Mr David C Fields
American Embassy
Grosvenor Square
London W1A 1AE

Dear Dave,

It was a great pleasure helping to look after Mr Deaver and his team - and incidentally to give the Presidential visit such a brisk launch. (I have seldom known one of these things get off the ground so quickly.) So it was an uncovenanted bonus to receive the splendid plaque commemorating the first, and I like to think, decisive reconnaissance. Please pass on my grateful thanks and good wishes for the complete success the visit deserves. As I sit in my post-retirement deck chair, sipping lemonade in the shade of the old apple tree which shelters me from the June sun (this at least is the vision I currently have), and as I see a helicopter clattering past, I shall think to myself: 'Ah, there goes the President', and reach for another lump of ice.

Many thanks indeed - I've no doubt we shall be in touch before my departure date.
