Dear President Reagan,

I am the teacher of a second grade on Long Island. It was thrilling for us to watch the inauguration. We were very moved by your wonderful speech. I even shed a few tears and was truly proud to be an American.

I have read an account of your life to my children. They were interested to know you are from Illinois as I am also from there (Waukegan). I went to Drake University and it was especially meaningful when they learned that you worked at the radio station in Des Moines.

The class thought it would be a nice surprise to send you a gift for your birthday and to

wish you well as you begin  
your Presidency. We all truly believe  
that you will do a fantastic job.  
A very happy birthday!

Most Sincerely,

Gift - "Seatone" food supplement

## Where is it grown?

The shellfish from which Seatone is derived are grown on a mussel farm in the Hauraki Gulf, off the North Island of New Zealand.

The farm is in an area which has a constant flow of unpolluted, highly productive seawater. This feature ensures the supply of first quality shellfish with no danger of contamination from bacteria or chemicals.

## ASK YOUR RETAILER ABOUT THE BENEFITS.

## What is SEATONE?

Seatone is a product of marine pharmacology. It is a pure extract from the edible green-lipped mussel, a species of shellfish found only in the clear unpolluted waters of New Zealand.

This entirely natural product contains no additives of any kind and on analysis yields protein in the form of amino acids and enzymes plus vitamins and essential trace elements.

Heavy metals such as mercury and cadmium are not present at detectable levels.

### A 100% Pure Sea Product.

Department of chemical engineering  
2nd February, 1981.

President Ronald Reagan  
White House  
Washington, D.C.  
U.S.A.

Dear Mr. President:

I am a professor of chemical engineering, age 77, educated at the State University of Pennsylvania, with a PH. D. degree.

We were shocked by your predecessor who cut off the relationship of my country by telephoning at 2 early in the morning. Our shock was recovered on November 5th, 1980, when we knew that you, Mr. President, won the election by over-whelming majority. We, people of the Republic of China, have been happy ever since.

I am herewith presenting to you a bottle of "SBATONE" in token of my admiration and respect. This is a food supplement, prepared in New Zealand and is a sure cure of rhumatism. The analysis yields protein, enzyme, vitamin and trace elements. It might be that the trace unknown substance is the cause of cure. My right knee was operated 12 years ago and my left knee was kept from feeling pain by taking pills of mobutazon and anacin daily. I read in the paper about seatone and I took 5 capsules daily for 25 consecutive days. My rhumatism was cured. All evidences indicate that seatone is a sure cure of rhumatism.

May God bless you, Mr. President.

Yours very respectfully,
