Dear Mr. President, <sup>sm. Bean</sup>  
jelly Beans

I'm very sorry that you were hurt. My family is very glad that you and the other men are getting better. It was a terrible thing that happened to you, but remember how many people in this country didn't shoot at you and how many people in this great country who prayed for your recovery. I hope you enjoy jelly beans. One jelly bean is missing, my son had to eat a black one.

If you ever come back

to El Paso, I hope  
we can see you.

Dear President Reagan,

Our prayers for your  
Speedy Recovery are being  
offered for you.

We want you to know  
we are very proud of you

and are proud to be  
Americans.

We know at this time  
that a stay in the hospital  
is not, the happiest time

But thought these  
jelly beans, would bring a  
little sweetness into your  
day.

This handsome bird is familiar to many for showiness and contrast of dull orange yellow and black. Likes tall shade trees in towns and country roads. Found along streams and woodlands. Feeds largely on insects but eats some fruit. Breeds from Nova Scotia to Georgia and west to Colorado. Migrants from Mexico south to Columbia.

April 1st, 1981

Just to  
let you know  
I'm thinking  
of you  
And wishing you  
a Speedy Recovery

All our love + Best  
Wishes are sent your way.

Regarding your note to put these in final. They were prepared as drafts because the White House Gift Unit takes care of finalizing them and getting them signed once the NSC approves the text. Are these now cleared and do you still want to have them in final?

Also the closing line on the Ito draft of "With warm regard" without an "s" is apparently the way the President is accustomed to closing his letters so the White House has continued the practice.

Please advise.

## 官窯染付の魅力

中国でやかれた官窯染付磁器はいわゆる濃さがなく澄みきった明るい染付です。

この磁器に挑むために胎土に良質のものを選び、特に青料の濃淡を淡い階調で仕上げ、白磁の素地が垂れる瞬間まで焼けきったいわゆる「とんぼ窯」まで焼成しました。

この深川製磁の官窯染付は新しい磁器の可能性を展開したものだといえますよ。

そこには、東洋的な郷愁があり、藍絵の香りが人々の心をそっと包んでくれる雰囲気をもっています。
