Meeting on hostages in Lebanon

- Five economic summit nations have hostages in Lebanon - all except Japan and Canada; hostage-taking there is becoming more dangerous. We all need to take more effective action to stop it.
- We asked in Rome Friday whether Italy would host a completely non-public meeting of the five to exchange intelligence and analyses.
- While situation of missing Italian in Lebanon ambiguous, Italy is threatened there, and as economic summit president would be logical host of such a meeting.
- We hope you will find it in your own interest to call this meeting.
