Dear Mr. Brown:

Your letter of December 3, 1982 to the President regarding the Lipizzaner stallion has been referred to me for response. You expressed concern that the horse not be "gelded and sent to Arlington as another white caisson puller" and you suggested that it be given either to the United States Equestrian Team or the United States Lipizzan Registry.

Although your ideas may be excellent ones, you should be aware that the horse belongs to neither the President nor the United States. Accordingly, decisions regarding it are not his to make. I suggest that you direct any further inquiries to the Austrian Embassy.

Lipizzaner Horses

3 December 1982

120790 *Al*

President Ronald Reagan
The White House
Washington, D.C. 20500

Dear Mr. President:

I would like to congratulate you on the receipt of a rare and valuable Lipizzan stallion from the Spanish Riding School of Vienna. It is my understanding that the horse, Maestoso Blanca, has been schooled in the classical *Airs Above the Ground* and has been trained to the Grand Prix level of Dressage - a level, as you know, achieved by very few horses.

My concern is that since, as President, you cannot accept the horse for yourself, you will probably have the horse gelded and sent to Arlington as another white caisson-puller. This would be a very real waste of talent.

The United States could be well served by this horse, both through his capacity as a competitor and as a breeder.

May I suggest a gift of the stallion to either the United States Equestrian Team for competition or the United States Lipizzan Registry for breeding.

Sincerely,

Lawrence A. Brown

THE WHITE HOUSE

WASHINGTON

February 24, 1983

Dear Mrs. Jessup:

Thank you for your letter of January 29, 1983 regarding the Lipizzaner stallion.

I am sorry that your husband is presently unemployed, and I applaud your resourcefulness and dedication to the work ethic which has made our country strong. Like the good citizens of Michigan, there are many people throughout the land who, in these difficult times, are having to work harder than ever before to provide for themselves and their families.

Our economy is becoming stronger every day as inflation, and, more recently, the rate of unemployment, move downward. Please be assured that the President will diligently continue his efforts to restore America to its past greatness. Your enthusiastic support and self-sacrifice are a constant source of inspiration for all of us, and I hope you will soon be able to enjoy the benefits of a healthier economy.

My best wishes to you and your family.

Sincerely,

Mr. Fred F. Fielding

The White House

Dear Mr. Fielding;

Thank you so much for the nice letter and kind comments regarding the Lipizzaner stallion. I will write to the Austrian Embassy as you suggested.

I just wanted to let you know that, in spite of the severe recession in Michigan, the young lady that cleans barns for me also has two other jobs, all part time. It just goes to show that someone that REALLY wants to work can find work, even in Michigan.

In spite of my husband being out of work, we have managed to get along quite well by concentrating on our hobby, the horses. And, it has paid off. I just sold a horse, and have a few more to sell, so can weather this with a minimum of problems. The only time the recession came close to home was when I went to the bank to borrow some money, and they just didn't have it to lend. However, as I said, everything has worked out well anyway!

Please relate to President and Mrs. Reagan that we have the highest regard for them, and KNOW he is doing his utmost to undo what has been done in government for the past 40 years or so. He IS on the right track. We must cut down on government costs. That is the only way to finally get this country back on the right track. Good luck to all of you, and God bless you in the work that you do for all of us.

Sincerely yours,

Carole Jessup

P.S. Please don't feel that you have to reply to this letter. You have many more important things to do, I'm sure.

Dear Mr. and Mrs. Jessup:

Your letter of December 12, 1982 to President and Mrs. Reagan regarding the Lipizzaner stallion has been referred to me for response. You have asked whether the stallion will stand at stud someday and thereby provide badly needed new Lipizzaner blood in this country.

I regret to inform you that neither President and Mrs. Reagan nor the United States are the owners of the horse. Accordingly, decisions regarding the issues you have raised are not theirs to make. I suggest that you direct your questions to the Austrian Embassy.

Thank you very much for your extremely supportive comments. Your strong commitment to the President's programs, despite your unemployment, demonstrates great personal courage and sacrifice.

Lipizzan

Dear President and Mrs. Reagan,

Congratulations on becoming the proud owners of a Lipizzaner stallion! I am so happy for you, and know that you, being a horseman, will appreciate the magnitude of the gift. I hope you will find time to ride and enjoy that horse.

We are breeders of Lipizzan horses, and can tell you that they are unique in the world. They really are the most easily trained, most willing, most naturally collected, prima donnas of the horse world. Good luck with him!

We have one stallion and three mares at the present time. We desperately need another stallion to cross with our fillies when they come of breedable age (which will not be for 3 years or more). Will it be possible that your horse will stand at stud someday in the future? I certainly hope so. We need new Lipizzan blood in this country badly, and your horse looks lovely in the pictures we have seen. I hope you will be able to take this under consideration and make a decision sometime in the future.

*to see the
Lipizzaners
perform*

We enjoyed our visit in Washington November 21-23 so much! And our visit just heightened our enjoyment of the Christmas Special from Washington we saw last night.

We all think you're doing such a wonderful job; by far the best President we've had for years and years! You are really on the right track! Don't let the Democrats sway you. The course you have set is correct, and is already showing great gains.

My husband has been out of a job for six months now, but we feel it was the fault of years of union demands in the factories making unreasonable pressures on the companies that were paying their salaries. It's nice to see this country have to get back to turning out a quality product, and working a full day for a day's pay. We've always had this "old-fashioned work ethic" but glad to see it's becoming fashionable once again!

We love you both. Take care of yourself -- we want you for another four years after this term!

Love always,

P.S. Happy Holidays!

Dear President Reagan:

I have read in the newspaper that you were recently given a Lipizaner stallion by the Austrian government and are unable to keep him due to the Foreign Gifts Act. I am sure that you, as a horse lover, would like to find him a good home. Why not donate him to the Dressage division of the United States Equestrian Team to be used in competitions? The USET, in Gladstone, New Jersey, has excellent facilities and provides the best of care for its horses. Here is their address:

I myself, as a former dressage rider, think that this is an excellent idea, and I hope that you will feel the same way.

Thank you for your time.

Dear Mr. President:

I am delighted to hear that you are now the owner of a Lipizzaner stallion. I have been training Lipizzaners for 15 years and the current gelding is my hope for a Gold Medal for the United States in the Los Angeles Games in 1984!

My horses name is Maestoso Plutona and he is 12 years old. I bought him at age 2½ and he was imported from Piber, Austra. We are now doing Grand Prix dressage.

I am hoping that you will stable your Lipizzaner in Santa Ynez. If this is so, I would like to apply to your stable manager for a breeding to your stallion for a Lipizzaner mare that I am currently training for a friend. The mare is of the Siglavy line and is in super health. I am hoping for another Olympic quality colt from her.

Please let me know if there is another way that I should approach your stable manager/ranch foreman regarding the breeding bookings. I live in Northern/Mid California and would not have any problem getting the mare to Santa Ynez.

Secondly, if you need someone to maintain/care/show the horse, I certainly would consider it an honor to talk to one of your people about it. I have been riding 47 years and have had three Lipizzaners. I am the only woman in the world who has trained a Lipizzaner stallion from a colt to the Olympic level. They are the most terrificly elegant horse in creation. Their temperaments are likened to our Morgans and they make unbelievable trail horses. Their manners are inborn to gentleness, even around mares. Although you must be stern with them and they love to work, they are gentle beyond any other breed.

✓ Much luck with your horse and I do hope that you will take him as your personal trail mount.

Sincerely,

Bette Emmons

Upon hearing the news of your acquiring a Royal Lipaziner, I would like to offer my expertise in the horse world for your consideration.

As I was growing up in Pony Club, I worked closely with the top instructors listed in my attached profile. For the Difficult Run Pony Club, where I volunteer many hours teaching and developing Pony Club youth skills for their future, and derive satisfaction knowing this is the best source of horse education they can receive.

I feel your horse and I could be of help to each other in that I could make great use of his skills and provide an opportunity to further develop my experience.

✓ Would you please consider my request to work with your horse. I can be reached at 620-3798 or 860-1439.

Dear Mr. President,

You probably get millions of 121837 Cee
letters and I don't necessarily expect
an answer also it sure would be
nice. I just talked by phone to
Hofrat DR Kerner who is the head of
the Lipizzaner Farm where the horse
comes from you got from the Austrian
government Maestoso. I used to
work on this farm many years ago
and also owned at one time a
brother of yours Maestoso Plutonia.

Would it be possible to visit your horse
ones? I live in California. If someone
can answer I would be thrilled. I am born
in Germany but am now an American Citizen.
God bless you

The Honorable Ronald Reagan
President of the United States
The White House
Washington D.C.

123221 CW

Dear President Reagan:

I hope this letter will reach you personally. I also hope you will consider it. First, I am a 16-year old sophomore at Carmel High School. I am a active member of Future Farmers of America. I also, like you love and ride horses.

What causes me to write is the wonderful picture of the Lipizzaner stallion "presented to President Reagan and the Nation" as a gift from Austria. A horse like "Amadeus" is the result of many generations of selective breeding and many years of specialized training. He is a world-class athlete and artist who needs continuing exercise to maintain his peak condition and performance. And, of course, he is prime bloodstock and of an rare and beautiful breed.

GLEN DEVEN RANCH
PALO COLORADO CANYON
CARMEL, CALIFORNIA 98928

My suggestion is, why not make "Amadeus" the first stallion of an American National Stud Farm?

Nearly every country in the world with a historical association with the horse has a state or National Stud. This is true throughout Europe, as well as Russia and the Communist countries, and the Middle East.

I think that an American National Stud should not only have facilities to breed, train and display such imports as "Amadeus", but be a showplace for American breeds such as, Quarter Horse, Morgan, P.O.A., American Saddlebred and Standard, Appaloosa, Tennessee Walker, Mustang. It could also have a permanent training center for our U.S. Equestrian team.

An American National Stud Farm would be a permanent attraction for future generations of horse lovers, wherever it might be located. Near Washington D.C., or maybe even here in California. It would also provide jobs for people in need of a job.

GLEN DEVEN RANCH
PALO COLORADO CANYON
CARMEL, CALIFORNIA 93928

I believe the American National Stud would be supported not only by gifts from horse breeders, enthusiasts and organizations, but by donations of breeding stock from all parts of the country and the world.

For starters, one or more of the fine Lippizaner breeders there in Southern California might be proud and happy to donate mares to help "Amadeus" found the first generation of the American Stud!

I hope this idea might appeal to you.

After all, a horse-loving American general liberated the Lippizaners after World War II; it would be appropriate for you a horse-loving President to create for the public a new institution celebrating the horse in America with this breed and this gift.

I hope you had a happy Thanksgiving holiday at your ranch, and that "Amadeus" will have a happy home in his new country. Happily as the foundation stud of the American National Stud Farm!!

Respectfully,

Lisa N. Cox

Dear Mr. President Reagan:

123505 CU

I'm a fifteen year old boy who belongs to the Poway Valley, California Pony Club. I have observed the fact that you have received a Lippizaner stallion from the very well known Spanish Riding Academy of Vienna, Austria.

Pony Club is a national non-profit organization devoted to putting out olympic qualities in riders. Pony Club works and drills people under the age of 21 on the art of riding, horsecare, veterinarian knowledge, and horse management.

Because dressage is the basis of all advanced horsemanship, and our Pony Club is in the process of developing highly skilled riders, we are in need of a well schooled horse that would teach Pony Clubbers as well as instructors. Poway Valley Pony Club has access to an instructor in our area from the Spanish Riding School who is well educated in the art of riding the famous Lippizaners. His name is Wolfgang Delefont.

I have been informed that because you are in office that you will not be able to keep this special gift from the Austrian government. Therefore,

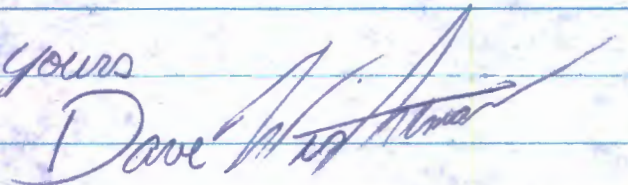

I would like to offer you the opportunity to donate this wonderful horse to our Pony Club. This would be a sure way to educate many Pony Clubbers and prepare them for high level (olympic) competition.

Poway Valley Pony Club is able to provide excellent facilities and supervised care for the Fitzroyan Stallion.

If you would like to investigate further the possibility of donating this horse to our Pony Club please contact me at (619) 486-3122 12822 OR P.O. Box 61, Poway CA 92064 or our District Commissioner Diane Scharan (619) 485-0288

I urge you to give this request your utmost consideration, I am most anxious to hear from you!

Sincerely yours

DAVID Wightman

LOAN AGREEMENT

This Loan Agreement is entered into between the Department of Transportation ("the Department") and the White House for the purpose of allowing the Department to use for official purposes several trains, descriptions of which are attached, given to President Reagan for Christmas 1982 and accepted as gifts to the United States Government for eventual placement in the Presidential Library.

The Department assumes responsibility for security and care necessary to maintain the trains in their current condition during their transportation from the White House to the Department for the duration of their official use and during their transportation back to the White House or to other pre-arranged locations.

The Department agrees that the trains are not to be moved from the Department without the prior written consent of the White House. The trains will be transported from the White House to the Department by White House messenger and will be returned by the Department to the White House or other pre-arranged location no later than at the termination of this Administration.
