WASHINGTON

March 2, 1981

Dear Uncle Hank:

Thank you for your contribution to the White House Historical Association.

I hope all is well with you and the family. If you are interested, which I am sure you are not, in a visit to Washington, we would love to have you.

As I am sure you gathered long ago, I changed my mind and did not accept your good advise to stay home and make money.

My best regards to all.

Sincerely,

MICHAEL K. DEEVER

Dear Mike:

You will find enclosed a check payable to the White House Historical Association for \$100.00, which you can give to Mrs. Reagan for payment on the White House improvements which she is undertaking.

In my rather biased opinion, the biggest White House improvement had already been concluded when the voters moved Carter out of it.

Regards!

Very truly yours,

Re: 44th Medical Service Squadron
USAF Reserve

Dear Mike:

After reading the latest comments about you in Newsweek (February 2), I was moved to write a letter of congratulations for your personal success in what often seemed to me to have been an impossible goal.

The last time you and I spoke was in the Governor's office when I was in my first year of law school at UCD. Since then, I have vicariously enjoyed reading about your rise in political fortunes.

You were my first exposure to a truly political oriented individual in the conversations we had during our monthly reserve meetings in San Jose. I later marvelled at your dedication to our now President Reagan. Of course, you have been justly rewarded for your tenacity and loyalty and those of us who knew you "back when" are proud to be able to say so.

Your vivid stories of wildlife in Africa, your easy camaraderie with the other Reservists and your musicianship at the Interlude are fondly remembered and I thought you might like to know that.

Congratulations.

Sincerely,

FERNANDO R. ZAZUETA

One of the wonderful things about this job is hearing from old friends. I have heard from a good number of fraternity brothers and they all seem to be doing well and happy.

Dear Mike,

The last time Carole and I saw you was in 1965 after College graduation and you were playing the piano at the Interlude! Can you believe it? Since then, we have lived in Texas, Maryland, Wisconsin and returned to California in 1977 with two children. I didn't know you were with the Republican party in Sacramento with then, Governor Reagan. In any event, sincere congratulations in your tremendous success with the Republican party.

Mike, if you and your wife ever visit the Bay area, please call us. If you have some time, perhaps, we can get together for dinner. Our resident telephone number is (415) 938-4965. Do you ever see any of the group from the Fraternity, i.e. Dixon, Dave Jordan, etc.?

When you have some spare time, let us hear from you.

Kindest regards

Sincerely,

Dear Mike:

Margaret and I wish to thank you and Caroline for helping make our attendance at various Presidential Inauguration ceremonies possible.

We finally were able to make it to the Gala, the Ball, and the Distinguished Women's Reception, in addition to the Inauguration itself and the Parade. One of your aides, Joe Canzeri, was particularly helpful in this respect.

On an entirely different matter -- in her letter of February 4, 1981, Sister Mary Celestine, who is President of Mercy Hospitals of Sacramento (Mercy General, Mercy San Juan and Mercy Twin Lakes) asked if you can possibly be the keynote speaker at the opening of the new Mercy General Hospital on Thursday, April 2, 1981. A copy of her letter is enclosed.

As a member of the Governing Board of those three hospitals I was asked to touch bases with you inasmuch as Sister Celestine has not heard from you. Your participation in the opening of the new hospital would mean a great deal to the entire Sacramento community. We sincerely hope you will be able to accept the invitation.

Thank you again for all the help that you gave us.

Best wishes to you both.

Sincerely yours,

Peter F. Mancina

The Honorable Michael K. Deaver
Deputy Chief of Staff
The White House
Washington, D.C. 20500

Dear Mr. Deaver:

In April of this year Mercy General Hospital (Sacramento, California) will open a new 160,000 sq. ft. hospital building. This building is the culmination of the first phase of a master plan that will enable the hospital to continue its service to the community into the year 2000 and beyond.

Mercy General has a proud tradition of health care service to our community. Owned and operated by the Sisters of Mercy, the facility has functioned as a non-profit organization for the past 80 years. The new building symbolizes the Sisters' continuous commitment to their health care mission.

The opening of the building will be celebrated Thursday, April 2, 1981, with a dedication ceremony to include brief comments by prominent medical and public figures.

The purpose of this letter is to extend to you an invitation to be our keynote speaker. If agreeable, we would like you to talk on the theme of the "challenges and opportunities" for serving the health care needs of our community. In your capacity as Deputy Chief of Staff, we thought this might provide you a suitable forum to make remarks concerning the new administration's goals and aims with regard to health care.

We hope you will accept this invitation to speak at our dedication ceremony. We believe it will provide our staff and our community with positive sense of cooperation between government and the mission of the Sisters of Mercy.

Sincerely yours,

MERCY HOSPITALS OF SACRAMENTO

Dear Mr. Deaver:

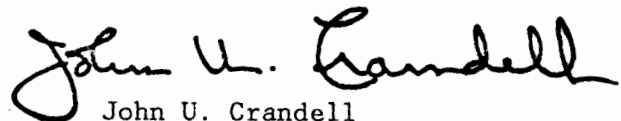

I am delighted to extend our congratulations to you, and to add your name to our list of public officials who will receive MONEY Magazine during 1981.

MONEY Magazine, a publication of Time Incorporated, deals with the subject that seems to be uppermost in the minds of Americans today: Personal Finance. It is designed to keep its nearly 4 million readers informed about the economy as it relates to their own lives, and to help them manage and prosper in these challenging times.

MONEY's March issue may be of special interest to you. It presents key aspects of a plan designed to further the nation's approach to a renewal of its institutions and its very spirit. In combination with related sections appearing in Time Incorporated's six other publications, it should constitute a significant contribution to the national debate on this vital topic.

Again, please accept my best wishes. And if you should have any comments or criticisms regarding MONEY, I would be delighted to hear from you.

Cordially,

John U. Crandell
