PROPOSED TAPING: JUNE 23, 1981  
SALUTE TO UTAH STATE REPUBLICAN CONVENTION

It's my privilege to have this opportunity to speak to you. Utah Republicans have been at the forefront of many of the important political battles, and I'm grateful for the part you've played in some of my own campaigns.

~~You can be proud that~~ in the last election, Utah provided the Republican Presidential ticket with a higher percentage of the vote -- 73 percent -- than any other state.

Without a doubt your local, county and state organizations are among the most active in the country. And it is that Party organization which manifests itself on Election Day.

Furthermore, your state has provided many great leaders for our National Party, our Administration, and our contingents to both houses of Congress.

Your performance in the past has been an example to Republicans around the Nation. I know that we all can count on your continued success, because we all know how hard you are working.

It's a pleasure to extend to you my best wishes for your continued success, and offer my sincerest thanks for all you've done.

Best wishes,
