REMARKS:

RESPONSE:

## 1983 SUPPLEMENTAL APPROPRIATIONS

### Administration Position

- o A letter has been sent indicating that the Senate Committee version of this bill is unacceptable to the Administration--unless significant effort is made to reduce unrequested amounts for domestic discretionary programs.

### Unrequested Domestic Increases

- o The Senate Committee bill contains a total of \$1.1 billion in funding for programs where no supplemental request was made and for which funds are not needed.
- o Attached is a list of major unrequested increases.

UNREQUESTED PROGRAM INCREASES IN SENATE COMMITTEE VERSION  
OF 1983 SUPPLEMENTAL APPROPRIATIONS

\$ in millions

- 1) Elderly Food Donations..... +\$16
  - o \$100 million is already appropriated for FY1983. Add-on breaks the budget and gives quasi-entitlement status to this annually-appropriated program.
  
- 2) Farm Ownership Loans..... +\$100
  - o \$740 million already available -- it is counterproductive to expand cheap farmland purchase credit in the context of a depressed farm economy and the highest CCC price support outlays in history (\$21 billion).
  
- 3) Rural Water and Sewer Grants and Loans..... +\$300
  - o \$800 million available already -- (57% increase over FY 1982). The current resource level is already more than can be productively obligated in FY 1983.
  
- 4) Corps of Engineers..... +\$35
  - o \$389 million add-on already enacted in Jobs Bill. The claimed deficiency in the emergency fund is not valid -- because surpluses in other accounts can be reprogrammed to cover any shortfalls.
  
- 5) Interior/Park Service Land Acquisition..... +\$64
  - o Provides \$34 million expansion of Redwoods National Park, and funds payments for Cranberry Wilderness Area. In signing legislation authorizing the latter (1/83), the President said he would "object strongly to any appropriation."

- 6) Abandoned Mine Reclamation..... +\$55
  - o The current appropriation of \$133 million is 124% increase over 1982. Supplemental would result in 200% increase. Since the program is in the start-up stage, only 31% of the existing appropriation has been obligated through May. Added funds would be wasteful.
  
- 7) Indian Health Service..... +\$24
  - o \$39 million in funds for construction is already provided in the Jobs Bill, but designated for lower-priority sewer construction. It would be better to reprogram these funds than add more.
  
- 8) Strategic Petroleum Reserve Construction (Big Hill)..... +\$370
  - o Sufficient funds are already available to complete design and site work on present schedule. There is no need to accelerate construction given the present fill rate.
  
- 9) Education of Handicapped..... +\$48
  - o With \$970 million already appropriated, this is a gratuitous add-on. Would increase handicapped resources available at the local level by less than 0.5%.
  
- 10) Other Increases..... +\$95
  - o The bill contains unrequested and unnecessary funding for 22 other items, in amounts ranging from \$100,000 to \$20 million, for such diverse programs as highway interchange construction, the \$5 billion biomedical research institutes, the Bureau of Indian Affairs, and Senate Conference Committees.
  
- 11) TOTAL UNREQUESTED INCREASES..... \$1,110
