Counsel's Office has reviewed the above-referenced proposed Executive Order. In line 7, "subsection 7(c)" should be changed to "Section 1(7)(c)." There is a Section 7 in Executive Order 11609, and the reference to "subsection 7(c)" may be taken to mean a subsection (c) of Section 7, instead of the intended subsection (7) of Section 1. There is also a subsection (7) of Section 9, and there is no reason to refer to Section 1 rather than Section 9 when cited to "subsection 7(c)." MEMORANDUM FOR: THE PRESIDENT

FROM: DAVID A. STOCKMAN 

SUBJECT: PROPOSED EXECUTIVE ORDER ENTITLED
"REIMBURSEMENT OF FEDERAL EMPLOYEE RELOCATION
EXPENSES"

SUMMARY. This memorandum forwards for your consideration a proposed Executive order which would implement a recent statute that modified the method of administering the program which provides relocation services to eligible federal employees.

BACKGROUND. Public Law 98-151 authorized the heads of individual agencies to enter into contracts to provide relocation services to transferring employees. The law also delegated to the President authority "to prescribe guidance pursuant to which each agency shall carry out its responsibilities . . .", but those guidelines were not legally binding. By Executive Order No. 12466 of February 27, 1984, the President's authority was delegated to the Administrator of General Services.

The Continuing Resolution for fiscal year 1985 (Public Law 98-473) amended the prior law by giving the President specific legal authority to determine the conditions under which agencies may enter into such contracts for relocation services. The proposed Executive order would amend the existing Order by delegating this new authority, with one exception, to the Administrator of General Services. At the request of the Director of Central Intelligence and with the consent of GSA, the proposal delegates authority to the Director to issue such regulations for the Central Intelligence Agency. The Director will exercise this authority after consultation with GSA.

Previous versions of the proposed order would have authorized the Director of Central Intelligence to promulgate regulations for other agencies within the intelligence community, but that provision was deleted at the request of the Department of Defense. As revised, none of the affected agencies has objected to the proposed Executive order.

RECOMMENDATION. I recommend that you sign the proposed Executive order.

The Honorable
Joseph R. Wright, Acting
Office of Management and Budget
Washington, D. C.

Dear Mr. Wright:

In accordance with Executive Order 11030, as amended, there is transmitted herewith a proposed Executive Order, together with seven copies, to repeal a subsection of Executive Order 12293 (46 FR 13969), as amended by Executive Order 12363 (47 FR 22497). Section 9(e) of the order provides for the Secretary of State to designate a chairman of the Board of the Foreign Service from among members who are career members of the Senior Foreign Service. Section 153 of P.L. 99-93 amended section 210 of the Foreign Service Act of 1980 (22 U.S.C. 3930) to provide that the President shall appoint that individual, who need not be a career member of the Senior Foreign Service.

It would be possible to retain section 9(e) in its present form as being both a delegation of the President's appointment authority and a limitation on the Secretary's delegated authority. To do so, however, would fly in the face of Congressional intent, so we propose deletion of this provision.

Sincerely,

A handwritten signature in black ink, appearing to read "Abraham D. Sofaer".

MEMORANDUM FOR DAVID L. CHEW

FROM: JOHN G. ROBERTS 
ASSOCIATE COUNSEL TO THE PRESIDENT

SUBJECT: Proposed Executive Order Entitled
President's Foreign Intelligence
Advisory Board

Counsel's Office has reviewed the above-referenced proposed Executive Order. Our formal clearance must await receipt of the formal clearance papers from the Department of Justice. At this point, however, the only problem I see is that "October 21" in the last sentence should be "October 20."

East, first by establishing and operating the tactical early warning system that made possible the second disengagement agreement between Egypt and Israel, and when that mission was successfully completed in January 1980, by undertaking during the interim withdrawal period the verification of Egyptian and Israeli adherence to the military limitations called for in their 1979 Peace Treaty.

This second peacekeeping role will end on April 25, 1982, the date established under the Treaty for the completion of Israeli withdrawal from the Sinai. At that time, the Sinai Field Mission will relinquish its verification responsibilities to the new Multinational Force and Observers being established to supervise implementation of the Treaty's security arrangements after Israel's withdrawal.

Funding for the Sinai Support Mission for Fiscal Year 1981 was authorized at \$16 million. Only \$10 million is being requested for Fiscal Year 1982, a level that will fund the Mission's operations during its final months and the projected costs of its phase out after April 25, 1982.

The role of the Sinai Support and Field Missions has been a concrete example of the United States' commitment to the achievement of a just and lasting peace in the Middle East. Our participation in the Multinational Force and Observers will be the next crucial step in the further promotion of that peace. I am counting on the continuing support of the Congress for our role in the peace process.

MEMORANDUM FOR: THE PRESIDENT

FROM: JAMES R. MILLER III

SUBJECT: PROPOSED EXECUTIVE ORDER ENTITLED "PRESIDENT'S
~~FOREIGN INTELLIGENCE ADVISORY BOARD~~"

SUMMARY. This memorandum forwards for your consideration a proposed Executive order, submitted by the National Security Council, that would reconstitute the President's Foreign Intelligence Advisory Board and reduce its membership from the current level to a maximum of 14 persons.

BACKGROUND. Executive Order No. 12331 of October 20, 1981 established the President's Foreign Intelligence Advisory Board within the Executive Office of the President. The Board was authorized to assess the quality, quantity, and adequacy of the United States intelligence and counterintelligence activities and advise the President about the objectives, conduct, management, and coordination of various activities of the agencies of the intelligence community. The Order did not specify a maximum number of members for the Board, nor did it establish terms for which the members would serve.

The National Security Council has concluded that the current extensive membership of the Board has proved unwieldy and therefore has determined that the number of members should be reduced. The proposed Executive order would reconstitute the Board and provide for a membership of fourteen persons. In all other significant respects, the proposed Executive order is identical to Executive Order No. 12331, which is hereby revoked.

None of the affected agencies has objected to the proposed Executive order.

RECOMMENDATION. I recommend that you sign the proposed Executive order.

EXECUTIVE ORDER

PRESIDENT'S FOREIGN INTELLIGENCE ADVISORY BOARD

By the authority vested in me as President by the Constitution and statutes of the United States of America, and in order to enhance the security of the United States by improving the quality and effectiveness of intelligence available to the United States, it is ordered as follows:

Section 1. There is hereby established within the White House, Executive Office of the President, the President's Foreign Intelligence Advisory Board (the "Board"). The Board shall consist of not more than fourteen members, who shall serve at the pleasure of the President and shall be appointed by the President from among trustworthy and distinguished citizens outside the Government who are qualified on the basis of achievement, experience, and independence. The President shall establish the terms of the members upon their appointment. To the extent practicable, one-third of the Board at any one time shall be comprised of members whose current term of service does not exceed two years. The President shall designate a Chairman and Vice Chairman from among the members. The Board shall utilize full-time staff and consultants as authorized by the President. Such staff shall be headed by an Executive Director, appointed by the President.

Sec. 2. The Board shall assess the quality, quantity, and adequacy of intelligence collection, of analysis and estimates of counterintelligence, and other intelligence activities. The Board shall have the authority to continually review the performance of all agencies of the Federal Government that are engaged in the collection, evaluation, or production of intelligence or the execution of intelligence policy. The Board

shall further be authorized to assess the adequacy of management, personnel, and organization in the intelligence agencies.

Sec. 3. The Board shall report directly to the President and advise him concerning the objectives, conduct, management, and coordination of the various activities of the agencies of the intelligence community. The Board shall report periodically, but at least semi-annually, concerning findings and appraisals and shall make appropriate recommendations for actions to improve and enhance the performance of the intelligence efforts of the United States.

Sec. 4. With respect to matters deemed appropriate by the President, the Board shall advise and make recommendations to the Director of Central Intelligence, the Central Intelligence Agency, and other government agencies engaged in intelligence and related activities, concerning ways to achieve increased effectiveness in meeting national intelligence needs.

Sec. 5. The Board shall have access to the full extent permitted by applicable law to all information necessary to carry out its duties in the possession of any agency of the Federal government. Information made available to the Board shall be given all necessary security protection in accordance with applicable laws and regulations.
