Dear Mike:

I enjoyed our short visit on your way to the great Turkey Hunt and of course your presence, plus the President's, added immensely to the appointee fund-raising dinner in Houston which as you know was a huge success. President Reagan being there was the icing on the cake, and the Republican Party of Texas has now approximately \$1 million in its treasury for the 1982 Campaign. This money will be used to support our legislative candidates for both the House and the Senate. Never in the State's party history have we been in such a wonderful financial position so thanks for all your help.

You were most thoughtful to send Rita and me the photographs inscribed by the President. It was a very nice thing for you to do and please thank the President for us.

Best regards!

Dear Mr. Mott:

Thank you for your recent message concerning proposed regulations issued by the Small Business Administration. Small businesses play an important role in our nation's economy. This Administration shares your concern that small businesses continue to maintain their vital place within our nation.

I appreciate the time you have taken to send me your views on the proposed Final Regulations for Graduation of 8(a) companies. While it is not possible for me to respond to your suggestions and opinions in detail, you can be sure that they will be given serious consideration from the appropriate members of the Administration.

Re: Committee of Publicly Owned Companies
Board Meeting

Dear Mike:

I take this opportunity to express our deepest appreciation for your catalytic work in bringing the Board of Directors of the Committee of Publicly Owned Companies together at its December 4 meeting with CEA Chairman Weidenbaum. I can assure you that the Board benefited substantially from the exchange of views and that its members now have a much more accurate understanding of the intensity of the Administration's pursuit of its economic objectives. We thank you for this.

Prior to the meeting, and also at your suggestion, the executive director and counsel of COPOC and I met with Wayne Valis to explore ways in which COPOC can not only reinforce those objectives but also provide advice and counsel on how to more effectively break into the financial community in New York City, an area which Wayne highlighted as needing particular and immediate attention. We thank you for this too.

Needless to say, on this or anyother areas, let me know what I can do to help.

Best regards,

Randal C. Teague

Thank you so much for sending portrait of our President and First Lady, as well as Charter membership card for The President's Club of Texas. They are among my most cherished possessions. I had portrait framed (\$20.00) and have it hanging in my living room.

Now, could you possibly manage to somehow get a birthday card mailed from our President to my grand-daughter, whose birthday coincides with his (Feb. 6th). I believe he will be 71, but Feb. 6th. She will be 13, and it would thrill her beyond words to get a birthday card from Pres. Reagan.

THE WHITE HOUSE

WASHINGTON

December 11, 1981

TO: JOHN ROGERS

FROM: MICHAEL DEAVER *M*

When the staff receives a telephone call that should be referred to the Comments Office, we sometimes get the call again, because they are turned off by "COMMENTS OFFICE". They have said they know it's someone who is just listening to them, and that their calls are to no avail. I am suggesting that the Comments Office be instructed to answer "Executive Office of the President" or "Executive Office". This would prevent return calls and save time.

I am a student at the University of Michigan who has followed your career closely over the past several months. Your position as an aide to President Reagan is a very important one indeed. I have come to admire the way you handle your responsibilities and execute your duties.

I have become involved in politics over the past couple of years, working in a variety of areas. Although I regret that we have never had an opportunity to meet, perhaps our paths will cross yet at some point in the future.

Although I realize you are quite busy, I would be delighted to hear from you should you find an extra moment.

Please accept my best wishes for continued success in your career.

Dear Mike:

I am enclosing two 5 X 7 enlargements of what I think is a good picture of Caroline and the children. I am also enclosing the negatives which you may want to give to a processor to do a bit of "dodging" if you want to lighten the shadows on Caroline's face.

I hope I was not too presumptuous in calling to put in a plug for Bill Black for the position of Chief of Protocol. I have known him for five or six years as a fellow duck hunter and have thoroughly enjoyed his company. I have found him to be not only a very charming and polished gentleman, but also extremely well informed with a history of remarkable business and civic accomplishments for a man of his years. I am confident he would do a magnificent job for the President and Nancy.
