MEMORANDUM FOR: THE PRESIDENT
FROM: DAVID A. STOCKMAN *DS*
SUBJECT: PROPOSED EXECUTIVE ORDER ENTITLED
"JOINT MEXICAN-UNITED STATES DEFENSE
COMMISSION"

SUMMARY. Enclosed for your consideration is a proposed Executive order that would add a Marine Corps member to the Joint Mexican-United States Defense Commission.

BACKGROUND. In 1942 President Franklin D. Roosevelt and the President of the Republic of Mexico established the Joint Mexican-United States Defense Commission to:

- o study problems relating to the common defense,
- o consider broad plans for the defense of Mexico and adjacent areas of the United States, and
- o propose cooperative measures which should be adopted by the two governments.

The United States membership of the Commission is currently composed of three members designated by the Secretary of Defense; one each from the Army, the Navy and the Air Force.

The Department of Defense believes that the Commission's purposes would be best served by adding a representative from the Marine Corps to the United States representation on the Commission. The Deputy Secretary of Defense reports that the Mexican delegation to the Commission is in accord with this change in the United States membership.

The Department of State and the National Security Council staff concur in this proposal.

RECOMMENDATION. I recommend that you sign the proposed Executive order.

THE SECRETARY OF DEFENSE

WASHINGTON, THE DISTRICT OF COLUMBIA

5 MAY 1982

Honorable David A. Stockman
Director, Office of Management
and Budget
Washington, D.C. 20503

12 MAY 6 10:34

Dear Dave:

In accordance with Executive Order 11030, enclosed is a proposed Executive Order to provide for designation of a member of the United States Marine Corps as a member of the Joint Mexican-United States Defense Commission.

Executive Order 9080, dated February 27, 1942, authorized creation of the joint commission on the part of the United States. The third paragraph of the order appointed two individuals by name as members of the commission. Section 1 of Executive Order 10692, dated December 22, 1956, amended the third paragraph of Executive Order 9080 to provide for designation by the Secretary of Defense of a member of the Army, the Navy, and the Air Force as members of the commission. There is no corresponding provision relating to the Marine Corps.

The purpose of the commission, as stated in the second paragraph of Executive Order 9080 are:

"to study problems relating to the common defense of the United States and Mexico, to consider broad plans for the defense of Mexico and adjacent areas of the United States, and to propose to the respective governments the cooperative measures which, in its opinion, should be adopted."

We believe that, in light of the commission's purposes, representation from the United States Marine Corps in the membership of the commission would be appropriate. The Mexican delegation is in accord.

Section 1 of the enclosed proposed Executive Order would amend the third paragraph of Executive Order 9080, as amended, to provide that the Secretary of Defense shall

12609

designate a member of the Marine Corps as well as a member of the Army, the Navy, and the Air Force as members of the commission. Section 2 of the proposed order would make clear that section 1 is not intended to terminate the tenure of any person who is serving on the commission on the date of issuance of the order, but that such tenure continues to be at the pleasure of the Secretary of Defense.

Sincerely,

Frank C. Carlucci
Deputy Secretary of Defense

MEMORANDUM FOR: THE PRESIDENT
FROM: DAVID A. STOCKMAN *DS*
SUBJECT: PROPOSED EXECUTIVE ORDER ENTITLED
"JOINT MEXICAN-UNITED STATES DEFENSE
COMMISSION"

SUMMARY. Enclosed for your consideration is a proposed Executive order that would add a Marine Corps member to the Joint Mexican-United States Defense Commission.

BACKGROUND. In 1942 President Franklin D. Roosevelt and the President of the Republic of Mexico established the Joint Mexican-United States Defense Commission to:

- o study problems relating to the common defense,
- o consider broad plans for the defense of Mexico and adjacent areas of the United States, and
- o propose cooperative measures which should be adopted by the two governments.

The United States membership of the Commission is currently composed of three members designated by the Secretary of Defense; one each from the Army, the Navy and the Air Force.

The Department of Defense believes that the Commission's purposes would be best served by adding a representative from the Marine Corps to the United States representation on the Commission. The Deputy Secretary of Defense reports that the Mexican delegation to the Commission is in accord with this change in the United States membership.

The Department of State and the National Security Council staff concur in this proposal.

RECOMMENDATION. I recommend that you sign the proposed Executive order.
