Could you please advise on this? I am particularly concerned about the last paragraph -- and don't know whether this is a non-profit charitable organization, political action organization, or what. Justin Dart is anxious to have this letter signed. (I gather he had it drafted.)

Marty Anderson knows of the organization and could perhaps give you relative further information.

Thank you.

SUGGESTED LETTER FOR THE PRESIDENT TO WRITE TO BILL SIMON AND JUSTIN DART IN CONNECTION WITH ENTERPRISE AMERICA

Dear Bill and Jus:

I'm delighted to hear of the formation of Enterprise America as a successor to the Center for the Study of Private Enterprise, formerly housed at the University of Southern California.

As you know, I have ~~worked closely with~~ ^{supported} this Center since 1977. I hope and feel sure that Enterprise America, acting independently, can and will further strengthen the economic well being of our country.

I will be pleased to help Enterprise America in any way ^{as possible} I ~~can~~, just as I have ^{done} ~~supported~~ the Center for the Study of Private Enterprise.

In this connection, I am happy to serve, as you suggested, as Honorary Chairman of Enterprise America, and welcome the opportunity to discuss with you from time to time the development and progress of this much needed educational effort.

Sincerely,

s/ Ronald Reagan

Dinner - This is an old matter which has resolved itself.

Aug. Brown wanted RR to become Honorary Chairman of the Freedoms Foundation. I called his AA for more info on two occasions. No response. Called again today and found out that the AA had resigned. So —

I started over with a new aide, who did get back to me this afternoon. She says RR has accepted the Chairmanship. All GOP president's since Ike have accepted. And the VP and NR will attend a ceremony this Wednesday.

∴ no further action necessary —
should I put this in memo to F^B ?

MEMORANDUM

THE WHITE HOUSE

WASHINGTON

May 17, 1983

MEMORANDUM FOR FRED F. FIELDING

FROM: JOHN G. ROBERTS *JGR*

SUBJECT: Presidential Letter on Freedoms Foundation and Enterprise America Merger ←

Justin Dart has sent the President a draft of a letter to be sent over the President's signature to those on the mailing lists of the Freedoms Foundation and Enterprise America, announcing the merger of the two groups. The President is honorary chairman of both groups, although the organizations are inexplicably missing from the current honorary chairmanship list. Both groups are 501(c)(3) organizations.

I do not think the President should agree to sign the letter. The role of honorary chairman does not include advising members of events such as this merger, which should be done by those actively involved in managing the groups. The letter suggests a greater degree of personal involvement by the President in the affairs of the two organizations than is warranted by the facts. The fifth and sixth paragraphs are particularly objectionable. The fifth paragraph is a thinly-veiled plea for funds. The White House has not been provided with any of the information referred to in the sixth paragraph, and accordingly we cannot clear it. We also have no conception of who is on these mailing lists, which could easily include individuals doing business with the White House, or subject to federal regulatory activities.

If some sort of letter must be sent, it would be far better to have a shorter letter from the President to a Freedoms Foundation official or officials, perhaps Mr. Dart himself. Those officials can then mail it out to their supporters. This insulates the President from the recipients, and lessens the appearance of his personal involvement. I have drafted such a letter, and a transmittal memorandum for your signature to Darman.

THE WHITE HOUSE

WASHINGTON

May 17, 1983

MEMORANDUM FOR RICHARD G. DARMAN
ASSISTANT TO THE PRESIDENT

FROM: FRED F. FIELDING Orig. signed by FFF
COUNSEL TO THE PRESIDENT

SUBJECT: Proposed Presidential Letter To Those on
Freedoms Foundation and Enterprise America
Mailing Lists (Suggested by Justin Dart)

Counsel's Office has reviewed the above-referenced proposed letter, and recommend that it not be approved in its present form. We do not view such a communication to the membership of the two organizations as consistent with the limited role of an honorary chairman. We also find the fifth paragraph objectionable as involving the President in fundraising, and cannot clear the sixth paragraph because we have not been provided with the materials in question. In any event, we do not think the President should be forwarding materials of private organizations. Finally, we are very concerned about sending letters over the President's signature to unknown recipients, some of whom could have business with the White House or be regulated by the federal government.

If the President is in fact interested in expressing support for the Freedoms Foundation-Enterprise America merger, it would be preferable to do so in a letter to an official or officials of Freedoms Foundation, perhaps Mr. Dart himself. The letter could then be quoted or used in mailings by that organization. We have prepared a draft of such a letter, based on the original draft provided by Mr. Dart.

Dear Jus:

Thank you for letting me know about the merger of Enterprise America into the Freedoms Foundation at Valley Forge. As honorary chairman of both organizations, I am of course happy to sign a letter supporting the union.

I am advised, however, that it would be better for me to sign a letter to you, which may be quoted or used in mailings by Freedoms Foundation, than to send something directly to the membership of the two groups. This approach avoids appearance problems that would arise should any of the recipients have business dealings with or be regulated by the federal government. It also precludes any suggestion that I am soliciting funds for private groups, which as you know I must avoid.

I have enclosed a letter to you supporting this merger. You will recognize the language in the letter as being from the draft you provided. I have deleted the more detailed information about the two groups, since that can be more appropriately provided in background materials accompanying whatever use of the letter you and the others at Freedoms Foundation decide upon.

Best wishes,

Mr. Justin Dart

Dear Jus:

As Honorary Chairman of both organizations, I was delighted to learn that Enterprise America will be merged into the Freedoms Foundation at Valley Forge. Having pooled their resources and programs, these two fine groups should form a stronger nationwide force in support of freedom, the American private enterprise system and the importance of the political process to individual freedom.

Both organizations have made valuable contributions to our society in the past. By weaving Enterprise America into its ongoing programs, the Freedoms Foundation will strengthen its operations and reach a larger segment of the national population.

You have my best wishes for a successful union.

Sincerely,

Ronald Reagan

Dear Ron:

Attached is a suggested letter from you which we would like to send out to everyone on the mailing lists of Enterprise America and Freedoms Foundation. If you agree, we will go ahead and take care of all the mechanics.

Thought you might also like to see the letter I'm planning to send to key businessmen and community leaders across the country.

Warm regards,

A handwritten signature in black ink, appearing to read "Justin Dart". The first letter "J" is large and stylized, with a loop at the bottom. The rest of the name is written in a cursive, flowing style.

DRAFT LETTER FROM PRESIDENT REAGAN TO ALL EA (DC & LA) MAILING LIST
AS WELL AS FREEDOMS FOUNDATION LIST.

Dear Friend:

I'm writing to tell you about the recent merging of Enterprise America into the Freedoms Foundation at Valley Forge.

As honorary chairman of both of these organizations and a trustee of the Freedoms Foundation since 1965, I am delighted that these two fine groups have pooled their resources and programs into one stronger nationwide force in support of freedom, the American private enterprise system and the importance of the political process to individual freedom.

The Freedoms Foundation, headquartered on a 100-acre campus in Valley Forge, Pennsylvania, is a well-respected organization with a 34-year history of conducting graduate credit seminars, youth leadership workshops and other educational programs. Enterprise America, successor organization to the Center for the Study of Private Enterprise at the University of Southern California, has operated a nationwide communications program, disseminating its educational message of private enterprise and citizen involvement through the media and through a variety of educational materials for use by companies, service clubs, schools and individuals.

I'm sure you'll agree with me that the activities of these two groups complement each other. By weaving Enterprise America into its ongoing programs, the Freedoms Foundation will strengthen its operations and broaden its outreach to a much larger segment of the national population.

I hope you'll join me in supporting the union of these organizations. To maintain its ongoing activities as well as undertake the Enterprise America programs, the Freedoms Foundation needs your continued interest, involvement and your support.

I'm sending you some information about the Freedoms Foundation and the Enterprise America programs along with this letter.

The thrust of this combined educational program will be to inform the public that no individual — no company — no state — and certainly not the United States can spend what it doesn't have without constantly fueling the fires of inflation. This isn't always a popular story, but it must be told.

Sincerely,

Ronald Reagan

DART & KRAFT

Justin Dart
Chairman, Executive Committee

Dear _____:

Enterprise America is being merged with the Freedoms Foundation at Valley Forge.

We believe that this combination, the Freedoms Foundation effort of educating the young people of the United States, and Enterprise America, with emphasis on employees, stockholders and individuals, will be in a position to give maximum aid to a crusade for a more responsible House of Representatives and the preservation of a majority of fiscally-sound thinkers in the Senate of the United States.

Many business political action committees have supported irresponsible and unprincipled representatives because the representative has done some favor for their industry. The result of this action is to disrupt, if not to destroy, the efforts to cut out the waste in government. The bottom line is—"The American people must realize that over time the government cannot spend more than it takes in without continuously feeding the disastrous fires of inflation.

Irresponsible elected Representatives, who continuously vote for big spending programs, have done everything in their power to obstruct efforts to cut expenses at almost all levels. And, the result of an educational program like this is to promote the election of fiscally responsible candidates in the Congress, whether they be Republicans or Democrats.

Freedoms Foundation will in no way compromise its high principles by becoming a political advocate. It will continue to provide honest, objective, unbiased educational programs.

President Reagan was Honorary Chairman of each of these organizations and has accepted enthusiastically the Honorary Chairmanship of the combined organization.

We will need the support of you, your business and your associates. I hope you will make a substantial contribution to help launch this drive of Freedoms Foundation.

Kindest regards,

P.S. Enclosed is some information on this new organization

MEMORANDUM FOR RICHARD G. DARMAN
ASSISTANT TO THE PRESIDENT

FROM: FRED F. FIELDING
COUNSEL TO THE PRESIDENT

SUBJECT: Proposed Presidential Letter To Those on
Freedoms Foundation and Enterprise America
Mailing Lists (Suggested by Justin Dart)

Counsel's Office has reviewed the above-referenced proposed letter, and recommend that it not be approved in its present form. We do not view such a communication to the membership of the two organizations as consistent with the limited role of an honorary chairman. We also find the fifth paragraph objectionable as involving the President in fundraising, and cannot clear the sixth paragraph because we have not been provided with the materials in question. In any event, we do not think the President should be forwarding materials of private organizations. Finally, we are very concerned about sending letters over the President's signature to unknown recipients, some of whom could have business with the White House or be regulated by the federal government.

If the President is in fact interested in expressing support for the Freedoms Foundation-Enterprise America merger, it would be preferable to do so in a letter to an official or officials of Freedoms Foundation, perhaps Mr. Dart himself. The letter could then be quoted or used in mailings by that organization. We have prepared a draft of such a letter, based on the original draft provided by Mr. Dart.
