TO: All Travelers With Secretary Haig's Party  
FROM: LaRae H. Washington, M.D. *LHW*  
SUBJECT: Medical Advisory - Cancun

Tap water and ice are not potable. Boiling tap water for 10 minutes before drinking eliminates bacteria and most viruses. Since we will not be in a position to do this, drink hot beverages (tea, coffee) or sealed, bottled water. Bottled soft drinks, wine, or beer are usually safe.

All meats and vegetables should be cooked before eating. Salads are a good reservoir for bacteria and are not safe.
