The compliments on the Galas are still coming in and the general consensus is that both were the best shows to be seen in this town for many a day!

Dear Don:

I am very grateful for the part you played in helping to make my Inauguration so memorable. Despite the historic chill that settled over Washington, your participation made this a heartwarming experience. The compliments on the Galas are still coming in and the general consensus is that both were the best shows to be seen in this town for many a day!

Nancy and I are delighted that you could share this special time with us and we send our appreciation and our warm regards.

Sincerely,

Dear President and Mrs. Reagan,

What a thrill it was to be able to participate in the festivities honoring your inauguration. Thank you with all my heart for asking me to join such a wonderful group of colleagues on such a special night. It is such a joyful time to be an American, even with all the suffering and unrest in the world, and I think we have you to thank for feeling proud of everything this country stands for.

One of the wonderfully noticeable feelings we had backstage last week was

not; will I be good and well. I succeed as a performer,  
but rather how lucky it is to be here, to have  
a chance to express our gratitude to you and  
Mrs. Reagan.

With every happy wish and many, many thanks  
as well for a lovely visit to the White House.

Sincerely,

Fischer von Steck Eekus
