Files, 1983-1986

Defense Programs and Arms Control Directorate, NSC

Biography

Ambassador Ronald F. Lehman, II is a former military officer from the Vietnam War and has had a long-term diplomatic career in international arms control, disarmament, and the nonproliferation of weapons of destruction. He has served three U.S. Presidents (Reagan, George H.W. Bush, and Clinton), three Secretaries of State, three Secretaries of Defense, and three National Security Advisors in a variety of senior executive and advisory positions to promote peace through international disarmament and nonproliferation policymaking.

Ronald Lehman was born on March 25, 1946 in Sanitarium (Deer Park), California.

Lehman received his B.A. from Claremont McKenna College in 1968. He then entered military service (1969-1971) and in the army he graduated from Armor Officer, Combat Intelligence, Southeast Asia, Airborne, and Electronic Warfare and Cryptologic Staff Officer courses. He returned to the Claremont Graduate School and earned a Ph.D. in 1975. He was the 1988 Claremont Graduate School Distinguished Alumni Award Recipient.

Following his graduate degree, Lehman went to Washington, D.C., as a fellow of the Hoover Institution at Stanford University to begin his work in arms control and disarmament. He was also an adjunct professor at Georgetown University,

Throughout the 1980s Lehman worked in many capacities to help President Ronald Reagan achieve credible, verifiable arms control. He served as a senior staff person on the professional staff of the U.S. Senate Armed Services Committee. From 1983-1985, Lehman was Deputy Assistant to the President for National Security Affairs and a senior director of the Defense Programs and Arms Control Directorate at the National Security Council. From 1985-1988, he served in the State Department as U.S. Chief Negotiator on Strategic Offensive Arms (START I) in Geneva. And from 1988-1989, Lehman was the Assistant Secretary of Defense for

International Security Policy (now known as Assistant Secretary of Defense for Global Strategic Affairs).

Continuing on under President George H.W. Bush, Lehman was the Director of the Arms Control and Disarmament Agency from 1989 to 1993. Lehman testified regularly before the U.S. Congress and was on the advisory board of the United States Institute of Peace.

Over his nearly 50 years of public service, Lehman has repeatedly served in an advisory capacity to various government agencies and presidents. He was appointed to the five-member Presidential Advisory Board on Proliferation Policy (1995), served on the State Department's International Security Advisory Board, as chair of the NATO High Level Group, and as a U.S. representative to a number of United Nations disarmament and review conferences including co-chair of US delegations to the 1990 NPT (Non-Proliferation of Nuclear Weapons) Review Conference and the 1993 Paris CWC (Chemical Weapons Convention) signature conference.

Lehman co-chaired (with David Franz) the National Academy of Sciences' study on the future of Cooperative Threat Reduction and formerly co-chaired (with Ash Carter) the Policy Advisory Group on nonproliferation for the U.S. Senate Foreign Relations Committee. He was on the Defense Science Board Task Forces on Globalization and Security, on Tritium, on Global Strike, and on Defense against Biological Weapons. He is served on the National Research Council Committee on U.S. Air Force Strategic Deterrence Military Capabilities in the 21st Century and served on the National Research Council's Committee on Science, Technology, and Health Aspects of the Foreign Policy Agenda of the United States and on its Committee on Alternative Technologies to Replace Anti-Personnel Landmines. He was detailed to the Administrator of the National Nuclear Security Administration as counterterrorism coordinator after the September 11, 2001, attacks. For the Department of Energy, he was the U.S.-Snezhinsk Working Group Co-Chair for the Joint Russian-American Steering Committee on the Nuclear Cities Initiative. He served on the advisory panel for USSTRATCOM's Global Innovation and Strategy Center. He was on the Council on Foreign Relations Independent Task Force on the U.S. Nuclear Posture.

In his personal life, Lehman is on the Board of Governors of the Keck Center for International and Strategic Studies at Claremont McKenna College, having served previously as its Board Chair. He is a member of the Atlantic Council, the Council on Foreign Relations, and the International Institute for Strategic Studies.

Lehman resides in Palo Alto, California.

Scope Note

The Ronald F. Lehman collection consists of two series: SERIES I: Subject File, and SERIES II: Chronological File.
