MEMORANDUM FOR ALAN C. RAUL

FROM: ARTHUR B. CULVAHOUSE, JR. *AC*

SUBJECT: Responsive Items from Kathleen Osborne's
Files

Attached are two items handed to me directly by Kathy Osborne reflecting her search of the President's personal office files in response to the search criteria set forth in my March 27 memorandum. I assume that these items constitute the entirety of the responsive items but you may wish to confirm that with Kathy since she indicated she was continuing her search and would get back to me if additional responsive items were found.

It think it important that these documents be delivered in conjunction with the delivery of other White House documents and not as a separate submission.
