MEMORANDUM FOR FRED F. FIELDING

FROM: JOHN G. ROBERTS *JGR*

SUBJECT: Appointment of John F. W. Rogers to the
Advisory Council on Historic Preservation

I have reviewed the Personal Data Statement submitted by John F. W. Rogers in connection with the above-referenced prospective appointment, and have no objection to proceeding with the appointment. The functions of the Advisory Council on Historic Preservation include advising the President and Congress on historic preservation, promoting private sector interest in historic preservation, advising states and localities concerning historic preservation legislation, reviewing the pertinent programs and policies of Federal agencies, and preparing an annual report on Council activities. The composition of the Council is specified in 16 U.S.C. § 470i(a) and includes "the Secretary of Agriculture and the heads of four other agencies of the United States...the activities of which affect historic preservation, appointed by the President."

In a memorandum to you dated June 18, 1984, Mr. Garrett concluded that the Office of Administration (OA) is an "agenc[y] of the United States" and that Mr. Rogers could be considered the "head" of that agency, even though Reorganization Plan No. 1 of 1977, establishing OA, specified that it "shall be headed by the President." You advised John Herrington on June 18 that the President could appoint the Director of OA to this Council. In light of this advice the only remaining question is whether anything on Mr. Rogers' PDS precludes his appointment. Mr. Rogers represents the President on the Board of Trustees of the U.S. Capitol Historical Society and is a member of the Board of Trustees of the National Building Museum. It is remotely conceivable that these associations could present a conflict of interest at some point with respect to a particular matter before the Council, in which case Mr. Rogers will be required to recuse himself, but in light of the general advisory functions of the Council the associations hardly present a hurdle to his appointment.

MEMORANDUM FOR DIANNA G. HOLLAND

FROM:

JOHN G. ROBERTS 

SUBJECT:

Appointments of Albert Anderson, Jerry Larson, James Bopp and Reappointments of Lee Christoferson and Ruth Warson to the President's Committee on Mental Retardation

I have reviewed the Personal Data Statements submitted by the above-named individuals in connection with their prospective appointments or reappointments to the President's Committee on Mental Retardation (PCMR). The PCMR, established by Executive Order 11776, provides advice to the President on mental retardation, Federal programs in the area, and the development and dissemination of information on mental retardation. The PCMR submits an annual report to the President on mental retardation.

Pursuant to section 2 of Executive Order 11776, several Cabinet members serve on the Committee ex officio, and the President may appoint "[n]ot more than twenty-one other members...employed in either the public or the private sectors...includ[ing] specialists in medicine and other healing arts, human development, special education, law, and employment problems, as well as members of foundations and other private organizations active in the mental retardation field."

Jerry P. Larson is a social worker from Chicago, employed by the State of Illinois as director of a mental health rehabilitation program. Ruth Warson is a clinical nursing instructor with a background in special education; she is being reappointed to the Committee. Albert LeRoy Anderson is a pediatric dentist from San Diego. While this does not of itself suggest any particular qualification for the PCMR, Mr. Anderson has served on several medical and health boards with broader responsibilities than pediatric dentistry, including Governor Reagan's state advisory health council. Nothing in the PDSs of Larson, Warson, or Anderson presents any difficulties.

Lee A. Christoferson is a physician and chairman of the Department of Neurology Science at the University of North Dakota. He indicates on his PDS that he testified for the defense against his friend Senator Mark Andrews (R-ND) in

the somewhat celebrated medical malpractice suit brought by Andrews after the death of his wife. Although this may affect Christoferson's relationship with Andrews it does not appear to present any obstacle to his reappointment to this Committee.

James Bopp was recently (February 1984) cleared by Mr. Garrett for a PAS position as a member of the National Advisory Council on Women's Educational Programs. A copy of the clearance memorandum is attached, indicating that Mr. Bopp has been active in the right-to-life movement and may attract some controversy on that score. Mr. Bopp is an attorney active in the health area, and as such falls within one of the specified categories of appointees to the PCMR.

I have not yet received PDSs from Anne Seggerman or Linda Emery.

National Cancer Advisory Board Appointments
and Correspondence From Senator Specter

B6

You will recall that Senator Specter wrote the President (and sent you a copy of the letter) back when the controversy over the prospective appointment of [REDACTED] to the National Cancer Advisory Board first developed. Specter noted in his letter that [REDACTED] qualifications had been questioned and requested a careful inquiry into the questions that had been raised. As you know [REDACTED] prospective appointment was aborted; we agreed to wait until the full slate of appointees was announced and then inform Specter of the appointments, noting that [REDACTED] was not among them. Unfortunately the process was delayed at Presidential Personnel. While five appointees were announced on May 15, the sixth -- [REDACTED] -- was not announced until July 20 (even though you cleared [REDACTED] in a memorandum to Herrington dated June 12). In any event, all the vacancies on the Board have now been filled, and we can so advise Specter. A draft letter doing so is attached.

MEMORANDUM FOR JOHN S. HERRINGTON
ASSISTANT TO THE PRESIDENT
FOR PRESIDENTIAL PERSONNEL

FROM: FRED F. FIELDING (Orig. signed by FFF)
COUNSEL TO THE PRESIDENT

SUBJECT: Appointments of David Korn, Louise C. Strong, Gertrude Elion, Helene Brown, and Reappointment of Roswell K. Boutwell as Members of the National Cancer Advisory Board

Counsel's Office has reviewed the Personal Data Statements submitted by the above-referenced prospective appointees to the National Cancer Advisory Board. Of the 18 members appointed by the President to the Board, no more than 12 may be scientists or physicians, no more than eight may be representatives of the general public, not less than five must be knowledgeable in environmental carcinogenesis, and at least two must be physicians primarily involved in treating cancer patients. 42 U.S.C. § 286b(a)(1). The background and qualifications of this latest group of prospective appointees cannot be assessed in a vacuum but must be considered together with the background and qualifications of the sitting Board members, to ensure that the composition of the total Board satisfies the statutory requirements.

Our office is of course not qualified to determine who is or is not "knowledgeable in environmental carcinogenesis," but we have been advised by Dr. Vincent DeVita, Director of the National Cancer Institute, that none of the members appointed in 1980 and 1982 satisfy this requirement. In filling the six vacancies created by expiration of terms on March 9, 1984, therefore, five of our appointees must be knowledgeable in environmental carcinogenesis. DeVita advises that Strong, Elion, Korn, and Boutwell meet this requirement; Brown does not. Whomever is chosen to replace Irving J. Salikoff and fill the sixth

vacancy thus must meet the carcinogenesis requirement.

MEMORANDUM FOR DIANNA G. HOLLAND

FROM: JOHN G. ROBERTS 

SUBJECT: Appointments of Larry Zarian, Tommy L. Tabor, William H. Taggart, Frank Ursomarso and Reappointments of Russell I. Brown, Joanne C. Kozberg, Michael L. Johnson, and Stuart J. Northrup

I have reviewed the Personal Data Statements submitted by the above-referenced individuals in connection with their prospective appointments or reappointments to the National Highway Safety Advisory Committee (NHSAC). Pursuant to 23 U.S.C. § 404(a)(1), the President may appoint 35 members of NHSAC. The statute provides that the appointed members "shall be selected from among representatives of various State and local governments, ...of public and private interests contributing to, affected by, or concerned with highway safety, ...and of other public and private agencies, organizations, or groups demonstrating an active interest in highway safety, as well as research scientists and other individuals who are expert in this field."

Of the prospective reappointees, Mr. Johnson is a county coroner, Mr. Ursomarso owns and manages a large automobile dealership, Mrs. Kozberg serves on the board of the Coro Foundation (in which capacity she initiated a study of the Los Angeles urban transit system), and Mr. Brown owns a consulting firm specializing in planning, administering, and evaluating public safety programs. All four continue to satisfy the statutory requirements for appointment to this committee. The act creating the NHSAC prohibits reappointment of any member who has served a three-year term, within one year following the end of his preceding term. 23 U.S.C. § 404(a)(2)(A). These four individuals were appointed on June 28, 1982, to fill the remainder of terms expiring on March 15, 1984. Since they have not served a full three-year term, the limited ban on reappointments does not apply to them. The ban arguably would apply if they continued to holdover past June 28, 1985, since they would then have served three years: just under two years of a term and the rest as holdovers. Since Presidential Personnel can move slowly, we should -- in what is probably an excess of caution -- advise that office that these reappointments must be made before June 28, 1985.

Of the new appointees, Mr. Taggart is active in the San Diego County Safety Council, Mr. Zarian serves on the Glendale City Council, Mr. Northrop is Chairman of the Huffy Corporation (world's largest manufacturer of bicycles), and Mr. Tabor is a Memphis policeman and former President of the Afro-American Police Association. All of the prospective new appointees satisfy the statutory requirements for appointment to the Committee.

I have reviewed the Personal Data Statements submitted by the above-referenced eight individuals, and have no objection to proceeding with these appointments and reappointments. I have not yet received a PDS from Carl Jefferson.
