THE WHITE HOUSE

WASHINGTON

April 10, 1987

MEMORANDUM FOR THE FILE

FROM: JAY B. STEPHENS
DEPUTY COUNSEL TO THE PRESIDENT

RE: Telcon With S/A [REDACTED] - FBI

[REDACTED] called to inquire about the source of an April 1986 document entitled "Release of American Hostages in Beirut", which was transmitted to the House Select Committee on Intelligence on December 12, 1986.

I advised him that we had received this same inquiry from John Niels; [REDACTED] indicated he also had been contacted by Niels on this matter. I advised [REDACTED] that to the best of our knowledge, this document appeared to have been provided to Counsel's Office by the Department of Justice, who had obtained it in the course of their weekend review of the Iran-Contra matter. I noted that I could not be sure of the source of this document, but that I did not believe it had come directly from Lt. Col. North's suite, since it did not have FBI markings on it, and since we had not removed any documents from his suite prior to FBI review. I noted it was possible this had come from a request to NSC for responsive documents, but I doubted this was the source.

We discussed briefly the handwritten markings on the document and its attachment; in particular, we compared the numerical markings on the first page and the word "Sandinista" on page four.

PERMANENT SELECT COMMITTEE ON INTELLIGENCE

WASHINGTON, DC 20515

December 15, 1986

THOMAS K. LATIMER, STAFF DIRECTOR
 MICHAEL J. O'NEIL, CHIEF COUNSEL
 STEVEN K. BERRY, ASSOCIATE COUNSEL

The President
 The White House
 Washington, D. C. 20500

Dear Mr. President:

The Permanent Select Committee on Intelligence is continuing its investigation of covert arms sales to Iran and related matters. The Committee has conducted a series of hearings to date focusing principally on the role of the U.S. intelligence community in supporting the Iran operation. The Committee has reached a point in its investigation where it wishes to acquire a better understanding of events of interest within the National Security Council and the White House.

Mindful of your pledge of full cooperation with Congressional investigation of the Iran operation, the Committee requests the production of all records, documents, recordings, or other materials referring to or concerning:

- meetings between William J. Casey and Robert M. Gates with Vice Admiral John M. Poindexter on or about October 7, October 15, or November 6, 1986 relating to concerns about the security or possible diversion of funds from the Iran operation;
- a draft Presidential Finding transmitted by William J. Casey to Admiral John M. Poindexter on November 26, 1986;
- meetings of the National Security Council or National Security Planning Group concerning the Iran operation, any draft Presidential Finding authorizing the sale of arms to Iran, any discussion of meetings between U.S. and Iranian representatives from January 1, 1985 through December 15, 1986, concerning arms sales to Iran or the release of U.S. hostages;
- the use by, or diversion to, the contras or any source other than the U.S. Treasury of proceeds from sales of arms to Iran;
- any request from any member of the NSC staff to the Central Intelligence Agency or the Department of Defense for assistance in connection with arms sales to Iran or the release of U.S. hostages held in Lebanon;
- Any legal issue arising from the sale of arms to Iran or the diversion of the proceeds from such sales;

- any telephone or message communications, either secure or unsecure, of Lieutenant Colonel Oliver L. North or Lieutenant Colonel Robert Earl between January 1, 1985 and December 15, 1986 relating to Iran, U.S. hostages, or the contras;
- the nature and terms of employment or association, including salary or remuneration, with the National Security Council or the White House for the following individuals: Richard V. Secord, Albert Hakim, Robert Dutton, Raphael Quintero, Charles P. Tyson, Robert Lilac, or Michael Ledeen.

In addition, the Committee requests any records of telephone calls to or from Lieutenant Colonel North between January 1, 1985 and December 15, 1986.

The Committee also desires to interview the following NSC or White House officials:

Lieutenant Colonel Robert Earl, USMC
Howard Teicher
Paul Thompson
Don Gregg
Wilma Hall
Fawn Hall
Lieutenant Colonel Douglas Menarchik

These interviews would be conducted by the Committee's staff. The Committee may seek to interview other NSC or White House officials in the future.

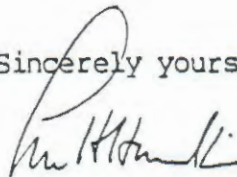

In addition, the Committee wishes to receive the testimony of Donald Regan, and may wish to call any of the above-listed individuals as witnesses, on Thursday, December 18, 1986.

The Committee's point of contact for this request is Michael J. O'Neil, Chief Counsel.

It is my hope that the White House's prompt response to this request will aid the Committee's inquiry and permit the swift conclusion of its investigation into these matters.

With best wishes, I am

Sincerely yours,

Lee H. Hamilton
Chairman
