## “Citizen’s Choice”

Founded in 1976 by a group of concerned citizens led by Jan VanAndel and Bill Marriott, Citizen’s Choice has grown to a national lobbying organization with over 75,000 members. Called by Congressman Jack Kemp “one lobbying organization in Washington, D. C. that really makes a difference,” Citizen’s Choice has become a leader in the battle to reduce the size and scope of government and to lessen the tax and regulatory burden on American businessmen and women.

The Citizen’s Trust is a special group of business and community leaders dedicated to providing the guidance and financial resources necessary to pursue important Citizen’s Choice projects like “The National Forum on Tax Alternatives,” and to increase the grassroots membership of Citizen’s Choice. As a member of the Trust, you will serve as an important catalyst in the work of Citizen’s Choice to revitalize the American economy and to protect our personal and economic freedoms.

Annual membership in the Trust includes two special events per year. Please join us today.
