Dear Mike:

Remembering the Reagan Administration's penchant for one page memos, I am tempted to simply cover this page with "thank you" "thank you" "thank you", but even then one page hardly could express how I feel about having this job. Seriously, I'm deeply grateful to you for supporting my nomination to the post a year ago. It has been a most exciting, challenging year and certainly one of the most interesting that I have ever spent.

It's a long way from Sacramento to Saipan and it's been a real thrill for me to be this far away and still feel so much a part of the Reagan Administration. I just wanted to let you know on my first anniversary that I shall be eternally grateful to you for the privilege and pleasure of the appointment.

With warmest regards to you and Mrs. Deaver, and do have a happy holiday season.

Affectionately,

Janet J. McCoy

Dear Mr. Deaver:

I was very sorry that you were not able to accept our invitation to participate in Aspen Institute activities in 1982. We have had an active and productive year and we plan to make 1983 even more successful. To this end, I am enclosing the tentative calendar for the remainder of 1982 and the coming year with the hope that you will begin to make plans to be with us.

We would again offer you a Presidential Fellowship which would cover the costs of your participation, including seminar tuition, accommodations, meals and, if necessary, air travel at economy class rates. We would also be pleased to cover these expenses for your wife.

I hope you will let me know what activities would be of interest to you and we will follow up with further details. If you have questions about any of our programs, please feel free to call me or Mary Morrisett, Fellowships Coordinator, here in our New York office. It would be a great pleasure to welcome you to the Aspen Institute during the next year.

With best regards,

Cordially,

J. E. Slater

P.S. I would like to encourage you and your staff to utilize Wye Plantation as neutral ground for public or private meetings of groups from the public and private sectors here and abroad. I would be glad to discuss this with you at your convenience.
