OLD EXECUTIVE OFFICE BUILDING STAFF DINING ROOM

POLICY AND OPERATIONAL GUIDELINES

I. Membership Privileges

Because of the dining area's compact size and small serving staff, membership will be limited to Executive Office of the President (EOP) senior staff. Membership will be offered to approximately 150 staff members.

The aim of the White House Office in providing the dining room is to offer a pleasant dining atmosphere conducive to the free exchange of ideas among EOP staff members and their guests. Members will be encouraged to invite guests to the Old Executive Office Building Dining Room instead of using public restaurants.

II. Daily Operation

a) Management

The operation and management of the dining room will be performed by Guest Services, Inc. Guest Services, Inc. provides virtually all of the cafeteria services in buildings run by the General Services Administration.

This operation, run in conjunction with Guest Services, Inc. cafeteria in the Old Executive Office Building, will be required to be financially self-supporting. All prices and cost estimates have been based upon an estimate of eighty customers daily.

b) Staffing

The staffing will include five employees. Their jobs and duties are as follows:

Hostess Supervise operation and perform all administrative functions, take reservations and function as hostess/service supervisor during operating hours.

Cook Prepare all foods and set-up buffet. Maintain buffet during serving period.

Servers Set-up dining room. Serve desserts from cart. Serve beverages. Bus and reset tables as necessary during serving period. Clean and reset dining room.

c) Hours

The dining room will be open for lunch between the hours of eleven thirty in the morning and two o'clock in the afternoon.

d) Reservations

It will be necessary for members wishing to use the dining room to make reservations through the hostess, who can be reached on extension 6531. It will be required that reservations be made no later than eleven o'clock in the morning on the day of the proposed luncheon. However, members will be encouraged to make reservations with the hostess on the preceding day.

e) Check-in and Seating

Before entering the dining room, members with reservations will sign individual checks, which will confirm use of the facility on that day. The check will include the name(s) of the guest(s) invited. Seating will be on an informal basis except where a placard indicates "Reserved."

f) Service

After members are seated, a waiter will take the beverage order. Members will serve themselves at the buffet table. At the conclusion of the luncheon, the waiter will offer dessert from a cart, coffee and tea.

g) Menu

A varying buffet menu featuring two main courses, salad bar, breads, desserts, and beverages will be offered daily. Beer and wine will be available to members at an additional cost. (See Exhibits I and II.)

h) Accounting and Billing

At the end of each month, Guest Services, Inc. will present the White House Administrative Office with an itemized bill of all members charges.

The White House Administrative Office will handle all accounting and billing of members. Billing will take place on the tenth of each month and will include charges for guests invited by members. Members will be charged for the buffet at the flat rate of \$6.00 per person. Alcoholic beverages will be an additional cost with prices ranging from a \$1.50 per glass for wine and domestic beer to \$1.85 for imported beer. (See Exhibit III.)

Members will be responsible for all personal charges. Personal charges will be settled by members making direct payments to the White House Administrative Office. All accounts will be due by the end of each month. The White House Administrative Office will then settle all accounts with Guest Services, Inc.
