THE WHITE HOUSE  
WASHINGTON

April 18, 1983

MEMORANDUM FOR THE FIRST LADY

FROM: FRED F. FIELDING *Orig. signed by FFF*

SUBJECT: President's Financial Disclosure Report

As requested, attached for your review is a copy of a computer printout which purports to contain all gifts valued at \$100 or more received by you and/or the President during calendar year 1982 which, according to records maintained by the White House Gift Unit, have remained in your possession. This printout, following receipt of an indication of your wishes with regard to disposition of the various gifts, will be used by us to prepare the far less detailed list of gifts which will become an attachment to the Financial Disclosure Report.

For each gift listed on the printout there is a stated "disposition." The dispositions of "President," "First Lady," and "President and First Lady" indicate that you and/or the President have personally accepted the gift. All such gifts must be listed in the attachment to the Financial Disclosure Report.

The dispositions of "Residence -- for Official Display; Designated for Archives" and "Ranch -- for Official Display; Designated for Archives" indicate that although the gift remains in your possession, you have designated that the particular gift be turned over to the Archives at or before the end of the Presidency. Gifts that have been so designated need not be listed in the attachment to the Financial Disclosure Report.

All dispositions on the attached printout are tentative in nature and can be changed prior to our final preparation of the report to reflect the wishes of you and the President.

MEMORANDUM

THE WHITE HOUSE  
WASHINGTON

January 5, 1983

*Will have*

TO: MIKE DEEVER  
FROM: KATHY OSBORNE *K*

SUBJECT: SOCIAL SECURITY BENEFITS FOR THE PRESIDENT

Because of the time difference I have not been able to reach Roy Miller yet regarding Social Security Commissioner's questions. However, I have discussed some of it with the President, and he raised some interesting points you might want to clarify right away in case he is questioned at the news conference tonight about Social Security Benefits.

- 1) I indicated it was my understanding that he would apply for benefits and was going to return them to the Federal government to repay the national debt. He said he never meant it that way -- he wanted to return it directly to Social Security itself to help their problem.

He then questioned why doesn't he just "not apply" instead of going through all the paperwork since he would get the same result -- leaving the money there for people who really need it.

- 2) He wants to know if there is a way for people who are now receiving S.S. benefits to "break" this contract with the federal government so they can discontinue receiving it. He is talking about people he knows who are receiving the benefits and have expressed a desire to leave it in the fund for people who really need it.

I'll have a copy of all the answers to the Commissioner's questions over to you this afternoon if I can get the information I need from Roy Miller.

President Reagan is not currently eligible for Social Security benefits as his earnings are in excess of the allowable amount. On January 1, 1983 new policy will allow recipients over 70 years of age to receive benefits regardless of income or employment status. Current rules apply an income test for recipients under 72 years of age, precluding the President's eligibility until January 1, 1983.
