DEATH OF GENERAL BRADLEY

#4832
- - - - -

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA

A PROCLAMATION

To the People of the United States:

With sadness, I announce the death of General of the Army Omar Nelson Bradley, who died yesterday in New York City.

For sixty-nine years General Bradley wore the colors of an American soldier -- with courage, integrity, professionalism and, above all, honor. Even as he rose in rank, humility never left his side. He was the "G.I.'s General" because he was, always, a G.I.

In World War II his conspicuously brilliant leadership thrust him to the top of the U.S. military command. Whether at Normandy, North Africa, or Sicily, the Bradley command always meant good fortune for freedom's defenders.

General Bradley's memory will be revered by his countrymen. He left to us exemplary qualities that long will be the standard of every soldier who takes the solemn pledge to defend this Nation.

As a mark of respect for the memory of General Bradley, I hereby order that the flag of the United States shall be flown at half-staff upon all public buildings and grounds, at all military posts and naval stations, and on all naval vessels of the Federal Government in the District of Columbia and throughout the United States and its Territories and possessions until his interment. I also direct that the flag shall be flown at half-staff for the same length of

time at all United States embassies, legations, consular offices, and other facilities abroad, including all military facilities and naval vessels and stations.

IN WITNESS WHEREOF, I have hereunto set my hand this ninth day of April, in the year of our Lord nineteen hundred and eighty-one, and of the Independence of the United States of America the two hundred and fifth.

STATEMENT BY THE PRESIDENT

I join all Americans in mourning the death of General of the Army, Omar N. Bradley. For sixty-nine years he wore the colors of an American soldier -- with courage, integrity, professionalism and, above all, honor. Even as he rose in rank, humility never left his side. He was the "G.I.'s General" because he was, always, a G.I.

General Bradley's memory will be revered by his countrymen. He left to us exemplary qualities that long will be the standard of every soldier who takes the solemn pledge to defend this Nation.

Nancy and I were honored to have Omar Bradley as our friend and honored that one of his last public appearances was at my Inauguration. Both of us extend to General Bradley's family our deepest sympathies.

Proclamation 3579**DEATH OF GENERAL MacARTHUR****By the President of the United States of America****A Proclamation**

To the People of the United States:

With deep regret, I announce the death of General of the Army Douglas MacArthur, who died today at Walter Reed Army Medical Center in Washington, D.C.

As one of the most distinguished soldiers in the history of the United States, General MacArthur dedicated his entire life to selfless service in the defense of freedom. He was a living embodiment of the code which he so eloquently expressed—duty—honor—country.

Outstanding performance of duty and conspicuous leadership marked his career, which included service as Chief of Staff and Commander of the Rainbow Division in World War I, as Chief of Staff of the United States Army from 1930 through 1935, as commander of the forces which liberated the Philippines in World War II, as Supreme Commander for the Allied Powers in Japan, and as Commander of the United Nations forces in Korea. We will forever be indebted to him for his integrity, his courage, and his brilliant accomplishments as a soldier and citizen; we will never forget that his ultimate goal was peace among men.

As a mark of respect for the memory of General MacArthur, I hereby order that the flag of the United States shall be flown at half-staff in the District of Columbia and throughout the United States and its territories and possessions, upon all public buildings and grounds, at all military posts and naval stations, and on all naval vessels, until after his funeral shall have taken place. I also direct that the flag shall be flown at half-staff for the same length of time at all United States embassies, legations, consular offices, and other facilities abroad, including all military facilities and naval vessels and stations.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the United States of America to be affixed.

DONE at the City of Washington this fifth day of April in the year of our Lord nineteen hundred and sixty-four, and of the [SEAL] Independence of the United States of America the one hundred and eighty-eighth.

Proclamation 3322

DEATH OF GENERAL MARSHALL

To the People of the United States:

With sadness, I announce the death of General of the Army George Catlett Marshall, who died today at Walter Reed General Hospital in Washington, D.C.

As soldier and statesman, General Marshall devoted his entire life to selfless service to his Nation. To his resolution and strength of purpose, his steadfast courage and wise decision, this Nation, and indeed the Free World, are deeply indebted for survival at a time of great peril, for the safeguarding of freedom, and for the strengthening of peace.

In World War II, as Chief of Staff of the Army, his was the military responsibility to bring into being and commit to combat the largest Army force, ground and air, in our Nation's history. In a war of global dimensions, he was a principal architect of our military strategy and of the ultimate allied victory.

Called subsequently to serve as Secretary of State and as Secretary of Defense, he met new dangers and bore new responsibilities, increasing yet further our country's debt of gratitude to him. A fitting tribute to his greatness will endure in the memory of the noble plan which bears his name, by which the American people took a vital part in rebuilding and restoring to strength friendly countries torn and ravished by the war.

As a mark of respect for the memory of General Marshall, I hereby order that the flag of the United States shall be flown at half-staff upon all public buildings and grounds, at all military posts and naval stations, and on all naval vessels of the Federal Government in the District of Columbia and throughout the United States and its Territories and possessions until after his funeral shall have taken place. I also direct that the flag shall be flown at half-staff for the same length of time at all United States embassies, legations, consular offices, and other facilities abroad, including all military facilities and naval vessels and stations.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the United States of America to be affixed.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA

A PROCLAMATION

To the People of the United States:

With sadness, I announce the death of General of the Army Omar Nelson Bradley, who died yesterday in New York City.

For sixty-nine years General Bradley wore the colors of an American soldier -- with courage, integrity, professionalism and, above all, honor. Even as he rose in rank, humility never left his side. He was the "G.I.'s General" because he was, always, a G.I.

In World War II his conspicuously brilliant leadership thrust him to the top of the U.S. military command. Whether at Normandy, North Africa, or Sicily, the Bradley command always meant good fortune for freedom's defenders.

General Bradley's memory will be revered by his countrymen. He left to us exemplary qualities that long will be the standard of every soldier who takes the solemn pledge to defend this Nation.

As a mark of respect for the memory of General Bradley, I hereby order that the flag of the United States shall be flown at half-staff upon all public buildings and grounds, at all military posts and naval stations, and on all naval vessels of the Federal Government in the District of Columbia and throughout the United States and its Territories and possessions until his interment. I also direct that the flag shall be flown at half-staff for the same length of time at all United States embassies, legations, consular offices, and other facilities abroad, including all military facilities and naval vessels and stations.

IN WITNESS WHEREOF, I have hereunto set my hand this ninth day of April, in the year of our Lord nineteen hundred and eighty-one, and of the Independence of the United States of America the two hundred and fifth.

Re: Passing on a suggestion

You're hearing a lot about this already, I'm sure, but I promised Bob Mendelsohn I would send along...

He recommends that the President attend the Sadat funeral. He feels P. should be able to go anywhere in the world, with proper preparations, and that it would say the right things internationally.

Bob says a lot of his fellow Democrat friends in positions of substance around town feel the same way.

Dear Rep. Foley,

We believe The Saudis have been as good friends as possible to us and to Israel. We should not make them lose face with the rest of the Arab World. We believe it will reassure the new Egyptian Regime if we knit a closer tie to the Saudis.

We should stand, without doubt behind Israel, but we must not let them make our decisions or tie our hands.

America must get and stay militarily strong. We like the new confident image.

The scriptures say, "The enemy will say, let us not go to battle against Zion for the inhabitants of Zion are terrible." This image has stood Israel in good stead. That includes America. If we let Egypt and the Saudis down they will have no place to turn but Russia.

Sincerely,

Elva S. Brinkerhoff

Elva S. Brinkerhoff

P.S. We believe THE PRESIDENT and THE FIRST LADY should forget protocol (if it differs) and go to Sadat's funeral. Sadat wasn't afraid of setting aside rules. He was a true friend. President Carter and Mrs. Carter should go, too. And that shouldn't put THE REGANs nose out of joint.

Attn: Letters to the Editor

Dear Sir;

Please publish the following letter in the Letters to the Editor Section of the Caller Times at your earliest convenience:

WHY?

In all my days here on the earth world leadership is at the lowest ebb ever. Old Breshnev kicks the bucket and all of the two-bit dictators and riff-raff of the Communist World head for Moscow.

The minute he died, wire services went to talking on the radio and the networks went to discussing who was going to represent the United States government at the funeral. I wish President Reagan would have kept Bush and Schultz at home; I wouldn't have burned one quart of kerosene by sending or going to the bastard's funeral.

We here in the United States and a few more Countries in Europe have made the evils of Communism work by paying their bills and selling them goods.

Bi-ignorant Jimmy Carter stated that Breshnev was obsessed by the fact that Hitler killed twenty million Russians. I wonder if ole dumb Jimmy asked how many Russians died by the bullet since Lenin and the brutal Joseph Stalin and the rest of the gang took over just because they hinted at the word, "Freedom."

There have always been a few butchers running around on Earth; the first one was Genghis Khan, but since World War I ended, the leaders of Russia and China would make him look like Ned in the first grade.

Attn: Letters to the Editor

The biggest liars on Earth have been Stalin, Krushchev and Breshnev; they wave their peace wand and we sell them more dozers and grain, and in the next breath they call us imperialist and tell their buddies that we will be destroyed.

The Communist world is bloody; ruled by guns and a careless bunch of bastards who will destroy anyone that is in their way.

We have had one President in the United States since I have been around that called the leaders of Poland a bunch of crooks and he also said that you couldn't trust Russia. Well, Mr. Reagan, I personally thank you for that, but we should never help any Communist country and when they run out of food, the masses will take over and throw the likes of Breshnev in the ditch. Some of these days we are going to wakeup and wonder why all that we have done has amounted to so little with other countries. We have been backing up and giving since the Malta Conference and the likes of Mao and Breshnev have buddies all around us.

Our government is run like a man carrying all the one hundred dollar bills he can possibly carry, and he bends over to pick up one more, and you know what happens.

Respectfully,

Bobby W. Whittington

Dear President and Mrs. Reagan:

Words will never express adequately our deep appreciation to you for your thoughtfulness throughout the illness of His Eminence and, extending through our time of great bereavement. You have been true and reliable friends and we of the Cardinal's household, as well as so many others who have observed your relationship with His Eminence, will hold in lasting gratitude your warm and authentic concern as a lesson to be imitated in our lives.

Your beautiful bouquet of flowers was placed in front of Our Lady of New York in the Lady Chapel for the Wake and Funeral of His Eminence. It was his favorite Chapel in the Cathedral and was a fitting place for your prayers to be represented.

With assurances of our continued personal prayers for you both as you do so much good for so many, I remain

Sincerely in Our Lord,

Edwin F. O'Brien
