MEMORANDUM FROM THE VICE PRESIDENT

TO: John Herrington
SUBJECT: Amory Houghton, Jr.

As you know, Amory Houghton has recently retired at the age of 56 as Chairman of Corning Glass.

In addition to his outstanding business record, his political credentials are also in excellent order. He was a charter member of the Eagles in 1975 and has remained an active member over the years.

He is now eager to serve in the Administration in a full-time capacity. Given his record of achievement, * as well as his availability, it would be a real loss if we let this one get away.

At the minimum I would recommend appointing him to a prestigious board or commission until or unless an appropriate full-time position is available.

Thank you for your personal consideration of this matter. It is a top priority with me.

* He served on the Private Sector group -
