SUBJECT: COURIER PLANES

Because of the duration of the President's visit to California next month, it will be necessary to schedule a number of courier planes between Washington and California. These planes will guarantee the flow of information to the President and can be used to ferry key staff.

WASHINGTON

August 4, 1981

MEMORANDUM FOR THE SENIOR STAFF

FROM: RICHARD G. DARMAN 

SUBJECT: California Visit

As you know, the President is scheduled to leave for California at the end of this week. He will remain there through the end of the month -- spending the week of August 17th in the Los Angeles area, and most of the rest of the time in the Santa Barbara area. The following information may be of interest to you in this respect.

(1) General Pattern of Relations Between California Offices and White House Offices

The overwhelming majority of the White House staff will remain in Washington. Each staff office in the White House will function as it ordinarily does -- although in some cases Deputies will be in charge. Telecommunications will, of course, provide necessary connection between Washington activities and California activities. Final coordination of Presidential staffing, scheduling, decision-making, and communication will be managed from the West Coast.

(2) Overall Responsibility for Direction of Staff Activities in California

At all times, at least one of Messrs. Meese, Baker, and Deaver will be in California and in charge. The current schedule calls for: Mike Deaver to be present in California from departure through August 16; Ed Meese to be present from August 16 through August 27; and Jim Baker to be present from August 16-19 and from August 28 to the completion of the trip.

(3) Responsibility for Coordination of Papers and Briefings for the President

In Washington, all staffing should proceed as it ordinarily would -- with coordination, as appropriate, by the Office of Cabinet Administration, the Office of the National Security Adviser, and my office. When documents are ready for transmittal to the President, they should ordinarily be forwarded through my office in Washington, which will arrange for electronic transmission or courier delivery as appropriate.

In emergencies, the Situation Room will, of course, follow its standard practices. Please note: Given limited DACOM transmission capabilities, and the substantial increase in expected demand, it is important that you be particularly economical and considerate in your requests for use of this service.

In California, there will be resident at all times a representative of the coordinating offices referred to above. Final clearance and coordination of all communications to the President will be managed in accord with the standard procedures that ordinarily apply in Washington.

(4) Presidential Scheduling While in California

A tentative Presidential schedule is attached. Additional detailed scheduling will be arranged, as in Washington, through Mike Deaver, or in his absence, through Joe Canzeri.

(5) Press Relations in California

There will be a press center in both Santa Barbara and Los Angeles. Either Larry Speakes or Dave Gergen (and at times both) will be present and in charge. Coordination with the California press operations should be managed as in Washington.

(6) Travel To and From California

Planes are currently scheduled as follows:

<u>Aircraft</u>	<u>Date</u>	<u>Time</u>	<u>Destination</u>
AF-1 (27000)	August 6	3:30 pm	Andrews AFB to Point Mugu
C-9	August 16	7:30 pm	Andrews AFB to Oklahoma City (Tinker AFB to Santa Barbara
C-9	August 17	3:00 pm	Santa Barbara to Andrews AFB
C-140	August 22	11:00 am	Andrews AFB to Santa Barbara
C-140	August 22	2:00 pm	Santa Barbara to Andrews AFB
C-140	August 28	7:00 am	Andrews AFB to Houston to Santa Barbara
C-140	August 28	1:00 pm	Santa Barbara to Andrews AFB

Staff thought to be required in California have already been consulted -- and are being scheduled on these flights insofar as practicable. If there are additional needs for travel and accommodations, please contact John Rogers.

Attachment: tentative Presidential schedule for August.

MEMORANDUM TO MICHAEL K. DEEVER ✓
JOSEPH W. CANZERI ✓

FROM: ED ROLLINS *sd*

SUBJECT: California Political Events

The three California political fundraisers are being sponsored jointly by the California Republican Party and the California State Republican Legislature (Senate and Assembly Republican Caucuses). The net proceeds will be split among the three groups to be used for State and legislative races in 1982. It was my decision to exclude congressional races to avoid conflicts with Federal election laws governing corporate contributions. Twenty percent of the gross or \$50,000 maximum will be paid to the Republican National Committee to help offset the cost of The President's trip to California. All other costs of sponsoring the events will be assumed by the three California political entities.

A separate political committee, "Target 1982," has been set up for this event and all monies will go into that account (Identification number 810 759). Attorney John Hodgson of the law firm of Dobbs and Neilsen of Sacramento is the committee treasurer (916) 466-6752.

Barbara Brooke of Brooke Associates of Orange County is coordinating all three events. Barbara is an associate of Stu Spencer and until recently, a partner in Stu's firm, Carpentier and Spencer. She is probably California's premier fundraiser. She can be reached at (714) 549-3829.

Working with her as contact point for the State party is Tim Roper, Finance Director for the party, (213) 842-4858; for the State Senate, Allan Hoffenblum, (213) 641-5183; for the State Assembly, Tony Marsh, (916) 445-7795.

The three events are the following:

Dear Mr. Quensel:

Nancy and I want to thank you very much for the handsome oak table which we received during our recent stay in Santa Barbara. We are delighted to have this thoughtful remembrance for use at our ranch, and your generous gesture of friendship is greatly appreciated. Again, many thanks.

With our warm best wishes,
