## THE WHITE HOUSE

WASHINGTON

November 16, 1984

Mike Deaver:

Attached is our and State's current projection for visitors in the first half of 1985. As we discussed, the subject is still fluid in some respects (e.g. Thatcher), but we would appreciate your initial reaction to the attached. None of these visits has been discussed with the foreign country involved pending your review, so we would appreciate the list being held closely.

Thanks,

Bob Kimmitt
