Rev. Jerry Falwell

Dear Friend,

Please sign and mail the enclosed postcards to President Reagan and to Jean Kirkpatrick, our United Nations Ambassador.

If you're the kind of Bible-believing American I believe you are, you'll do this immediately in support of Israel's right to remain a Jewish state...

...and you'll join me in support of Christians for Israel, a God-sent, non-profit organization firmly rooted in the Word of God--promoting, supporting, and advancing good relations between nations like America and Israel.

You see, I'm Rev. Jerry Falwell, a close friend of Israeli Prime Minister Menachem Begin, and a strong supporter of the Bible-based plan of action Christians for Israel (CFI) is taking.

For one thing, CFI knows that the conflict in the Middle East over Israel is not a political controversy, but rather a scriptural one, and it goes back 4,000 years ago.

In Genesis 12:2-3, God made a covenant with Abraham saying:

"I will make thee a great nation, and I will bless thee and make thy name great; and thou shalt be a blessing: And I will bless them that bless thee, and curse him that curseth thee..."

And therefore, you and I as God-fearing Christians have an obligation--a command--to pray for the peace of Jerusalem (Psalm 122:6) because we are clearly told God deals with nations which fight against His Jewish people.

Again and again, the history books of the world support the fact that God deals with nations in relation to how those nations deal with Israel.

And if it were possible for the Adolf Hitlers of the world and the pharaohs and emperors of time past to speak out today, they would confirm the truth of God's Abrahamic Covenant.

That's why America is blessed by God--our nation has

X

always been a haven for the Jewish people and our leaders have always stood by Israel as an ally.

Therefore, with the current controversy over Lebanon, it is more imperative than ever for God-fearing citizens like you to stand up and urge the Reagan administration to continue America's long-standing record of backing Israel...

...and not allow the international pressures from the U.N. and world powers to change their decision.

Your immediate action in signing and mailing the enclosed postcards to our officials will let them know how you feel-- that you support Israel, God's holy land, and that you are against supplying weapons to the Arab nations.

Right now, anti-Israeli terrorists are slipping back into Lebanon, even though they agreed to go far from there and leave Israel in peace.

But, they have returned to Lebanon and if America doesn't stand by Israel now, more Middle East bloodshed is certain.

You and I can't let this happen.

And we also must show our disapproval of pending talks on the sale of I-Hawks, F-16's or F-5G's to Jordan.

How do you think God would view America's involvement in supplying advanced military weapons to an enemy of His nation, Israel?

That is the key point in the whole Middle East conflict-- God will "curse them that curseth thee (His Jewish people)."

In fact, God has already warned us as to what He will do to the enemies of His holy land in Zecariah 12:9:

"And it shall come to pass in that day, that I will seek to destroy all the nations that come against Jerusalem."

Therefore, it is our duty as God's children to fight side by side with the Israelis against the nations, who support anti-Israeli forces like the PLO...

...and as God has promised, He will continue to bless our nation because God is on the side of the Jewish people and His Jewish nation, Israel.

And no one opposes Israel more than Yasser Arafat, who continually boasts:

"The victory march will continue until the Palestinian flag flies in Jerusalem and in all of Palestine--from the Jordan River to the

(Mediterranean) sea and from Rosh Hanikra to Eilat."

And along with Arafat there's Muammar Qaddafi who broadcast on Libya's state radio that all Arab countries "should unite and destroy Israel," January 5, 1982.

But, you're probably wondering how just two postcards can possibly have any effect on America's foreign policy concerning Israel and help this Jewish nation defend itself against evil aggression.

The answer is simple.

By signing and mailing your postcards, today, you'll be putting into action the first phase of a continuous campaign to lobby across the country to promote America's support of Israel.

---

Christians for Israel, with your financial support of \$1,000, \$100, \$50, \$20, \$15 or whatever you can send, will bombard the Congress, the U.N. delegation, and the President with newsletters, reports, surveys, and ballots from concerned citizens like you...

...alerting America's officials that the majority of Americans are behind their military and economic support of Israel.

And for your gift of \$20 or more, you'll receive a current up-to-the-minute NEWSLINE: ISRAEL to keep you posted on aggressive actions by the PLO, Iran, Libya, and other nations trying to destroy Israel.

You'll have firsthand information.

You'll be among the first to know how the U.S. and Israeli talks are going, how Israel is winning the battle in the Middle East, and how your support of Christians for Israel is being used to help God's nation.

---

But, without your immediate support, CFI can do nothing.

Your immediate support is needed to promote good relations between America and Israel--to ensure your voice will be heard by President Reagan and by Jean Kirkpatrick, our Ambassador to the U.N., in time for any major decision concerning Israel.

And with all the international pressure from world powers and the Soviet Union's involvement with the Arab nations, which control the majority of oil exports, America's leaders may decide to turn their backs on Israel.

This must never happen. And you and I must make sure our voice is heard a million strong.

And you and I must act today.

That's why I must hear from you immediately. As you know,

the situation in Lebanon could explode again any day, and the talks could resume on the arms sale to the Arab nations-- aircraft that if we sell, will be used against Israel...

...and therefore, against God. If this happens, America will no longer be blessed, but cursed by God.

Please join me today in supporting the efforts of the Christians for Israel by doing two things:

- 1) Signing and mailing the enclosed postcards addressed to President Reagan and Jean Kirkpatrick, our Ambassador to the U.N., urging continuous support for Israel.
- 2) Write out a check to Christians for Israel for \$1,000, \$100, \$50, \$20, \$15, or whatever you can send to promote, establish and maintain good relations between the United States and Israel.

And remember, for your gift of \$20 or more, you will receive the monthly NEWSLINE: ISRAEL, which will keep you up-to-date on American/Israeli talks and progress.

It is a vital information piece for all Christians everywhere who trust and follow God's Word.

Please, don't delay in your reply. God's people need our help now more than ever and America needs to continue her support of Israel, if we are to remain a blessed nation.

May God bless you for whatever you can do today.

Trusting in Him,

  
Rev. Jerry Falwell

P.S. Remember, Israel and the Jewish people are the apple of God's eye and He will take action against all nations who try to destroy His first love. Please, mail your postcards and rush a special gift of at least \$20 today!

Dear President Reagan,

As a God-fearing American and supporter of Christians for Israel, I want you to personally know I wholeheartedly support your administration's continuous backing of Israel as an independent Jewish state.

And I urge you in your future decisions concerning military aid to Jordan or any other Arab nation to remember what God has said about those nations who fight against Jerusalem in Zechariah 12:9: "And it shall come to pass in that day, that I will seek to destroy all the nations that come against Jerusalem."

Thank you for heeding my message.

.....

Dear Ambassador Kirkpatrick,

As a God-fearing American, who supports Christians for Israel, I want to commend you for threatening the veto every time there's a threat of sanctions against Israel.

And I urge you in your future decisions concerning Israel to vote favorably for their independent Jewish state. I firmly believe America has been blessed by God because we have shown favor for Israel.

God has told us Himself in Zechariah 12:9: "And it shall come to pass in that day, that I will seek to destroy all the nations that come against Jerusalem." Please continue to support and favor Israel because God will bless America for being Israel's ally. Thank you for your continued support.

I want to thank you and the President for your outstanding appointment of Linda Chavez as a special assistant overseeing the Office of Public Liaison.

I have been quite impressed with both Linda's tenacious comittment to President Reagan, and her ability to articulately defend that comittment.

You are to be commended for another fine decision in our country's best interest.

Dear Rev. Falwell:

Mr. Edwin Meese has asked me to respond to your communication of December 3, 1982, concerning the Lubbock Independent School District case.

As you may already know, it is extremely rare for the United States to participate as amicus curiae at the petition stage in Supreme Court cases in which it is not a party. Where, as here, the petitioner has fully apprised the Court of the relevant considerations bearing on the "certworthiness" of the case, we traditionally refrain from filing anything. Let me emphasize that the Justice Department's silence at this stage of the proceedings should not be misunderstood as any lack of interest in this case. Should the Court grant the petition, the filing of an amicus curiae brief on the merits will receive immediate attention by the Department.

Thank you for writing to us about this case.

MR. JAMES A. BAKER III  
CHIEF OF STAFF  
THE WHITE HOUSE  
WASHINGTON, D.C. 20500

DEAR ED:

IT HAS COME TO MY ATTENTION THAT THE ADMINISTRATION IS CONSIDERING WHETHER TO INVOLVE ITSELF AS A FRIEND OF THE COURT IN THE LUBBOCK INDEPENDENT SCHOOL DISTRICT CASE. AS YOU KNOW, THE CASE INVOLVES WHETHER STUDENTS WITH A RELIGIOUS BELIEF WILL BE AFFORDED THE SAME FREEDOM OF SPEECH AND ACCESS TO THE PUBLIC SCHOOL GROUNDS AS CLUBS, ORGANIZATIONS, AND INDIVIDUALS WHO EXPRESS ANTI-RELIGIOUS BELIEFS OR TAKE POSITIONS ON ISSUES THAT SUGGEST A RESPONSE FROM RELIGIOUS PEOPLE.

I BELIEVE IT IS IMPERATIVE THAT THE ADMINISTRATION ENTER THIS CASE AS A FRIEND OF THE COURT ON THE SIDE OF THE LUBBOCK SCHOOL DISTRICT. THE SUPREME COURT'S DECISION EARLIER THIS YEAR IN WHICH IT ALLOWED RELIGIOUS GROUPS TO MEET ON COLLEGE CAMPUSES ON GROUNDS OF FREE SPEECH GUARANTEES IN THE CONSTITUTION IS JUST AS APPROPRIATE FOR HIGH SCHOOLS, SO LONG AS THE CLUBS, GROUPS, OR INDIVIDUALS ARE MEETING BEFORE OR AFTER SCHOOL HOURS AND NO ONE IS COMPELLED TO ATTEND. THE COURTS MUST NOT BE ALLOWED TO RULE ON THE CONTENT OF SPEECH, EXCEPT IN CASES OF LIBEL OR SPEECH THAT LEADS TO PHYSICAL HARM (CRYING "FIRE" IN A CROWDED THEATRE WHEN THERE IS NO FIRE).

WE CONGRATULATE THE JUSTICE DEPARTMENT FOR ITS EXCELLENT ARGUMENTS BEFORE THE SUPREME COURT ON THE ABORTION QUESTION AND HOPE THAT A DECISION WILL BE MADE IN FAVOR OF ENTERING THE LUBBOCK CASE. IT IS A CASE WITH GRAVE CONSEQUENCES FOR ALL OF US. THE COURTS MUST NOT BE ALLOWED TO DETERMINE THAT THE CONTENT OF FREE SPEECH MAY BE LIMITED.

Dear Mr. Deaver:

Today's Washington Post carried a front-page story on the conclusions held by the President's staff that he is being misrepresented as insensitive to the poor. The enclosed press release offers an immediate and dynamic opportunity for the President to clarify that volunteerism is working and to challenge other religious leaders and concerned Americans to emulate Jerry Falwell's example. Letters and copies of this release have gone to Vice President Bush, Secretary Schweicker, Jim Baker, and Morton Blackwell, among others. So far, no interest has been expressed in this ready-made opportunity for the President.

I truly believe that if a high-ranking official would be present for the launch of this program, the national press coverage and the impact that would ensue would help the President strike against his critics who want him to fail.

I hope you will find the opening of the Family Center worthy of your attention.

Dear Mr. Baker:

On Sunday, January 31, 1982, our Old-Time Gospel Hour television program will deal with the critical, and most certainly, the highly controversial subject of abortion. I believe that your viewing of this program would provide you with invaluable insight regarding the views of an extremely large and crescive segment of the populace.

I believe that the abortion of human life can be called America's "national sin." You will see in this program that we are launching what we believe to be a practical alternative to abortion.

The television stations which carry our program in the Washington, D.C. area are listed below. If you happen to be away over the weekend, you can check the TV listing under "Jerry Falwell" or "Old-Time Gospel Hour" for the local station and time wherever you may be.

I respect and admire you for the work you do. I know many of the issues you deal with each day are complicated. Please know that I pray for you often, asking God to give you wisdom and guidance as you make difficult decisions.

If possible, I would like to have your thoughts after you see the program.

It was good of you to send Dr. Van Impe's book to the President's attention. President Reagan is also concerned about voluntary prayer in public schools and I have enclosed some information which may be of interest to you.

The President appreciates the time you have taken to send in your views. He is always pleased to hear from concerned citizens with all points of view as he has instructed his advisors to act in the interest of all our people.

Dear Dr. Falwell:

Thank you for your recent letter in which you recommend Mrs. Flo Traywick for a position on Mrs. Reagan's White House staff.

Your recommendation is greatly appreciated, and Mrs. Traywick will be given every consideration, in the event there are future openings on the First Lady's staff.

With all best wishes,

Mrs. Traywick's experience as a legislative aide in Virginia's General Assembly, and her professional work experience, make her well qualified for a White House staff position.

Her conservative philosophies are reflected in her political law views at the state and local levels. I believe Mrs. Traywick's professional and legislative experience make her a valuable asset to the First Lady's staff.
