THE WHITE HOUSE

WASHINGTON

March 30, 1984

Dear Lou:

Thank you for the article in your April 1984 (Vol. 68, No. 7) about the Teen Titans drug awareness comic books.

The President's drug abuse program includes international initiatives, drug law enforcement, research and development, detoxification and treatment, education and prevention, and initiatives to reduce drug abuse in the military.

Although I have responsibilities in all areas, none is as important to the long-term solution as the involvement of parents and the private sector in education and prevention campaigns.

The Teen Titans private sector campaign has been well received and I believe it will be enhanced by your article. Thanks for caring and helping.

Best wishes,

Sincerely,

Carlton E. Turner, Ph.D.
Special Assistant to the President
for Drug Abuse Policy
